Important Notice from CareFirst BlueChoice About Our Prescription Drug Coverage and Medicare

The Office of Personnel Management (OPM) has determined that CareFirst BlueChoice prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all plan participants and is considered Credible Coverage. This means you do not need to enroll in Medicare Part D and pay extra for prescription drug coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and your FEHB plan will coordinate benefits with Medicare.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB Program.

Please be advised

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that is at least as good as Medicare's prescription drug coverage, your monthly Medicare Part D premium will go up at least 1 percent per month for every month that you did not have that coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19 percent higher than what many other people pay. You will have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next Annual Coordinated Election Period (October 15 through December 7) to enroll in Medicare Part D.

Medicare's Low Income Benefits

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at www.socialsecurity.gov, or call the SSA at 800-772-1213, (TTY: 800-325-0778).

Additional Premium for Medicare's High Income Members Income-Related Monthly Adjustment Amount (IRMAA)

The Medicare Income-Related Monthly Adjustment Amount (IRMAA) is an amount you may pay in addition to your FEHB premium to enroll in and maintain Medicare prescription drug coverage. **This additional premium is assessed only to those with higher incomes and is adjusted based on the income reported on your IRS tax return.** You do not make any IRMAA payments to your FEHB plan. Refer to the Part D-IRMAA section of the Medicare website <https://www.medicare.gov/drug-coverage-part-d/costs-for-medicare-drug-coverage/monthly-premium-for-drug-plans> to see if you would be subject to this additional premium.

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

- Visit www.medicare.gov for personalized help.
- Call 800-MEDICARE 800-633-4227, TTY 877-486-2048.

Introduction

This brochure describes the benefits of CareFirst BlueChoice, Inc. under contract (CS 2879) between CareFirst BlueChoice, Inc. and the United States Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. Customer service may be reached at (888) 789-9065 or through our website: www.carefirst.com/fedhmo/. If you are deaf, hearing impaired or speech impaired, you can contact our Customer Service at (202) 479-3546, TTY 711. The address for CareFirst BlueChoice administrative offices is:

Mail Administrator
P.O. Box 14114
Lexington, KY 40512-4114

This brochure is the official statement of benefits. No verbal statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in self only coverage, you are entitled to the benefits described in this brochure. If you are enrolled in Self Plus One or Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2026, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates for each plan annually. Benefit changes are effective January 1, 2026 and changes are summarized in Section 2. Changes for 2026. Rates are shown at the end of this brochure.

FYI: The Plan brochure takes precedence over any other Plan publication. Discrepancies between the OPM approved brochure text that is incorporated into FEHB contract and any other benefit description will be resolved at the discretion of the Contracting Officer.

Plain Language

All FEHB brochures are written in plain language to make them easy to understand. Here are some examples:

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee and each covered family member, “we” means CareFirst BlueChoice, Inc.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we will tell you what they mean.
- Our brochure and other FEHB plans’ brochures have the same format and similar descriptions to help you compare plans.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program premium.

OPM’s Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the phone or to people you do not know, except to your health care provider, or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) that you receive from us.
- Periodically review your claims history for accuracy to ensure we have not been billed for services you did not receive.

- Do not ask your doctor to make false entries on certificates, bills, or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at (888) 789-9065 and explain the situation. If we do not resolve the issue:

CALL - THE HEALTH CARE FRAUD HOTLINE

(877) 499-7295

OR go to

www.opm.gov/our-inspector-general/hotline-to-report-fraud-waste-or-abuse/complaint-form/

The online reporting form is the desired method of reporting fraud in order to ensure accuracy and a quicker response time.

You can also write to:

**United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street NW Room 6400
Washington, DC 20415-1100**

- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise)
 - Your child age 26 or over (unless they are disabled and incapable of self-support prior to age 26). A carrier may request that an enrollee verify the eligibility of any or all family members listed as covered under the enrollee's FEHB enrollment.
- If you have any questions about the eligibility of a family member, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage (TCC).
- Fraud or intentional misrepresentation of material fact is prohibited under the Plan. You can be prosecuted for fraud and your agency may take action against you. Examples of fraud include falsifying a claim to obtain FEHB benefits, trying to or obtaining services or coverage for yourself or for someone else who is not eligible for coverage, or enrolling in the Plan when you are no longer eligible.
- If your enrollment continues after you are no longer eligible for coverage (i.e., you have separated from Federal service) and premiums are not paid, you may be responsible for all benefits paid during the period in which premiums were not paid. You may be billed directly by your provider for services received. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member is no longer eligible to use your health insurance coverage.

Discrimination is Against the Law

We comply with applicable Federal nondiscrimination laws and do not discriminate on the basis of race, color, national origin, age, disability, religion, sex, pregnancy, or genetic information. We do not exclude people or treat them differently because of race, color, national origin, age, disability, religion, sex, pregnancy, or genetic information.

The health benefits described in this brochure are consistent with applicable laws prohibiting discrimination. All coverage decisions will be based on nondiscriminatory standards and criteria. An individual's protected trait or traits, will not be used to deny health benefits for items, supplies, or services that are otherwise covered and determined to be medically necessary.

Preventing Medical Mistakes

Medical mistakes continue to be a significant cause of preventable deaths within the United States. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. Medical mistakes and their consequences also add significantly to the overall cost of healthcare. Hospitals and healthcare providers are being held accountable for the quality of care and reduction in medical mistakes by their accrediting bodies. You can also improve the quality and safety of your own health care and that of your family members by learning more about and understanding your risks. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you, take notes, ask questions and understand answers.

2. Keep and bring a list of all the medications you take.

- Bring the actual medication or give your doctor and pharmacist a list of all the medications and dosage that you take, including non-prescription (over-the-counter) medication and nutritional supplements.
- Tell your doctor and pharmacist about any drug, food, and other allergies you have, such as to latex.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.
- Make sure your medication is what the doctor ordered. Ask the pharmacist about your medication if it looks different than you expected.
- Read the label and patient package insert when you get your medication, including all warnings and instructions.
- Know how to use your medication. Especially note the times and conditions when your medication should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.
- Understanding both the generic and brand names for all of your medication(s) is important. This helps ensure you do not receive double dosing from taking both a generic and a brand of the same medication. It also helps you avoid taking a medication to which you are allergic.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of tests or procedures. Will it be in person, by phone, mail, through the Plan or Provider's portal?
- Don't assume the results are fine if you do not get them when expected. Contact your healthcare provider and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital or clinic is best for your health needs.

- Ask your doctor about which hospital or clinic has the best care and results for your condition if you have more than one hospital or clinic to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital or clinic.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, “Who will manage my care when I am in the hospital?”
- Ask your surgeon:
 - "Exactly what will you be doing?"
 - "About how long will it take?"
 - "What will happen after surgery?"
 - "How can I expect to feel during recovery?"
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reaction to anesthesia, and any medications or nutritional supplements you are taking.

Preventable Healthcare Acquired Conditions (“Never Events”)

When you enter the hospital for treatment of one medical problem, you do not expect to leave with additional injuries, infections, or other serious conditions that occur during the course of your stay. Although some of these complications may not be avoidable, patients do suffer from injuries or illnesses that could have been prevented if doctors or the hospital had taken proper precautions. Errors in medical care that are clearly identifiable, preventable and serious in their consequences for patients, can indicate a significant problem in the safety and credibility of a health care facility. These conditions and errors are sometimes called “Never Events” or “Serious Reportable Events.”

We have a benefit payment policy that encourages hospitals to reduce the likelihood of hospital-acquired conditions such as certain infections, severe bedsores, and fractures, and to reduce medical errors that should never happen. When such an event occurs, neither you nor your FEHB plan will incur costs to correct the medical error.

FEHB Facts

Coverage information

- **No pre-existing condition limitation** We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.
- **Minimum essential coverage (MEC)** Please visit the Internal Revenue Service (IRS) website at www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision for more information on the individual requirement for MEC.
- **Minimum value standard** Our health coverage meets the minimum value standard of 60% established by the ACA. This means that we provide benefits to cover at least 60% of the total allowed costs of essential health benefits. The 60% standard is the actuarial value; your specific out-of-pocket costs are determined as explained in this brochure.
- **Where you can get information about enrolling in the FEHB Program**

See www.opm.gov/healthcare-insurance for enrollment information as well as:

 - Information on the FEHB Program and plans available to you
 - A health plan comparison tool
 - A list of agencies that participate in Employee Express
 - A link to Employee Express
 - Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, give you other plans' brochures and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

 - When you may change your enrollment
 - How you can cover your family members
 - What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire
 - What happens when your enrollment ends
 - When the next Open Season for enrollment begins

We do not determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office. For information on your premium deductions, disability leave, pensions, etc. you must also contact your employing or retirement office.

Once enrolled in your FEHB Program Plan, you should contact your carrier directly for updates and questions about your benefit coverage.
- **Enrollment types available for you and your family** Self Only coverage is only for the enrollee. Self Plus One coverage is for the enrollee and one eligible family member. Self and Family coverage is for the enrollee and one or more eligible family members. Family members include your spouse and your children under age 26, including any foster children authorized for coverage by your employing agency or retirement office. Under certain circumstances, you may also continue coverage for a disabled child 26 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self Plus One or Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self Plus One or Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self Plus One or Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form. Benefits will not be available to your spouse until you are married. A carrier may request enrollee to verify the eligibility of any or all family members listed as covered under the enrollee's FEHB enrollment.

Contact your employing or retirement office if you want to change from Self Only to Self Plus One or Self and Family. If you have a Self and Family enrollment, you may contact us to add a family member.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits. Please tell us immediately of changes in family member status including your marriage, divorce, annulment, or when your child reaches age 26. We will send written notice to you 60 days before we proactively disenroll your child on midnight of their 26th birthday unless your child is eligible for continued coverage because they are incapable of self-support due to a physical or mental disability that began before age 26.

If you or one of your family members is enrolled in one FEHB plan, you or they cannot be enrolled in or covered as a family member by another enrollee in another FEHB plan.

If you have a qualifying life event (QLE) - such as marriage, divorce, or the birth of a child - outside of the Federal Benefits Open Season, you may be eligible to enroll in the FEHB Program, change your enrollment, or cancel coverage. For a complete list of QLE's visit the FEHB website at <https://www.opm.gov/healthcare-insurance/>. If you need assistance, please contact your employing agency, Tribal Benefits Officer, personnel/payroll office, or retirement office.

- **Family member coverage**

Family members covered under your Self and Family enrollment are your spouse (including your spouse by valid common-law marriage if you reside in a state that recognizes common-law marriages) and children as described in the chart below. A Self Plus One enrollment covers you and your spouse, or one other eligible family member as described below.

Natural children, adopted children, and stepchildren

Coverage: Natural children, adopted children, and stepchildren are covered until their 26th birthday.

Foster children

Coverage: Foster children are eligible for coverage until their 26th birthday if you provide documentation of your regular and substantial support of the child and sign a certification stating that your foster child meets all the requirements. Contact your human resources office or retirement system for additional information.

Children incapable of self-support

Coverage: Children who are incapable of self-support because of a mental or physical disability that began before age 26 are eligible to continue coverage. Contact your human resources office or retirement system for additional information.

Married children

Coverage: Married children (but NOT their spouse or their own children) are covered until their 26th birthday.

Children with or eligible for employer-provided health insurance

Coverage: Children who are eligible for or have their own employer-provided health insurance are covered until their 26th birthday.

Newborns of covered children are insured only for routine nursery care during the covered portion of the mother's maternity stay.

You can find additional information at www.opm.gov/healthcare-insurance.

- **Children's Equity Act**

OPM implements the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self Plus One or Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll in Self Plus One or Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self Plus One or Self and Family coverage, as appropriate, in the lowest-cost nationwide plan option as determined by OPM;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self Plus One or Self and Family, as appropriate, in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self Plus One or Self and Family, as appropriate, in the lowest-cost nationwide plan option as determined by OPM

As long as the court/administrative order is in effect, and you have at least one (1) child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that does not serve the area in which your child(ren) live, unless you provide documentation that you have other coverage for the child(ren).

