# BlueChoice HMO Referral Gold 800 Ded Summary of Benefits

Note: Allowed Benefit is the fee that providers in the network have agreed to accept for a particular service. The provider cannot charge the member more than this amount for any covered service. Example: Dr. Carson charges \$100 to see a sick patient. To be part of CareFirst's network, he has agreed to accept \$50 for the visit. The member will pay their copay/coinsurance and deductible (if applicable) and CareFirst will pay the remaining amount up to \$50.

\* No copayment or coinsurance.

- 1 When multiple services are rendered on the same day by more than one provider, Member payments are required for each provider.
- 2 Separate - For family coverage only: When one family member meets the individual deductible, they can start receiving benefits. Each family member cannot contribute more than the individual deductible amount. The family deductible must be met before the remaining family members can start receiving benefits.
- 3 Separate - For family coverage only: When one family member meets the individual out-of-pocket maximum, their services will be covered at 100% up to the Allowed Benefit. Each family member cannot contribute more than the individual out-of-pocket maximum amount. The family out-of-pocket maximum must be met before the services for all remaining family members will be covered at 100% up to the Allowed Benefit. The out-of-pocket maximum includes deductibles, copays and coinsurance.
- 4 All drug costs are subject to the in-network out-of-pocket maximum.
- 5 If a service is rendered on a hospital campus you could receive two bills, one from the physician and one from the facility.
- 6 "Telemedicine services" refers to the use of a combination of interactive audio, video, or other electronic media used for the purpose of diagnosis, consultation, or treatment. Use of audio-only telephone, electronic mail message (e-mail), or facsimile transmission (FAX) is not considered a telemedicine service. Providers will use their professional judgment to determine if a telemedicine visit is appropriate or if an in-person visit is required.
- 7 CloseKnit is a registered Trademark owned by, and is the trade name of, Atlas Health, LLC. Atlas Health, LLC d/b/a CloseKnit does not provide Blue Cross Blue Shield products or services and is providing in person and telehealth services to CareFirst members. - 11 If a Generic drug becomes available for a Preferred Brand drug, the Preferred Brand drug moves to the Non-preferred Brand drug tier.
- 12 If a provider prescribes a Non-preferred Brand drug, and the Member selects the Non-preferred Brand drug when a Generic drug is available, the Member shall pay the applicable Copayment or Coinsurance as stated in the Schedule of Benefits plus the difference between the price of the Non-preferred Brand drug and the Generic drug up to the cost of the drug. This amount will not contribute to the Out-of-Pocket Maximum.