If the court/administrative order is still in effect when you retire, and you have at least one (1) child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that does not serve the area in which your children live as long as the court/administrative order is in effect. Similarly, you cannot change to Self Plus One if the court/administrative order identifies more than one child. Contact your employing office for further information.

- **When benefits and premiums start**

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. **If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be processed according to the 2026 benefits of your prior plan or option. If you have met (or pay cost-sharing that results in your meeting) the out-of-pocket maximum under the prior plan or option, you will not pay cost-sharing for services covered between January 1 and the effective date of coverage under your new plan or option.** However, if your prior plan left the FEHB Program at the end of 2025, you are covered under that plan's 2025 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

If your enrollment continues after you are no longer eligible for coverage (i.e., you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member is no longer eligible to use your health insurance coverage.

- **When you retire**

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five (5) years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

- **When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage including dependents that turn 26.

Any person covered under the 31 day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to continuation of the benefits of the Plan during the continuance of the confinement but not beyond the 60th day after the end of the 31 day temporary extension.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC), or a conversion policy (a non-FEHB individual policy).

- **Upon divorce**

If you are an enrollee and your divorce or annulment is final, your ex-spouse cannot remain covered as a family member under your Self Plus One or Self and Family enrollment. You **must** contact us to let us know the date of the divorce or annulment and have us remove your ex-spouse. We may ask for a copy of the divorce decree as proof. In order to change enrollment type, you must contact your employing or retirement office. A change will not automatically be made.

If you were married to an enrollee and your divorce or annulment is final, you may not remain covered as a family member under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to provide health coverage for you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get information about your coverage choices. You can also visit OPM's website at <https://www.opm.gov/healthcare-insurance/life-events/memy-family/im-separated-or-im-getting-divorced/#url=Health>. We may request that you verify the eligibility of any or all family members listed as covered under the enrollee's FEHB enrollment.

- **Temporary Continuation of Coverage (TCC)**

If you leave Federal service, Tribal employment or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal or Tribal job, or if you are a covered child and you turn 26.

You may not elect TCC if you are fired from your Federal or Tribal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, from your employing or retirement office or from www.opm.gov/healthcare-insurance. It explains what you have to do to enroll.

Alternatively, you can buy coverage through the Health Insurance Marketplace where, depending on your income, you could be eligible for a tax credit that lowers your monthly premiums. Visit www.HealthCare.gov to compare plans and see what your premium, deductible, and out-of-pocket costs would be before you make a decision to enroll. Finally, if you qualify for coverage under another group health plan (such as your spouse's plan), you may be able to enroll in that plan, as long as you apply within 30 days of losing FEHB Program coverage.

- **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal or Tribal service, your employing office will notify you of your right to convert. You must contact us in writing within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will not notify you. You must contact us in writing within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, a waiting period will not be imposed and your coverage will not be limited due to pre-existing conditions. When you contact us, we will assist you in obtaining information about health benefits coverage inside or outside the Affordable Care Act's Health Insurance Marketplace in your state. For assistance in finding coverage, please contact us at (888) 789-9065 or visit our website at www.carefirst.com/fedhmo.

- **Health Insurance Marketplace**

If you would like to purchase health insurance through the ACA's Health Insurance Marketplace, please visit www.HealthCare.gov. This is a website provided by the U.S. Department of Human Services that provides up-to-date information on the Marketplace.

Section 1. How This Plan Works

This Plan is a health maintenance organization (HMO) plan. OPM requires that FEHB plans be accredited to validate that plan operations and/or care management meet nationally recognized standards. CareFirst holds the NCQA accreditation. To learn more about this plan's accreditation(s), please visit the following websites:

- National Committee for Quality Assurance (www.ncqa.org)

We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. We are solely responsible for the selection of these providers in your area. Contact us for a copy of our most recent provider directory. We give you a choice of enrollment in a Blue Value Plus Option, a Standard BlueChoice Option, or a High Deductible Health Plan (HDHP).

HMOs emphasize preventive care such as routine office visits, physical exams, well-child care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You pay only the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

General features of our Standard BlueChoice & Blue Value Plus Options

CareFirst offers a Blue Value Plus in network only HMO with features including: No referrals, no member out-of-pocket for preventive care, and \$10 copay for preferred generic drugs. The plan also provides benefits for routine vision exams. There is a \$100 deductible for Self Only enrollment and \$200 Self Plus One and Self and Family enrollment that applies to all prescription drugs except for Tier 1 preferred generics. In addition, Blue Value Plus option offers Blue Rewards where members can earn pecuniary rewards and redeem these rewards using their medical expense debit card.

Our Standard BlueChoice offering includes no referrals, out-of-network benefits, no member out-of-pocket for preventive care, and no copay for generic drugs. In addition, Standard BlueChoice offers Blue Rewards where members can earn pecuniary rewards and redeem these rewards using their medical expense debit card.

We have Open Access benefits

This means you can receive covered services from a participating provider without a required referral from your primary care provider or by another participating provider in our network.

We have Point-of-Service (POS) benefits

Our Standard BlueChoice option, in addition to being Open Access, offers Point-of-Service benefits. This means you can receive covered services from an out-of-network provider; a provider outside of our BlueChoice network who participates in another BlueChoice network or a non-participating provider. However, if you receive services from an out-of-network provider outside of our BlueChoice network you may have higher out-of-pocket costs than you would have from our in-network providers.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your cost-sharing (copayments, coinsurance, deductibles, and non-covered services and supplies). Under Standard BlueChoice, you will be responsible for charges in excess of our allowed benefit, in addition to any applicable deductible or copay, when you receive care from an out-of-network non-participating provider.

General Features of our BlueChoice Advantage High Deductible Health Plan (HDHP)

Our HDHP is called the BlueChoice Advantage HDHP. HDHPs have higher annual deductibles and annual out-of-pocket maximum limits than other types of FEHB plans. FEHB Program HDHPs also offer health savings accounts or health reimbursement arrangements. Please see below for more information about these savings features.

Preventive care services

Preventive care services are generally covered with no cost-sharing and are not subject to copayments, deductibles or annual limits when received only from a in-network provider.

Annual deductible

There is no medical or pharmacy deductible for the Standard BlueChoice offering. There is no medical deductible for the Blue Value Plus Option. There is a \$100 deductible for Self Only enrollment and \$200 Self Plus One and Self and Family enrollment that applies to all prescription drugs except for Tier 1 preferred generics under the Blue Value Plus option. Under the BlueChoice Advantage HDHP Option, there is a \$1,700 Self Only enrollment deductible and \$3,400 Self Plus One and Self and Family enrollment deductible in-network and there is a \$3,400 Self Only enrollment deductible and \$6,800 Self Plus One and Self and Family enrollment deductible out-of-network. Only CareFirst allowable charges are applicable to the deductible. The annual deductible must be met before Plan benefits are paid for care other than preventive care.

Health Savings Account (HSA)

You are eligible for an HSA if you are enrolled in an HDHP, not covered by any other health plan that is not an HDHP (including a spouse's health plan, excluding specific injury insurance and accident, disability, dental care, vision care, or long-term coverage), not enrolled in Medicare, not received VA (except for veterans with a service-connected disability) or Indian Health Service (IHS) benefits within the last three (3) months, not covered by your own or your spouse's flexible spending account (FSA), and are not claimed as a dependent on someone else's tax return.

- You may use the money in your HSA to pay all or a portion of the annual deductible, copayments, coinsurance, or other out-of-pocket costs that meet the IRS definition of a qualified medical expense.
- Distributions from your HSA are tax-free for qualified medical expenses for you, your spouse, and your dependents, even if they are not covered by a HDHP.
- You may withdraw money from your HSA for items other than qualified medical expenses, but it will be subject to income tax and, if you are under 65 years old, an additional 20% penalty tax on the amount withdrawn.
- For each month that you are enrolled in an HDHP and eligible for an HSA, the HDHP will pass through (contribute) a portion of the health plan premium to your HSA. In addition, you (the account holder) may contribute your own money to your HSA up to an allowable amount determined by IRS rules. Your HSA dollars earn tax-free interest.
- You may allow the contributions in your HSA to grow over time, like a savings account. The HSA is portable – you may take the HSA with you if you leave the Federal government or switch to another plan.

Health Reimbursement Arrangement (HRA)

If you are not eligible for an HSA, or become ineligible to continue an HSA, you are eligible for a Health Reimbursement Arrangement (HRA). Although an HRA is similar to an HSA, there are major differences.

- An HRA does not earn interest.
- An HRA is not portable if you leave the Federal government or switch to another plan.

Catastrophic protection

We protect you against catastrophic out-of-pocket expenses for covered services. The IRS limits annual in-network out-of-pocket expenses for covered services under the HDHP option, including deductibles, coinsurance and copayments, to no more than \$8,500 for Self Only enrollment, and \$17,000 for a Self Plus One or Self and Family. Our plan specific out-of-pocket limits are as follows:

- For the Standard BlueChoice Option, the catastrophic limit is \$6,500 per Self Only enrollment and \$13,000 per Self Plus One and Self and Family enrollment for in-network services. For out-of-network services, the catastrophic limit is \$10,000 per Self Only enrollment and \$20,000 per Self Plus One and Self and Family enrollment.

ACA limits annual in-network out-of-pocket expenses for covered services under the Standard and Blue Value Plus options, including deductibles, coinsurance and copayments, to no more than \$10,600 for Self Only enrollment, and \$21,200 for a Self Plus One or Self and Family. Our plan specific out-of-pocket limits are as follows:

- For the Blue Value Plus Option, the catastrophic limit is \$7,500 per Self Only enrollment and \$15,000 per Self Plus One and Self and Family enrollment for in-network services.
- For the BlueChoice Advantage HDHP, the catastrophic limit is \$6,500 per Self Only enrollment and \$13,000 per Self Plus One and Self and Family enrollment for in-network services. For out-of-network services, the catastrophic limit is \$8,500 per Self Only enrollment and \$17,000 per Self Plus One and Self and Family enrollment.

Out-Of-Pocket Maximum

• Individual Coverage:

- The member must meet the individual out-of-pocket maximum.

• Family Coverage:

- Each Member can satisfy their own individual out-of-pocket maximum by meeting the individual out-of-pocket maximum. In addition, eligible expenses of all covered family members can be combined to satisfy the family out-of-pocket maximum.
- An individual family member cannot contribute more than the individual out-of-pocket maximum toward meeting the family out-of-pocket Maximum
- Once the family out-of-pocket maximum has been met, this will satisfy the out-of-pocket maximum for all family members.

These amounts apply to the out-of-pocket maximum:

- Co-payments and coinsurance for all covered services.
- Prescription drug benefit Rider co-payments and coinsurance for all covered services.
- Deductible.
- **Note:** When the member has reached the out-of-pocket maximum, no further co-payments, coinsurance or deductible will be required in that benefit period for covered services. The in-network and out-of-network out-of-pocket maximum contributes towards one another.

Health education resources and account management tools

We make available a wide variety of self-service tools and resources to help you take personal control of your health. Below is a list of some of these tools and resources, many of which are available through our website at www.carefirst.com/fedhmo.

- Health education resources — preventive guidelines, patient safety tips, wellness and disease information, prescription drug interaction and pricing tools, and newsletters
- Account management tools — online claims payment history and HSA or HRA balance information
- Treatment Cost Estimator- located on MyAccount and provides consumers estimated costs for services.
- Consumer choice information — online provider directory and health services pricing tool
- Care support information — case management programs

For more information about these and other available tools and resources, please see the HDHP Section.

Your rights and responsibilities

OPM requires that all FEHB plans provide certain information to their FEHB members. You may get information about us, our networks, providers, and facilities from OPM's FEHB website (www.opm.gov/healthcare-insurance), which lists the specific types of information that we must make available to you.

Some of the required information is listed below:

- We are in compliance with Federal and State licensing and certification requirements
- We have been in existence since 1984
- We are a non-profit corporation
- CareFirst BlueChoice, Inc. is an independent licensee of the BlueCross and BlueShield Association, a registered trademark of the BlueCross and BlueShield Association and a registered trademark of CareFirst of Maryland, Inc.

You are also entitled to a wide range of consumer protections and have specific responsibilities as a member of this Plan. You can view the complete list of these rights and responsibilities by visiting our website www.carefirst.com/fedhmo. You can also contact us to request that we mail a copy to you.

By law, you have the right to access your protected health information (PHI). For more information regarding access to PHI, visit our website www.carefirst.com/fedhmo to obtain our Notice of Privacy Practices. You can also contact us to request that we mail you a copy of that Notice.

If you want more information about us, call (toll free) (888) 789-9065 or write to Mail Administrator, P.O. Box 14114, Lexington, KY 40512-4114. You may also contact us by visiting our website at www.carefirst.com/fedhmo.

Your medical and claims records are confidential

We will keep your medical and claims records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians or dispensing pharmacies. In addition, we may use or disclose your information for health benefits administration purposes (such as claims and enrollment processing, care management and wellness offerings, claims payment and fraud detection and prevention efforts), and our business operations (including for quality measurement and enhancement and benefit improvement and development. You may view our Notice of Privacy Practice for more information about how we use and disclose member information by visiting our website at www.carefirst.com/fedhmo.

Service area

To enroll in this Plan, you must live in or work in our service area. This is where our providers practice. Our service area is: The District of Columbia; the state of Maryland; in Virginia, the cities of Alexandria and Fairfax, Arlington County, the town of Vienna and the area of Fairfax and Prince William Counties in Virginia lying east of route 123.

Under the Standard BlueChoice and HDHP BlueChoice Advantage, if you elect to receive care outside of our service area, the care will be treated as out-of-network with the exception of emergency care.

Coverage is provided for only urgent and emergency care when rendered outside of the country. Call 800-810-BLUE (2583) 24/7 for information on doctors, hospitals, other health care professionals or to receive medical assistance services. A medical assistance vendor, in conjunction with a medical professional, will make an appointment with a provider or arrange hospitalization if necessary.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your covered family members live outside of the service area (for example, if your child goes to college in another state), you may be able to take advantage of our Guest Membership Program. This program will allow you or your dependents, which reside outside of the service area for an extended period of time, to utilize the benefits of an affiliated Blue Cross and Blue Shield HMO. Please contact us toll free at (888)789-9065 for more information on the Guest Membership Program. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. Changes for 2026

Do not rely only on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5, Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Changes to Standard BlueChoice, Blue Value Plus, and BlueChoice Advantage HDHP Options

- **Maternity:** The Plan will add Doula as a covered provider for maternity benefits. Regular Plan benefits apply. See Section 5(a), Medical Services and Supplies, page 41 and 118
- **Noom Med:** The Plan will add Noom Med, a medically supervised weight management program that combines prescription medications with established behavioral health tools. The program is intended for individuals with obesity or related health conditions. See Section 5(h), Wellness and Other Special Features, page 91 and 164
- **Reconstructive Surgery:** The Plan will remove surgery for Sex-Trait Modification to treat gender dysphoria. See Section 5(b), Reconstructive surgery, page 61 and 134
- **Prescription Drug Benefits:** Drugs prescribed in connection with Sex-Trait Modification for treatment of gender dysphoria will no longer be covered. See Section 5(f), Prescription Drug Benefits, page 82 and 160

Changes to Standard BlueChoice Option only

- **Premium Rates:** Your share of the premium rate will increase for Self Only or increase for Self+1 and Self and Family. See back cover
- **Catastrophic Maximum:** The in-network catastrophic maximum is increasing from \$5,500 to \$6,500 for Self Only and from \$11,000 to \$13,000 for Self+1 and Self and Family. The out-of-network catastrophic maximum is increasing from \$9,000 to \$10,000 for Self Only and from \$18,000 to \$20,000 for Self+1 and Self and Family. See Section 4, Your Costs for Covered Services, page 28
- **Mental Health and Substance Use Disorder:** The office visit and outpatient professional cost share for Professional Mental Health and Substance Use Disorder copayments will increase from \$0 to \$25 in-network and \$80 to \$100 out-of-network. See Section 5(e), Mental Health and Substance Use Disorder, page 77
- **Applied Behavioral Analysis (ABA):** The Plan will move coverage for ABA Therapy, from Section 5(a), Habilitative Therapy to Section 5(e), Mental Health and Substance Use Disorder Benefits. The office visit and outpatient professional cost share will decrease from a \$50 copay to a \$25 copay. Inpatient professional 20% of the Plan allowance applies. The Plan will remove age restrictions. See more on page 78
- **Infertility Services:** The Plan will change the coverage for in-vitro fertilization (IVF) from 50% of the plan allowance to Services are paid at regular Plan benefits as outlined in sections 5(a) through 5(f) of the brochure. Limit to three (3) complete egg retrievals and there is no limit on the number of embryo transfers performed from the egg retrieval. In addition, embryo transfer and gamete intra-fallopian transfer (GIFT) and zygote intra-fallopian transfer (ZIFT) are covered if in conjunction with approved IVF benefits. The Plan is eliminating the \$45,000 annual limit, the restriction of three attempts per live birth, and the requirement that patients must first attempt less costly infertility treatments before accessing IVF. See Section 5(a), Medical Services and Supplies, page 45

Changes for Blue Value Plus Option only

- **Premium Rates:** Your share of the premium rate will increase for Self Only or increase for Self+1 and Self and Family. See back cover
- **Catastrophic Maximum:** The in-network catastrophic maximum is increasing from \$6,500 to \$7,500 for Self Only and from \$13,000 to \$15,000 for Self+1 and Self and Family. See Section 4, Your Costs for Covered Services, page 28

- **Applied Behavioral Analysis (ABA):** The Plan will move coverage for ABA Therapy, from Section 5(a), Habilitative Therapy to Section 5(e), Mental Health and Substance Use Disorder Benefits. The office visit copay cost share will decrease from a \$50 copay to a \$15 copay. The Plan will remove age restrictions. See more on page 78
- **Infertility Services:** The Plan will change the coverage for in-vitro fertilization (IVF) from 50% of the plan allowance to Services are paid at regular Plan benefits as outlined in sections 5(a) through 5(f) of the brochure. Limit to one IVF cycle per plan year. In addition, embryo transfer and gamete intra-fallopian transfer (GIFT) and zygote intra-fallopian transfer (ZIFT) are covered if in conjunction with approved IVF benefits. The Plan is eliminating the \$45,000 annual limit, the restriction of three attempts per live birth, and the requirement that patients must first attempt less costly infertility treatments before accessing IVF. See Section 5(a), Medical Services and Supplies, page 45

Changes for BlueChoice Advantage HDHP Option only

- **Premium Rates:** Your share of the premium rate will increase for Self Only or increase for Self+1 and Self and Family. See back cover
- **Catastrophic Maximum:** The in-network catastrophic maximum is increasing from \$5,500 to \$6,500 for Self Only and from \$11,000 to \$13,000 for Self+1 and Self and Family. The out-of-network catastrophic maximum is increasing from \$7,500 to \$8,500 for Self Only and from \$15,000 to \$17,000 for Self+1 and Self and Family. See Section 4, Your Costs for Covered Services, page 28
- **Deductible:** The Plan will increase the in-network deductible from \$1,650 to \$1,700 for Self Only and from \$3,300 to \$3,400 for Self+1 and Self and Family. The out-of-network deductible is increasing from \$3,300 to \$3,400 for Self Only and from \$6,600 to \$6,800 for Self+1 and Self and Family. See Section 4, Your Costs for Covered Services, page 27
- **Applied Behavioral Analysis (ABA):** The Plan will move coverage for ABA Therapy, from Section 5(a), Habilitative Therapy to Section 5(e), Mental Health and Substance Use Disorder Benefits. The office visit copay cost share will decrease from a \$35 copay to a \$0 copay, deductible applies. The Plan will remove age restrictions. See more on page 152
- **Infertility Services:** The Plan will change the coverage for in-vitro fertilization (IVF) from 50% of the plan allowance to Services are paid at regular Plan benefits as outlined in sections 5(a) through 5(f) of the brochure. Limit to one IVF cycle per plan year. In addition, embryo transfer and gamete intra-fallopian transfer (GIFT) and zygote intra-fallopian transfer (ZIFT) are covered if in conjunction with approved IVF benefits. The Plan is eliminating the \$45,000 annual limit, the restriction of three attempts per live birth, and the requirement that patients must first attempt less costly infertility treatments before accessing IVF. See Section 5(a), Medical Services and Supplies, page 121

Section 3. How You Get Care

Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us toll free at (888) 789-9065 or write to us at Mail Administrator, P.O. Box 14114, Lexington, KY 40512-4114.

Where you get covered care

You get care from "Plan providers" and "Plan facilities". You will only be responsible for your cost-sharing (copayments, coinsurance, deductibles, and non-covered services and supplies) if you use BlueChoice providers under both the Blue Value Plus and BlueChoice options. If you use the point-of-service feature under BlueChoice, you can also get care from providers in other CareFirst networks as well as non-participating providers. Under BlueChoice, this will cost you more than using our BlueChoice network. Under both Blue Value Plus and BlueChoice, you are not required to obtain a referral from your primary care provider or another participating physician in our network. You are still responsible for choosing a primary care provider and returning the Selection Form to us or notifying Member Services at (888) 789-9065 of your selection.

- **Plan providers**

Plan providers are physicians and other healthcare professionals in our service area that we contract with to provide covered services to our members. Services by Plan Providers are covered when acting within the scope of their license or certification under applicable state law. We credential Plan providers according to national standards.

Benefits are provided under this Plan for the services of covered providers, in accordance with Section 2706(a) of the Public Health Service Act. Coverage of practitioners is not determined by your state's designation as a medically underserved area.

We list Plan providers in the provider directory, which we update periodically. The list is also on our website.

Benefits described in this brochure are available to all members meeting medical necessity guidelines regardless of race, color, national origin, age, disability, religion, sex, pregnancy, or genetic information.

This plan provides Care Coordinators for complex conditions and can be reached at (888) 789-9065, or on our website at www.carefirst.com/fedhmo for assistance.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our website.

- **Balance Billing Protection**

FEHB Carriers must have clauses in their in-network (participating) providers agreements. These clauses provide that, for a service that is a covered benefit in the plan brochure or for services determined not medically necessary, the in-network provider agrees to hold the covered individual harmless (and may not bill) for the difference between the billed charge and the in network contracted amount. If an in-network provider bills you for covered services over your normal cost share (deductible, copay, co-insurance) contact your Carrier to enforce the terms of its provider contract.

What you must do to get covered care

It depends on the type of care you need. First, you and each family member must choose a primary care provider. This decision is important since your primary care provider provides or arranges for most of your health care. Each member may choose their primary care provider from our provider directory available on our website, www.carefirst.com/fedhmo.

- **Primary care**

Your primary care provider can be a family practitioner, general practitioner, internist, or pediatrician. Your primary care provider will provide or coordinate most of your healthcare.

If you want to change primary care providers or if your primary care provider leaves the plan, call us. We will help you select a new one.

- **Specialty care**

Your primary care provider may refer you to a specialist for needed care or you may go directly to a specialist without a referral. Under BlueChoice, you may use other providers, but out-of-network coverage levels will apply.

Here are some other things you should know about specialty care:

- Your primary care provider will create your treatment plan. The physician may have to get an authorization or approval from us beforehand. If you are seeing a specialist when you enroll in our Plan, talk to your primary care provider. If they decide to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. While BlueChoice provides out-of-network benefits with higher out-of-pocket, our Open Access plan generally will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care provider, who will arrange for you to see another in-network specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else. Under BlueChoice, you may continue to see your current specialist, or see any out-of-network specialist, but your care would be paid at the out-of-network level.
- You may continue seeing your specialist for up to 90 days if you are undergoing treatment for a chronic or disabling condition and you lose access to your specialist because:
 - we terminate our contract with your specialist for other than cause;
 - we drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan; or
 - we reduce our service area and you enroll in another FEHB plan;

Contact us at 888-789-9065, or if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist at the in-network level until the end of your postpartum care, even if it is beyond the 90 days.

Note: If you lose access to your specialist because you changed your carrier or plan option enrollment, contact your new plan.

Specialty care (cont.)

Sex-Trait Modification:

If you are mid-treatment under this Plan, within a surgical or chemical regimen for Sex-Trait Modification for diagnosed gender dysphoria, for services for which you received coverage under the 2025 Plan brochure, you may seek an exception to continue care for that treatment. See Sections 5(b) and 5(f). Our exception process is as follows:

Members over the age of 18 that did not change plans during Open Enrollment and have a diagnosis of gender dysphoria with documented authorization, claims history, or prescriptions prior to January 2026 are potentially eligible for an exception.

Member requests for coverage will be reviewed individually to confirm initiation of treatment prior to January 1, 2026, and the clinical necessity for continuation. Maintenance services are not eligible for an exception.

To request a surgical exception your provider must submit a Precertification Request for Authorization of Services via the CareFirst Provider Portal or by completing the Precertification Request for Authorization of Services form.

To request an exception for hormone treatment your provider must submit a Prior Authorization request found at <https://www.carefirst.com/fedhmo/faqs/gender-dysphoria.html>

If you disagree with our decision on your exception, please see Section 8 of this brochure for the disputed claims process.

Individuals under age 19 are not eligible for exceptions related to services for ongoing surgical or hormonal treatment for diagnosed gender dysphoria.

- **Hospital care**

Your Plan primary care provider or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

- **If you are hospitalized when your enrollment begins**

We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at (toll free) (888) 789-9065. If you are new to the FEHB Program, we will arrange for you to receive care and provide benefits for your covered services while you are in the hospital beginning on the effective date of your coverage.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- you are discharged, not merely moved to an alternative care center; or
- the day your benefits from your former plan run out; or
- the 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such cases, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

You need prior Plan approval for certain services

Since your primary care provider arranges most referrals to specialists and inpatient hospitalization, the pre-service claim approval process only applies to care shown under *Other services*.

- **Inpatient hospital admission**

Precertification is the process by which – prior to your inpatient hospital admission – we evaluate the medical necessity of your proposed stay and the number of days required to treat your condition.

- **Other Services**

Your primary care provider has authority to refer you for most services. For certain services, however, your physician must obtain prior approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice. You must obtain prior approval for:

- Dialysis in a hospital setting
- Growth hormone therapy (GHT)
- Home health care
- Hospice care
- Outpatient services
- Non-routine maternity admission rendered outside of the CareFirst Service Area and/or by out-of-network non-participating providers require precertification under BlueChoice
- Skilled nursing facility
- Specialty drugs
- Organ and Tissue Transplants
- Genetic Testing
- Sleep Studies (except non-attended)
- Air Ambulance Services
- Specialized Radiation Therapy
- Artificial Insemination Infertility Treatments and fertility drugs
- In Vitro Fertilization
- Habilitative and Applied Behavioral Analysis (ABA)
- Inpatient and outpatient hospital Electroconvulsive Therapy (ECT)
- Inpatient and outpatient hospital Repetitive Transcranial Magnetic Stimulation (TMS)
- Inpatient Behavioral Health and Substance Use Disorder
- Residential Treatment Centers (RTC)
- See <https://provider.carefirst.com/providers/medical/in-network-precertification-preauthorization.page> for a list of specific Covered Services which require prior authorization

How to request us to precertify an admission or give prior authorization for Other services

First, your physician, your hospital, you, or your representative, must call us at (866) 773-2884 before admission or services requiring prior authorization are rendered.

Next, provide the following information:

- enrollee's name and Plan identification number;
- patient's name, birth date, identification number and phone number;
- reason for hospitalization, proposed treatment, or surgery;
- name and phone number of admitting physician;
- name of hospital or facility; and
- number of days requested for hospital stay.

Blue Value Plus

Prior authorization is required for all In-Network outpatient services performed in the outpatient department of a hospital, including but not limited to, outpatient surgery, specialty imaging, diagnostic, laboratory and X-ray services, Outpatient Rehabilitative Services and Infusion Services.

Benefits will not be approved at these locations if CareFirst BlueChoice determines that the procedure can be provided in a medically appropriate manner within a physician's office or other less intensive and less costly setting.

If prior authorization is not obtained, benefits for outpatient services performed in the outpatient department of a hospital are not covered. Prior authorization for in-network services is the responsibility of the in-network provider and a member cannot be held liable when an in-network provider fails to obtain prior authorization.

BlueChoice Standard

Prior authorization is required for all In-Network outpatient services performed in the outpatient department of a hospital, including but not limited to, outpatient surgery, specialty imaging, diagnostic, laboratory and X-ray services, Outpatient Rehabilitative Services and Infusion Services.

Benefits will not be approved at these locations if CareFirst BlueChoice determines that the procedure can be provided in a medically appropriate manner within a physician's office or other less intensive and less costly setting.

If prior authorization is not obtained, benefits for outpatient services performed in the outpatient department of a hospital are not covered. Prior authorization for in-network services is the responsibility of the in-network provider and a member cannot be held liable when an in-network provider fails to obtain prior authorization.

Out-of-network participating providers will also obtain prior authorization for out-of-network covered services for which prior authorization is required. For purposes of this Evidence of Coverage, out-of-network participating provider means any physician, health care professional or health care facility located in the CareFirst BlueChoice Service Area and has contracted with CareFirst BlueCross Blue Shield to be paid directly for rendering Covered Services to Members. Members may obtain out-of-network benefits from out-of-network participating providers.

BlueChoice Advantage Plan:

Prior authorization from CareFirst BlueChoice will be obtained by in-network providers and out-of-network participating providers located in the CareFirst BlueChoice Service Area. If these providers fail to obtain prior authorization, the Member shall be held harmless. Except for Urgent Care, Emergency Services and follow-up care after emergency surgery, it is the Member's responsibility to obtain prior authorization for (1) Medical Devices and Supplies for In-Network Covered Services, (2) when services are rendered outside of the CareFirst BlueChoice Service Area and (3) for services rendered by out-of-network non-participating providers.

Failure of the Member to meet the utilization management requirements or to obtain prior authorization for services listed in (1), (2) or (3) above, may result in a reduction or denial of the Member's benefits even if the services are Medically Necessary. Refer to the Schedule of Benefits to determine the Utilization Management Non-Compliance penalty.

Maternity care

You do not need precertification of a maternity admission for a routine delivery. However, if your medical condition requires you to stay more than 48 hours after a vaginal delivery or 96 hours after a cesarean section, then your physician or the hospital must contact us for precertification of additional days. Further, if your baby stays after you are discharged, your physician or the hospital must contact us for precertification of additional days for your baby.

Note: When a newborn requires definitive treatment during or after the mother's hospital stay, the newborn is considered a patient in their own right. If the newborn is eligible for coverage, regular medical or surgical benefits apply rather than maternity benefits.

- **Non-urgent care claims**

For non-urgent care claims, we will tell the physician and/or hospital the number of approved inpatient days, or the care that we approve for other services that must have prior authorization. We will make our decision within 15 days of receipt of the pre-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you of the need for an extension of time before the end of the original 15-day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

- **Urgent care claims**

If you have an urgent care claim (i.e., when waiting for the regular time limit for your medical care or treatment could seriously jeopardize your life, health, or ability to regain maximum function, or in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without this care or treatment), we will expedite our review and notify you of our decision within 72 hours. If you request that we review your claim as an urgent care claim, we will review the documentation you provide and decide whether or not it is an urgent care claim by applying the judgment of a prudent lay person that possesses an average knowledge of health and medicine.

If you fail to provide sufficient information, we will contact you within 24 hours after we receive the claim to let you know what information we need to complete our review of the claim. You will then have up to 48 hours to provide the required information. We will make our decision on the claim within 48 hours of (1) the time we received the additional information or (2) the end of the time frame, whichever is earlier.

We may provide our decision orally within these time frames, but we will follow up with written or electronic notification within three days of oral notification.

You may request that your urgent care claim on appeal be reviewed simultaneously by us and OPM. Please let us know that you would like a simultaneous review of your urgent care claim by OPM either in writing at the time you appeal our initial decision, or by calling us at (888) 789-9065. You may also call OPM's FEHB 2 at (202) 606-3818 between 8 a.m. and 5 p.m. Eastern Time to ask for the simulation review. We will cooperate with OPM so they can quickly review your claim on appeal. In addition, if you did not indicate that your claim was a claim for urgent care, call us at (888) 789-9065. If it is determined that your claim is an urgent care claim, we will expedite our review (if we have not yet responded to your claim).

- **Concurrent care claims**

A concurrent care claim involves care provided over a period of time or over a number of treatments. We will treat any reduction or termination of our pre-approved course of treatment before the end of the approved period of time or number of treatments as an appealable decision. This does not include reduction or termination due to benefit changes or if your enrollment ends. If we believe a reduction or termination is warranted, we will allow you sufficient time to appeal and obtain a decision from us before the reduction or termination takes effect.

If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, we will make a decision within 24 hours after we receive the claim.

- **Emergency inpatient admission**

If you have an emergency admission due to a condition that you reasonably believe puts your life in danger or could cause serious damage to bodily function, you, your representative, the physician, or the hospital must phone us within two (2) business days following the day of the emergency admission, even if you have been discharged from the hospital.

• If your treatment needs to be extended	If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, we will make a decision within 24 hours after we receive the claim.
What happens when you do not follow the precertification rules when using non-network facilities	Under our BlueChoice option, certain services can be obtained from out-of-network providers. For services requiring prior authorization or pre-certification, refer to the "You need prior Plan approval for certain services" section.
Circumstances beyond our control	Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.
If you disagree with our pre-service claim decision	If you have a pre-service claim and you do not agree with our decision regarding precertification of an inpatient admission or prior approval of other services, you may request a review in accord with the procedures detailed below. If your claim is in reference to a contraceptive, call (888) 789-9065. If you have already received the service, supply, or treatment, then you have a post-service claim and must follow the entire disputed claims process detailed in Section 8.
• To reconsider a non-urgent care claim	Within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure. In the case of a pre-service claim and subject to a request for additional information, we have 30 days from the date we receive your written request for reconsideration to 1. Precertify your hospital stay, or, if applicable, arrange for the health care provider to give you the care or grant your request for prior approval for a service, drug, or supply; or 2. Ask you or your provider for more information. • You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 days. • If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision. 3. Write to you and maintain our denial.
• To reconsider an urgent care claim	In the case of an appeal of a pre-service urgent care claim, within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure. Unless we request additional information, we will notify you of our decision within 72 hours after receipt of your reconsideration request. We will expedite the review process, which allows oral or written requests for appeals and the exchange of information by phone, electronic mail, facsimile, or other expeditious methods.
• To file an appeal with OPM	After we reconsider your pre-service claim if you do not agree with our decision you may ask OPM to review it by following Step 3 of the disputed claims process detailed in Section 8 of this brochure.

Section 4. Your Costs for Covered Services

This is what you will pay out-of-pocket for covered care:

Cost-sharing	Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g. deductible, coinsurance, and copayments) for the covered care you receive.
Copayments	A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive certain services. Example: When you see your primary care provider, under the Open Access option, you pay a copayment of \$25 per office visit, and when you go in the hospital, under the Open Access option, you pay a copayment of \$200 per admission.
Deductible	A deductible is a fixed expense you must incur for certain covered services and supplies before we start paying benefits for those services. The Standard BlueChoice does not have a deductible for medical or pharmacy. The Blue Value Plus Option has no medical deductible. There is a \$100 deductible for Self and \$200 for Self Plus One and Self and Family for Tier 2-5 prescription drugs under the Blue Value Plus Option. Under the Self Only, Self Plus One, and Self and Family enrollments, services for any or all members contribute to the deductible. Those services subject to the deductible are indicated in Sections 5(a) through 5(g). The BlueChoice Advantage HDHP has a deductible of \$1,700 for Self Only enrollment or \$3,400 for Self Plus One and Self and Family enrollment for in-network services and \$3,400 for Self Only enrollment and \$6,800 for Self Plus One and Self and Family enrollment for out-of-network care each calendar year. Individual Coverage: The member must satisfy the individual deductible. Self Plus One and family coverage: The deductible may be met entirely by one member or by combining eligible expenses of two or more covered family members. There is no individual deductible with family coverage. The family deductible must be reached before CareFirst pays benefits for covered services subject to the deductible for any member who has family coverage. The deductible applies to all benefits excluding all preventive services. Only CareFirst allowable charges are applicable to the deductible. Note: If you change plans during Open Season, you do not have to start a new deductible under your prior plan option between January 1 and the effective date of your new plan. If you change plans at another time during the year, you must begin a new deductible under your new plan.
Coinsurance	Coinsurance is the percentage of our allowed benefit that you must pay for your care. Coinsurance does not begin until you have met your calendar year deductible. Example: In our Plan, you pay 25% of our allowed benefit for durable medical equipment.
Important Notice About Surprise Billing – Know Your Rights	The No Surprises Act (NSA) is a federal law that provides you with protections against “surprise billing” and “balance billing” for out-of-network emergency services; out-of-network non-emergency services provided with respect to a visit to a participating health care facility; and out-of-network air ambulance services. A surprise bill is an unexpected bill you receive for: • emergency care – when you have little or no say in the facility or provider from whom you receive care, or for • non-emergency services furnished by nonparticipating providers with respect to patient visits to participating health care facilities, or for

- air ambulance services furnished by nonparticipating providers of air ambulance services.

Balance billing happens when you receive a bill from the nonparticipating provider, facility, or air ambulance service for the difference between the nonparticipating provider's charge and the amount payable by your health plan.

Your health plan must comply with the NSA protections that hold you harmless from surprise bills.

For specific information on surprise billing, the rights and protections you have, and your responsibilities go to www.carefirst.com/fedhmo or contact the health plan at (888) 789-9065.

Differences between our Plan's allowed benefit and bill

Our "**allowed benefit**" is the amount we use to calculate our payment for certain types of covered services. Plans arrive at their allowances in different ways, so they may vary. For information on how we determine our allowed benefit, see the definition of allowed benefit in Section 10.

Often, the provider's bill is more than our allowed benefit. It is possible for a provider's bill to exceed the allowance by a significant amount. Whether or not you have to pay the difference will depend on the type of provider you use. BlueChoice has a network of providers who will always accept our allowed benefit. Under **our Standard and HDHP** BlueChoice options, there are other providers contracted with CareFirst who will only bill you for the amount attributed to the deductible or the appropriate copayment or coinsurance. Please check the Hearing Aid benefit for detail for when network providers may bill for balances (52 and page 126)

Under BlueChoice, non-participating providers who provide out-of-network services will bill you for any balances in excess of our allowance for covered services in addition to the appropriate deductible, copayment or coinsurance amount.

You should also see section Important Notice About Surprise Billing – Know Your Rights below that describes your protections against surprise billing under the No Surprises Act.

Your catastrophic protection out-of-pocket maximum

After your (deductible, copayments and coinsurance) reaches the out-of-pocket maximum you do not have to pay any more for covered services, with the exception of certain cost sharing for the services below which do not count toward your catastrophic protection out-of-pocket maximum.

Your out-of-pocket maximum for services rendered during the 2026 calendar year is:

Under Standard BlueChoice, once your expenses for in-network care (co-payment and coinsurance) total \$6,500 for Self Only enrollment or \$13,000 for Self Plus One and Self and Family enrollment in any calendar year you do not have to pay anymore for covered services. All covered in-network care counts toward the catastrophic limit. The catastrophic limit for out-of network care is \$10,000 for Self Only enrollment and \$20,000 for Self Plus One and Self and Family enrollment in any calendar year, and only expenses up to our allowed benefit contribute; any balances in excess of our allowed benefit does not contribute to the catastrophic limit and remain your liability. Be sure to keep accurate records of your copayments since you are responsible for informing us when you reach the maximum.

Under Blue Value Plus, once your expenses for in-network care (coinsurance, co-payments and deductible) total \$7,500 for Self Only enrollment or \$15,000 for Self Plus One and Self and Family enrollment in any calendar year you do not have to pay anymore for covered services. All covered in-network care counts toward the catastrophic limit. Only expenses up to our allowed benefit contribute; any balances in excess of our allowed benefit does not contribute to the catastrophic limit and remain your liability. Be sure to keep accurate records of your copayments since you are responsible for informing us when you reach the maximum.

Under the BlueChoice Advantage HDHP option, once your expenses for in-network services are met (coinsurance, copayments and deductible) totaling \$6,500 for Self Only enrollment or \$13,000 for Self Plus One and Self and Family enrollment in any calendar year, you do not have to pay any more for covered in-network services. All covered in-network care counts toward the catastrophic limit. The catastrophic limit for out-of-network care is \$8,500 for Self Only enrollment and \$17,000 for Self Plus One and Self and Family enrollment in any calendar year, and only expenses up to our allowed benefit contribute; any balances in excess of our allowed benefit does not contribute to the catastrophic limit and remain your liability.

Please note that the out-of-pocket maximums will be combined for both in-network and out-of-network services for the Standard BlueChoice and HDHP BlueChoice Advantage options.

Out-Of-Pocket Maximum

- **Individual Coverage:**

- The member must meet the individual out-of-pocket maximum.

- **Family Coverage:**

- Each member can satisfy their own individual out-of-pocket maximum by meeting the individual out-of-pocket maximum. In addition, eligible expenses of all covered family members can be combined to satisfy the Self and Family out-of-pocket maximum.
- An individual family member cannot contribute more than the individual out-of-pocket maximum toward meeting the Self and Family out-of-pocket maximum
- Once the Self and Family out-of-pocket maximum has been met, this will satisfy the out-of-pocket maximum for all family members.

These amounts apply to the out-of-pocket maximum:

- Co-payments and coinsurance for all covered services
- Prescription drug benefit Rider co-payments and coinsurance for all covered services
- Deductible

Note: The in-network and out-of-network out-of-pocket maximum contributes towards one another.

Carryover

If you changed to this Plan during Open Season from a plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that plan's catastrophic protection benefit during the prior year will be covered by your prior plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your prior plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your prior plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your prior plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.

Note: If you change options in this Plan year, we will credit the amount of covered expenses already accumulated in the catastrophic out-of-pocket limit of your old option to the catastrophic protection limit of your new option.

When Government facilities bill us

Facilities of the Department of Veterans Affairs, the Department of Defense and the Indian Health Services are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than their governing laws allow. You may be responsible to pay certain services and charges. Contact the government facility directly for more information.

The Federal Flexible Spending Account Program-FSAFEDS

- **Healthcare FSA (HCFSA)** – Reimburses an FSA participant for eligible out-of-pocket healthcare expenses (such as copayments, deductibles, over-the-counter drugs and medications, vision and dental expenses, and much more) for their tax dependents, and adult children (through the end of the calendar year in which they turn 26).
- **FSAFEDS** offers paperless reimbursement for your HCFSA through a number of FEHB and FEDVIP plans. This means that when you or your provider files claims with your FEHB or FEDVIP plan, FSAFEDS will automatically reimburse your eligible out-of-pocket expenses based on the claim information it receives from your plan.

Section 5. Standard BlueChoice Option & Blue Value Plus

See page 18 on how our benefits changed this year. Page 188 contains the benefit summary the Standard BlueChoice product and page 191 contains the benefit summary for the Blue Value Plus product.

Note: This benefits section is divided into subsections. Please read **Important things you should keep in mind** at the beginning of each subsection. Also read the general exclusions in Section 6; they apply to the benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about our benefits, contact us at (888) 789-9065 or at our website at www.carefirst.com/fedhmo.

Summary of Benefits - Standard BlueChoice for 2026	188

Section 5. Standard BlueChoice Option & Blue Value Plus Overview

This Plan offers a Standard BlueChoice Option and Blue Value Plus. The benefit package is described in Section 5. Make sure that you review the benefits that are available under the option in which you are enrolled.

The Standard BlueChoice and Blue Value Plus Options Section 5 is divided into subsections. Please read *Important things you should keep in mind* at the beginning of the subsections. Also read the general exclusions in Section 6; they apply to the benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about the Standard BlueChoice or Blue Value Plus Option benefits, contact us at (888) 789-9065 or on our website at www.carefirst.com/fedhmo.

Blue Value Plus Option

- Blue Value Plus Plan does not require referrals to see a specialist
- Preventive care and Women's health services are covered with no copay
- \$15 PCP copay and \$50 specialist copay
- \$30 copay for lab and \$50 copay x-ray at preferred network providers
- 25% coinsurance per admission copay for inpatient hospitalization
- \$150 facility copay for surgery in an Ambulatory Surgical Center and \$200 facility fee for outpatient hospital
- Prescriptions: - There is a \$100 deductible for Tiers 2 through Tiers 4 for Self and \$200 for Self Plus One and Self & Family

For up to a 34-day supply:

\$10 copay for Tier-1 preferred generic drug
\$50 for Tier-2 preferred brand name drug
\$100 for Tier-3 -preferred specialty generic drug
\$150 for Tier-4 preferred specialty brand name drug

For a 35-day through 90-day supply: two (2) copays

Standard BlueChoice Option

- A Dual Option design, permitting the member to have benefits for care received outside of the BlueChoice network or tests by an Independent lab or radiology group.
- Under Standard BlueChoice, you have access to Blue Rewards and can earn up to \$400. This reward can be used to pay for expenses related to the health plan including copays, coinsurance, and deductibles for medical, prescription drug, dental and vision.
- A higher copay apply to out-of-network services.

Retail up to a 34-day supply per copay:

\$10 Tier 1 generic drug
\$75 Tier 2 preferred brand name drug
\$100 Tier 3 non-preferred brand name drug
\$125 Tier 4 preferred specialty brand name drug
\$175 Tier 5 non-preferred specialty brand name drug

Maintenance drugs up to 90-day supply per copay:

\$20 Tier 1 generic drug
\$150 Tier 2 preferred brand name drug
\$200 Tier 3 non-preferred brand name drug
\$250 Tier 4 preferred specialty brand name drug
\$350 Tier 5 non-preferred specialty brand name drug

Standard BlueChoice Option & Blue Value Plus Overview

Mandatory Generic Drug Substitution applies to this plan. If your prescriber writes "Dispense as Written" for the brand-name drug, and you receive a brand-name drug when a Federally approved generic drug is available, you will have to pay the difference in cost between the brand-name drug and the generic, plus the brand copay.

Section 5(a). Medical Services and Supplies Provided by Physicians and Other Healthcare Professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The member is responsible for any applicable copayment or coinsurance listed in this schedule.
- Under Standard BlueChoice, when you receive out-of-network care from providers contracted with CareFirst BlueCross BlueShield, but not participating in our BlueChoice network, you are only responsible for the appropriate copays and coinsurances.
- Blue Value Plus has no medical deductible. There is a \$100 deductible for Self Only enrollment and \$200 deductible for Self Plus One and Self and Family enrollment for Pharmacy Tiers 2 - Tiers 4.
- When the allowed benefit for any covered service is less than the copayment listed, the member payment will be the allowed benefit.
- Prior authorization is required for all outpatient services performed in the outpatient department of a hospital.
- If prior authorization is not obtained, benefits for outpatient services performed in the outpatient department of a hospital are considered as a non-covered service.
- Prior authorization is not required for clinic visits rendered in a hospital, hospital clinic or health care provider's office on a hospital campus.
- When multiple services are rendered on the same day by more than one provider, member payments are required for each provider.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- The coverage and cost-sharing listed below are for services provided by physicians and other health care professionals for your medical care. See Section 5(c) for cost-sharing associated with the facility (i.e., hospital, surgical center, etc.).
- Please remember that, when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate co-pays and coinsurances.

Benefit Description	You pay	
Professional Services	Standard BlueChoice Option	Blue Value Plus Option
Professional services of physicians • In physician's office • Outpatient Professional (Non-Surgical) • Office medical consultations • Second surgical opinion • At home	Office/Outpatient Hospital In-network: • PCP-\$25 copay • Specialist - \$50 copay Out-of-network: • \$100 copay	Office/Outpatient Hospital In-network: • PCP - \$15 copay • Specialist - \$50 copay Note: Office visits rendered in a hospital, hospital clinic or health care provider's office visit on a hospital campus are not subject to the facility copay.

Professional Services - continued on next page

Standard BlueChoice Option & Blue Value Plus Option

Benefit Description	You pay	
Professional Services (cont.)	Standard BlueChoice Option	Blue Value Plus Option
	Note: Office visits rendered in a hospital, hospital clinic or health care provider's office visit on a	
Initial examination of a newborn child immediately after birth. See Maternity benefits under section 5(a) for more information.	In-network: - Preventive- No charge - Non-Preventive- No charge - Professional Services at Delivery - 20% of plan allowance Out-of-network: - Preventive- No charge - Non-Preventive- No charge - Professional Services at Delivery - 30% of plan allowance	In-network: - Preventive- No charge - Non-Preventive- \$50 - Professional Services at Delivery - 25% of plan allowance
Inpatient/Skilled nursing Professional (Non-Surgical)	In-network: 20% of plan allowance Out-of-network: 30% of plan allowance	In-network: 25% of plan allowance
Convenience Care (Retail Health Clinic) While primary care providers should be the first line of defense for members, there are tiered care alternatives members can access when their PCP is not available such as CVS MinuteClinic, Walgreens TakeCare and Target Clinic who can serve as the immediate backup to PCPs. (after hours)	In-network: \$0 copay Out-of-network: \$80 copay per visit	In-network: \$15 copay
Telehealth Services	Standard BlueChoice Option	Blue Value Plus Option
Telemedicine Services: Telemedicine refers to the use of a combination of interactive audio, video, or other electronic media used by a licensed health care provider for the purpose of diagnosis, consultation, or treatment consistent with the provider's scope of practice. Note: Telemedicine must have a video and audio component. Telephone consultations are not a covered service.	Benefits are available to the same extent as benefits provided for other services. • Example: - If services are rendered by a PCP, the member would be responsible for the PCP cost- share. -If services are rendered by a Specialist, the member would be responsible for the Specialist cost-share.	Benefits are available to the same extent as benefits provided for other services. • Example: - If services are rendered by a PCP, the member would be responsible for the PCP cost- share. -If services are rendered by a Specialist, the member would be responsible for the Specialist cost-share.

Benefit Description	You pay	
Maternity Care (cont.)	Standard BlueChoice Option	Blue Value Plus Option
- As part of your coverage, you have access to in-network certified nurse midwives, home nurse visits and board-certified lactation specialists during the prenatal and postpartum period. Your coverage includes certified doula coverage including in person and virtual visits. - You may remain in the hospital up to 48 hours after a vaginal delivery and 96 hours after a cesarean delivery. We will extend your inpatient stay if medically necessary. - We cover routine nursery care of the newborn child during the covered portion of the mother's maternity stay. We will cover other care of an infant who requires non-routine treatment only if we cover the infant under a Self Plus One or Self and Family enrollment. - We pay hospitalization and surgeon services for non-maternity care the same as for illness and injury. - Hospital services are covered under Section 5(c) and Surgical benefits Section 5(b). Note: When a newborn requires definitive treatment during or after the mother's hospital stay, the newborn is considered a patient in their own right. If the newborn is eligible for coverage, regular medical or surgical benefits apply rather than maternity benefits. In addition, circumcision is covered at the same rate as for regular medical or surgical benefits. Preventive Services: - Preventive outpatient obstetrical care of an uncomplicated pregnancy, including prenatal evaluation and management office visits and one postpartum office visit; - Prenatal laboratory tests and diagnostic services related to the outpatient care of an uncomplicated pregnancy, including those identified in the current recommendations of the United States Preventive Services Task Force that have in effect a rating of "A" or "B" or provided in the comprehensive guidelines for women's preventive health supported by the Health Resources and Services Administration;	In-network: - Preventive- No charge - Non-Preventive- No charge - Professional Services at Delivery - 20% of plan allowance Out-of-network: - Preventive- No charge - Non-Preventive- No charge - Professional Services at Delivery - 30% of plan allowance Note: For non-routine maternity admissions, the member is responsible for obtaining authorization for services rendered outside of the service area and services rendered by out-of-network non-participating providers. Section 5(b). Surgical and Anesthesia Services Provided by Physicians and Other Healthcare Professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- **YOUR PHYSICIAN MUST GET PRECERTIFICATION FOR SURGICAL PROCEDURES.** Please refer to the precertification information shown in Section 3 to be sure which services require prior authorization and identify which surgeries require precertification.
- Surgical procedures may involve the services of a co-surgeon, surgical assistant or assistant-at surgery who may bill separately from the primary surgeon.
- Under Standard BlueChoice, when you receive out-of-network care from providers contracted with CareFirst BlueCross BlueShield, but not participating in our BlueChoice network, you are only responsible for the appropriate co-pays and coinsurances.
- Blue Value Plus has no medical deductible. There is a \$100 deductible for Self Only enrollment and \$200 deductible for Self Plus One and Self and Family enrollment for Pharmacy Tiers 2 - Tiers 4.
- The services listed below are for the charges billed by a physician or other healthcare professional for your surgical care. See Section 5 (c) for charges associated with a facility (i.e., hospital, surgical center, etc.).
- Member is responsible for any applicable co-payment or coinsurance listed in this schedule
- When the plan allowance for any covered service is less than the co-payment listed, the member payment will be the plan allowance.
- Prior authorization is required for all outpatient services performed in the outpatient department of a hospital.
- If prior authorization is not obtained, benefits for outpatient services performed in the outpatient department of a hospital are considered a non-covered service.
- Prior authorization is not required for clinic visits rendered in a hospital, hospital clinic or health care provider's office on a hospital campus.
- When multiple services are rendered on the same day by more than one provider, member payments are required for each provider.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- Please remember that, when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate co-pays and coinsurances.

Standard BlueChoice Option & Blue Value Plus Option

Benefit Description	You pay	
Surgical procedures	Standard BlueChoice Option	Blue Value Plus Option
A comprehensive range of services, such as: • Operative procedures • Treatment of fractures, including casting • Routine pre- and post-operative care by the surgeon • Correction of amblyopia and strabismus • Endoscopy procedures • Biopsy procedures • Removal of tumors and cysts • Correction of congenital anomalies (see <i>Reconstructive surgery</i>) • Surgical treatment of severe obesity (bariatric surgery) Note: You must meet certain criteria to be eligible for bariatric surgery. Standard BlueChoice Option & Blue Value Plus Option

Benefit Description	You pay	
Reconstructive surgery (cont.)	Standard BlueChoice Option	Blue Value Plus Option
<i>If you are mid-treatment under this Plan, within a surgical or chemical regimen for Sex-Trait Modification for diagnosed gender dysphoria, for services for which you received coverage under the 2025 Plan brochure, you may seek an exception to continue care for that treatment. Our exception process is as follows:</i> Members over the age of 18 that did not change plans during Open Enrollment and have a diagnosis of gender dysphoria with documented authorization, claims history, or prescriptions prior to January 2026 are potentially eligible for an exception. Member requests for coverage will be reviewed individually to confirm initiation of treatment prior to January 1, 2026, and the clinical necessity for continuation. Maintenance services are not eligible for an exception. To request a surgical exception your provider must submit a Precertification Request for Authorization of Services via the CareFirst Provider Portal or by completing the <u>Precertification Request for Authorization of Services</u> form. To request an exception for hormone treatment your provider must submit a Prior Authorization request found at https://www.carefirst.com/fedhmo/faqs/gender-dysphoria.html <i>If you disagree with our decision on your exception, please see Section 8 of this brochure for the disputed claims process.</i> <i>Individuals under age 19 are not eligible for exceptions related to services for ongoing surgical or hormonal treatment for diagnosed gender dysphoria.</i>	<i>All charges</i>	<i>All charges</i>

Standard BlueChoice Option & Blue Value Plus Option

Benefit Description	You pay	
Organ/tissue transplants (cont.)	Standard BlueChoice Option	Blue Value Plus Option
Physicians consider many features to determine how diseases will respond to different types of treatment. Some of the features measured are the presence or absence of normal and abnormal chromosomes, the extension of the disease throughout the body, and how fast the tumor cells grow. By analyzing these and other characteristics, physicians can determine which diseases may respond to treatment without transplant and which diseases may respond to transplant. • Allogeneic transplants for: - Acute lymphocytic or non-lymphocytic (i.e., myelogenous) leukemia - Advanced Hodgkin's lymphoma with recurrence (relapsed) - Advanced non-Hodgkin's lymphoma with recurrence (relapsed) - Acute myeloid leukemia - Advanced Myeloproliferative Disorders (MPDs) - Advanced neuroblastoma - Amyloidosis - Chronic lymphocytic leukemia/small lymphocytic lymphoma (CLL SLL) - Hemoglobinopathy - Infantile malignant osteoporosis - Kostmann's syndrome - Leukocyte adhesion deficiencies - Marrow failure and Related Disorders (i.e. Fanconi's PNH, pure red cell aplasia) - Mucopolysaccharidosis (e.g., Gaucher's disease, metachromatic leukodystrophy, adrenoleukodystrophy) - Mucopolysaccharidosis (e.g., Hunter's syndrome, Hurler's syndrome, Sanfilippo's syndrome, Maroteaux-Lamy syndrome variants) - Myelodysplasia/Myelodysplastic syndromes - Paroxysmal Nocturnal Hemoglobinuria - Phagocytic/Hemophagocytic deficiency diseases (e.g., Wiskott-Aldrich syndrome) - Severe combined immunodeficiency - Severe or very severe aplastic anemia	In-network Office: • PCP – \$25 copay • Specialist – \$50 copay Ambulatory Surgical Center (ASC): • PCP – \$25 copay • Specialist – \$50 copay Outpatient Hospital: • PCP – \$25 copay • Specialist – \$50 copay Inpatient Hospital: • 20% of plan allowance Out-of-Network Office: • \$100 copay Ambulatory Surgical Center (ASC): • \$100 copay Outpatient Hospital: • \$100 copay Inpatient Hospital: • 30% of plan allowance	In-network Office: • PCP – \$15 copay • Specialist – \$50 copay Ambulatory Surgical Center (ASC): • PCP – \$15 copay • Specialist – \$50 copay Outpatient Hospital: • PCP – \$15 copay • Specialist – \$50 copay Inpatient Hospital: • 25% of plan allowance

If you are a participant in a clinical trial, the Plan will provide benefits for related routine care that is medically necessary (such as doctor visits, lab tests, X-rays and scans, and hospitalization related to treating the patient's condition) if it is not provided by the clinical trial. Section 9 has additional information on costs related to clinical trials. We encourage you to contact the Plan to discuss specific services if you participate in a clinical trial. • Allogeneic transplants for: - Advanced Hodgkin's lymphoma - Advanced non-Hodgkin's lymphoma - Beta Thalassemia Major - Chronic inflammatory demyelinating polyneuropathy (CIDP) - Early stage (indolent or non-advanced) small cell lymphocytic lymphoma - Multiple myeloma - Multiple scleraes or sclerosis - Sickle cell anemia • Mini-transplants (non-myeloablative allogeneic transplants, reduced intensity conditioning or RIC) for: - Acute lymphocytic or non-lymphocytic (i.e., myelogenous) leukemia - Advanced Hodgkin's lymphoma - Advanced non-Hodgkin's lymphoma - Breast cancer - Chronic lymphocytic leukemia - Chronic myelogenous leukemia - Colon cancer - Chronic lymphocytic lymphoma/small cell lymphocytic lymphoma (CLL/SLL) - Early stage (indolent or non-advanced) small cell lymphocytic lymphoma - Multiple myeloma - Multiple sclerosis - Myeloproliferative disorders (MPDs) - Non-small cell lung cancer - Ovarian cancer - Prostate cancer - Renal cell carcinoma	In-network Office: • PCP – \$25 copay • Specialist – \$50 copay Ambulatory Surgical Center (ASC): • PCP – \$25 copay • Specialist – \$50 copay Outpatient Hospital: • PCP – \$25 copay • Specialist – \$50 copay Inpatient Hospital: • 20% of plan allowance Out-of-Network Office: • \$100 copay Ambulatory Surgical Center (ASC): • \$100 copay Outpatient Hospital: • \$100 copay Inpatient Hospital: • 30% of plan allowance	In-network Office: • PCP – \$15 copay • Specialist – \$50 copay Ambulatory Surgical Center (ASC): • PCP – \$15 copay • Specialist – \$50 copay Outpatient Hospital: • PCP – \$15 copay • Specialist – \$50 copay Inpatient Hospital: • 25% of plan allowance

Section 5(c.) Services Provided by a Hospital or Other Facility, and Ambulance Services

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care and you must be hospitalized in a Plan facility.
- **YOUR PHYSICIAN MUST GET PRE-CERTIFICATION FOR HOSPITAL STAYS.** Please refer to Section 3 to be sure which services require pre-certification.
- Surgical procedures may involve the services of a co-surgeon, surgical assistant or assistant-at surgery who may bill separately from the primary.
- A facility copay applies to services that appear in this section but are performed in an ambulatory surgical center of the outpatient department of a hospital. Please refer to Section 5(c) for additional information.
- Prior authorization is required for all outpatient services performed in the outpatient department of a hospital.
- If prior authorization is not obtained, benefits for outpatient services performed in the outpatient department of a hospital are a non-Covered Service.
- Prior authorization is not required for Clinic Visits rendered in a hospital, hospital clinic or health care provider's office on a hospital campus.
- When multiple services are rendered on the same day by more than one provider, Member payments are required for each provider.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- The amounts listed below are for the charges billed by the facility (i.e., hospital or surgical center) or ambulance service for your surgery or care. Any costs associated with the professional charge (i.e., physicians, etc.) are outlined in Sections 5 (a) or (b).
- The Member is responsible for any applicable, Copayment or Coinsurance listed in this schedule.
- When the Allowed Benefit for any Covered Service is less than the Copayment listed, the Member payment will be the Allowed Benefit.
- If a member chooses an out-of-network facility without prior approval, the member will be responsible for any amount in excess of our allowed benefit. If the admission is urgent or a medical emergency, the member will only be responsible for the per admission copay.
- Please remember that, when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate co-pays and coinsurances.

Standard BlueChoice Option & Blue Value Plus Option

<i>Not covered:</i> • Custodial care	<i>All charges</i>	<i>All charges</i>
Hospice care	Standard BlueChoice Option	Blue Value Plus Option
If terminally ill, you are covered for supportive and palliative care in your home or at a hospice. This includes inpatient and outpatient care and family counseling. A Plan doctor, who certifies that you are in the terminal stages of illness, with a life expectancy of approximately six (6) months or less, will direct these services. Respite Care is limited to three (3) periods of 48 hours during the Hospice Eligibility Period. Bereavement Services are provided for up to three (3) visits during the 90 days following the patient's death.	In-network: • \$50 copay per visit Out-of-network: • \$100 copay per visit	In-network: • No Charge
<i>Not covered: Independent nursing, homemaker services</i>	<i>All charges</i>	<i>All charges</i>
Ambulance	Standard BlueChoice Option	Blue Value Plus Option
• Local professional ambulance service when medically appropriate • Air ambulance service when medically appropriate. • The in-network cost-share will now be applied to approved out-of-network air ambulance. Members cannot be balanced billed. • Not covered: Air ambulance, unless medically necessary and no other transport is reasonably available.	In-network: • \$100 copay Out-of-network: • \$150 copay • Non-participating providers may bill the member for the amount in excess of our allowed benefit	In-network: • \$200 copay

Section 5(d). Emergency Services/Accidents

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Please remember that, when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate copays and coinsurances.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

Benefits are provided for emergency services that you obtain when you have acute symptoms of sufficient severity-including severe pain-such that a prudent layperson who possesses average knowledge of health and medicine could reasonably expect that the absence of immediate medical attention would result in serious jeopardy to the person's health, serious impairment of bodily function, serious dysfunction of any bodily organ or part, or with respect to a pregnant member, serious jeopardy to the health of the member and/or their unborn child.

If you experience a medical emergency, you should call 911 or go directly to the nearest emergency facility. No authorization is needed for you to receive emergency services. Be sure to tell the workers in the emergency room that you are a Plan member so they can notify the Plan.

Urgent Care

An urgent condition is a condition that is not a threat to your life limbs, or bodily organs, but does require prompt medical attention. For urgent situations, please call your primary care provider. If your PCP is unavailable, call FirstHelp a free nurse advice line available 24 hours a day, 7 days a week. Call 800-535-9700 to speak to a registered nurse who will discuss your symptoms and recommend the most appropriate care.

Emergencies inside our service area:

You are encouraged to seek care from Plan providers in cases of accidental injury or medical emergency. However, if you need care immediately and cannot access a Plan provider, we will provide benefits for the initial treatment provided in the emergency room of the hospital, even if the hospital is not a plan hospital. If you need to stay in a facility our plan does not designate (a non-Plan facility), you must notify the Plan at (800) 367-1799 or (202) 646-0090 within 48 hours or on the first working day after the day they admitted you, unless you cannot reasonably do so. If you stay in a non-Plan facility and a Plan doctor believes that a Plan hospital can give you better care, then the facility will transfer you when medically feasible and we will fully cover any ambulance charges.

For this Plan to cover you, only Plan-providers can give you follow-up care that the non-Plan providers recommend.

Standard BlueChoice Option & Blue Value Plus Option

Emergencies outside our service area:

- We will provide benefits for any medically necessary health service that you require immediately because of injury or unforeseen illness.
- If you need to stay in a medical facility, you must notify the Plan at (800) 367-1799 or (202) 646-0090 within 48 hours or on the first working day after the date they admit you, unless not reasonably possible to do so. If a Plan doctor believes a Plan hospital can give you better care, then the facility will transfer you when medically feasible, and we will fully cover any ambulance charges.
- For this Plan to cover you, Plan providers must provide any of the follow-up care that non-Plan providers may recommend to you.

Benefit Description	You pay	
Emergency Services	Standard BlueChoice Option	Blue Value Plus Option
• Emergency care at an urgent care center • Emergency care as an outpatient in a hospital, including doctors' services Note: We waive the ER copay if you are admitted to the hospital. Note: For services within the service area and provided by a nonparticipating provider, the member is not responsible for amounts in excess of the allowed benefits. Note: If emergency room and treating physician bill separately, both copays will apply	In-Network: • Emergency Room - \$200 copay per visit (waived if admitted) • Emergency Room Professional Services - \$50 copay per visit • Urgent Care Center - \$50 copay per visit Out-of-Network: • Emergency Room - \$200 copay per visit (waived if admitted) • Emergency Room Professional Services - \$50 copay per visit • Urgent Care Center - \$80 copay per visit Note: Out-of-Network Emergency Room and Professional Services are paid at the In-network level	In-Network: • Emergency Room - \$275 copay per visit (waived if admitted) • Emergency Room Professional Services - \$50 copay per visit • Urgent Care Center - \$50 copay per visit Note: Out-of-Network Emergency Room and Professional Services are paid at the In-network level

<i>Not covered: Air ambulance, unless medically necessary and no other transport is reasonably available.</i>	<i>All charges</i>	<i>All charges</i>

Section 5(e). Mental Health and Substance Use Disorder Benefit

Cost-sharing and limitations for Plan mental health and substance abuse benefits will be not greater than for similar benefits for other illnesses and conditions.

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- If you think you need mental health or substance abuse services, call 800-245-7013 for helping finding a provider.
- Under Standard BlueChoice, when you receive out-of-network care from providers contracted with CareFirst BlueCross BlueShield, but not participating in our BlueChoice network, you are only responsible for the appropriate copays and coinsurances.
- Please remember that, when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate deductible and copay.
- Blue Value Plus has no medical deductible. There is a \$100 deductible for Self and \$200 deductible for Self Plus One and Self and Family for Pharmacy Tiers 2 - Tiers 5.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- We will provide medical review criteria or reasons for treatment plan denials to enrollees, members or providers upon request or as otherwise required.
- OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.
- Please remember that, when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate co-pays and coinsurances.

Benefit Description	You pay	
Professional services	Standard BlueChoice Option	Blue Value Plus Option
When part of a treatment plan we approve, we cover professional services by licensed professional mental health and substance use disorder treatment practitioners when acting within the scope of their license, such as psychiatrists, psychologists, clinical social workers, licensed professional counselors, or marriage and family therapists. Services include: • Outpatient and office medication management • Diagnostic evaluation • Crisis intervention and stabilization for acute episodes • Medication evaluation and management (pharmacotherapy)	In-network: • Office/Outpatient Professional - \$25 copay • Inpatient professional - 20% of plan allowance Out-of-network: • Office/Outpatient Professional - \$100 copay • Inpatient professional - 30% of plan allowance	In-network: • Office - \$15 copay • Outpatient Professional - \$50 copay • Inpatient professional - 25% of plan allowance

CareFirst Addiction Program (cont.)	Standard BlueChoice Option	Blue Value Plus Option
3. Educate Members, PCPs and all stakeholders as to the causes, identification and treatments of addiction. 4. Provide appropriate care in a community setting outside of a hospital or residential setting to enhance sustainable outcomes and lower costs. Members may receive any of the following services as part of their treatment: • Assessment • Intensive Outpatient Program • Outpatient Detox • Partial Hospital Program (PHP) • Individual Therapy • Group Therapy • Family Therapy • Medication Assisted Treatment (MAT) (includes psychiatrist assessment) Preferred Recovery Centers can be located at https://member.carefirst.com/members/health-wellness/staying-healthy/addiction-program.page	• CareFirst Preferred Addiction Recovery center - No cost share for intensive outpatient treatment program • Other outpatient recovery centers - Standard out-of-pocket amounts (copay, coinsurance) will apply	• CareFirst Preferred Addiction Recovery center - No cost share for intensive outpatient treatment program • Other outpatient recovery centers - Standard out-of-pocket amounts (copay, coinsurance) will apply

Section 5(f). Prescription drug benefits

Important things you should keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- All benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Federal law prevents the pharmacy from accepting unused medications.
- Your prescribers must obtain prior approval/authorizations for certain prescription drugs and supplies before coverage applies. Prior approval/authorizations must be renewed periodically.
- Blue Value Plus has a \$100 deductible for Self only enrollment and \$200 deductible for Self Plus One enrollment and Self and Family enrollments for pharmacy tiers 2 - 4.
- Mandatory Generic Drug Substitution applies to the Standard option plan. If your physician writes "Dispense as Written" for the brand-name drug, and you receive a brand-name drug when a FDA approved generic drug is available, you will have to pay the difference in cost between the brand-name drug and the generic plus the brand copay.
- Out-of-Network: Members will be responsible for all charges for drugs obtained at a non-Plan pharmacy; except for out-of-area emergencies
- **The exclusion for hormone treatments for Sex-Trait Modification for gender dysphoria** only pertains to chemical and surgical modification of an individual's sex traits (including as part of "gender transition" services). **We do not exclude coverage for entire classes of pharmaceuticals**, e.g., GnRH agonists may be prescribed during IVF, for reduction of endometriosis or fibroids, and for cancer treatment or prostate cancer/tumor growth prevention.

Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

There are important features you should be aware of. These include:

- **Who can write your prescription.** A licensed physician or dentist, and in states allowing it, licensed/certified providers with prescriptive authority prescribing within their scope of practice must prescribe your medication.
- **Where you can obtain them.** You may fill the prescription at a Plan pharmacy, or by mail. You may contact CVS Health at **(800) 241-3371** to get more information on the mail order service. We will now require members to fill certain specialty medications within a designated network. Currently the exclusive specialty pharmacy network consists of CVS/Caremark.
- **We use a formulary.** A formulary is a list of covered drugs. Our drug list is reviewed and approved by an independent national committee comprised of physicians, pharmacists and other health care professionals who make sure the drugs on the formulary are safe and clinically effective. Some drugs may be excluded from the formulary and others may require prior authorization from the plan before being filled. Members may request a medical necessity waiver from the Plan to obtain medications that require prior authorization or medications that are excluded from the formulary.
- **We have a managed formulary for the Standard option.** If your provider believes a name brand product is necessary or there is no generic available, a name brand drug from a formulary list may be prescribed. This list of name brand drugs is a preferred list of drugs that we selected to meet patient needs at a lower cost. Please see our online formulary and drug pricing search tools at the following www.carefirst.com/fedhmo To order a prescription drug brochure, call CVS Health at **(800)241-3371**.
- **We have an closed formulary for the Blue Value Plus option.** If your provider believes a drug is necessary that is excluded from our formulary based on medical necessity, an exception may be available. Members may request a medical necessity waiver from the Plan to obtain medications that require prior authorization or medications that are excluded from the formulary.

Standard BlueChoice Option & Blue Value Plus Option

- **These are the dispensing limitations.** You can receive up to 34 days' worth of medication for each fill of prescriptions at a local Plan pharmacy. In addition, you can receive up to 90 days of medications through our mail order pharmacy program or through a local pharmacy, and will pay two (2) copays. Your Standard Option copay will be \$10, \$75, \$100, \$125 or \$175 for a 34-day supply or less at the retail pharmacy and twice that amount for 35-day supply or greater up to 90 days. Your Blue Value Plus Option copay will be \$10, \$50, \$100 or \$150 for a 34-day supply or less at the retail pharmacy and twice that amount for 35-day supply or greater up to 90 days. You can purchase the same prescriptions through the mail order service that can be purchased through your community pharmacy. In most cases, you can get a refill once you have taken 75% of the medication. Your prescription will not be refilled prior to the 75% usage guidelines. A generic equivalent will be dispensed if it is available, unless your physician specifically requires a name brand. Certain drugs require clinical prior authorization. Contact the Plan for a listing of which drugs are subject to the prior authorization policy. Prior authorization may be initiated by the Prescriber or the pharmacy by calling **CVS Health** at **(800)241-3371**.
- **Why use generic drugs?** A generic drug is the chemical equivalent of a corresponding brand name drug dispensed at a lower cost. You can reduce your out-of-pocket expenses by choosing a generic drug over a brand name drug. Please check the detailed charts in this section to see what you would pay should you get the brand named drug when a generic equivalent is available. If a drug is not available in a generic form, the appropriate brand copay will apply.
- **When you do have to file a claim.** Call our preferred drug vendor, **CVS Health** at **(800)241-3371** to order prescription drug claim forms. You will send the prescription drug claim form to: **CVS Health, P.O. Box 52136, Phoenix, AZ 85072**.
- **Specialty drugs are covered** exclusively through CVS Specialty. Specialty drugs are high-cost, prescription drugs used to treat serious or chronic medical conditions and require special handling (such as refrigeration), administration or monitoring. Through CVS Specialty, you will receive convenient mail delivery to the address of your choice including your home, doctor's office or a CVS Pharmacy location. CVS Specialty provides your specialty drugs and personalized pharmacy care management services including:
 - Access to a team of clinicians specially trained in your condition
 - On-call pharmacist 24 hours a day, seven days a week
 - Coordination of care with you and your doctor
 - Drug and condition-specific education and counseling
 - Insurance and financial coordination assistance
- **Your doctor may send a prescription to CVS Specialty via e-prescription, phone (800-799-0692), or fax (855-296-0210).**

Preventive Medications (cont.)	Standard BlueChoice Option	Blue Value Plus Option
- Preventive Care medications to promote better health as recommended by ACA includes the following: - Men and women ages 40 through 75 years old - No quantity limit - No prior authorization - Low to moderate dose statins, generics only (no high dose or brand statins are included) - The following generic drugs are covered without cost-share as prescribed by a health care professional and filled at a network pharmacy and will be made available as follows: - Atorvastatin 10 mg, 20 mg - Fluvastatin 20 mg, 40 mg - Fluvastatin ER 80 mg - Lovastatin 10 mg, 20 mg, 40 mg - Pravastatin 10 mg, 20 mg, 40 mg, 80 mg - Rosuvastatin 5 mg, 10 mg - Simvastatin 5 mg, 10 mg, 20 mg, 40 mg Note: For statin prescriptions outside of these age ranges and/or strengths our standard plan benefits will apply.	Nothing: when prescribed by a healthcare professional and filled by a network pharmacy.	Nothing: when prescribed by a healthcare professional and filled by a network pharmacy.

Section 5(g). Dental Benefits

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary
- If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP) Dental Plan, your FEHB Plan will be First Primary payor of any benefit payment and your FEDVIP Plan is secondary to your FEHB Plan. See Section 9 Coordinating benefits with other coverage.
- Plan dentists must provide or arrange your care.
- Under Standard BlueChoice, when you receive out-of-network care from providers contracted with CareFirst BlueCross BlueShield, but not participating in our BlueChoice network, you are only responsible for the appropriate copays and coinsurances.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Section 5(h). Wellness and Other Special Features

Feature	Options	
Feature	Standard BlueChoice Option	Blue Value Plus Option
Flexible benefits	Under the flexible benefits option, we determine the most effective way to provide services. - We may identify medically appropriate alternatives to regular contract benefits as a less costly alternative. If we identify a less costly alternative, we will ask you to sign an alternative benefits agreement that will include all the following terms in addition to other terms as necessary. Until you sign and return the agreement, regular contract benefits will continue. - Alternative benefits will be made available for a limited time period and are subject to our ongoing review. You must cooperate with the review process. - By approving an alternative benefit, we do not guarantee you will get it in the future. - The decision to offer an alternative benefit is solely ours, and except as expressly provided in the agreement, we may withdraw it at any time and resume regular contract benefits. - If you sign the agreement, we will provide the agreed-upon alternative benefits for the stated time period (unless circumstances change). You may request an extension of the time period, but regular contract benefits will resume if we do not approve your request. - Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process. However, if at the time we make a decision regarding alternative benefits, we also decide that regular contract benefits are not payable, then you may dispute our regular contract benefits decision under the OPM disputed claim process. (See Section 8). Telephonic Health Coaching	• Health Risk Assessment <i>My CareFirst</i> This is our member health and wellness section. Here you can find: • Health Library of Medical Conditions • Health Lifestyle Section-Nutrition, Fitness, etc. • Personal Health page, with tracking tools and assistance setting health and wellness goals. The healthy lifestyle coaching program fills a void between healthy employees and those who suffer from chronic diseases. Employees who are at high risk for future disease as identified by MyHealth Profile are invited to participate in healthy lifestyle coaching sessions. These are scheduled phone conversations where employees develop a relationship with a clinician (health coach) trained in Motivational Interviewing and in Behavior Change Theory. The health coach identifies a number of factors including the employee's existing barriers to change and their readiness to change. The health coach then helps the employee set achievable short-term and long-term goals so they can make a permanent change in health behavior.	• Health Risk Assessment <i>My CareFirst</i> This is our member health and wellness section. 	2. Complete a health assessment AND provide consent to receive wellness related communications (emails) to earn \$50. You must complete within 180 days of your effective date. 3. Retake by updating/confirming responses to your health assessment. Answers must be updated or confirmed no earlier than 90 days after the original assessment, and before the end of the benefit period to earn \$50. 4. Participate in Health Coaching Sessions. You may earn rewards for completing one (1), two (2), or three (3) coaching sessions. Completing coaching sessions are based on member participation and not dependent on achieving an outcome and/or health- related goal. Only one (1) coaching session per 2-60 days will count towards an incentive. Members will earn \$30 for coaching session one, \$70 for coaching session two, and \$100 for coaching session three. A maximum of three (3) coaching sessions per Benefit Period will count towards the incentive. Members will receive their incentive in the form of a medical expense debit card to help pay for deductibles, copays, and coinsurance for CareFirst health, pharmacy, vision, and dental costs. The debit card reduces barriers to care and is preloaded with Merchant Category Codes (MCC) for eligible medical expenses that dictate whether the card will work at a specific location. If the member tries to use the card at a location where the MCC is not loaded, the card will reject the charge. To get started, visit carefirst.com/wellbeing. You'll need to complete the one-time registration to link your CareFirst account information. This will help personalize your experience.	1. SmartShopper Program	The SmartShopper incentive and engagement Program is available to Subscribers and Spouses for all CareFirst medical plans. A Member is eligible to participate in the program if they require a specific treatment or procedure as specified by CareFirst. A Member is able to utilize the SmartShopper Program by means of CareFirst's integrated digital tool or by calling 888-345-2873 and speaking with a member of the Personal Assistant Team ("PAT"). Members are able to earn rewards for selecting the most cost-effective providers and site of service for care. A Member will receive an incentive for each service or category of Comparable Health Care Service resulting from comparison shopping and there is no limit on the Incentive amount(s) a member may earn in the benefit period. Members will receive their incentive in the form of a medical expense debit card to help pay for deductibles, copays, and coinsurance for CareFirst health, pharmacy, vision, and dental costs. Members who choose the high-deductible health plan option, and choose to fund their account, are not allowed to use their card funds for eligible medical and/or prescription expenses until first satisfying their IRS minimum deductible. However, these members can use the card funds for eligible dental and or vision expenses that are part of the benefit plan. Note: Members with primary coverage under Medicaid or Medicare are not eligible to receive incentive rewards under the SmartShopper program. A Member will receive an incentive for each service or category of Comparable Health Care Service resulting from comparison shopping and there is no limit on the Incentive amount(s) a member may earn in the benefit period. Members will receive their incentive in the form of a medical expense debit card to help pay for deductibles, copays, and coinsurance for CareFirst health, pharmacy, vision, and dental costs. Members who choose the high-deductible health plan option, and choose to fund their account, are not allowed to use their card funds for eligible medical and/or prescription expenses until first satisfying their IRS minimum deductible. However, these members can use the card funds for eligible dental and or vision expenses that are part of the benefit plan. Note: Members with primary coverage under Medicaid or Medicare are not eligible to receive incentive rewards under the SmartShopper program.
Ovia Health	Included with your CareFirst WellBeing program for members 18 and over, Ovia offers support for reproductive health, including conceiving, pregnancy, post- partum, parenting, and perimenopause/ menopause. Users will choose their goal and Ovia will customize the member experience to deliver personalized insights, tips and content - which includes access to Care Advocates and coaches specializing in reproductive health. Follow these steps to get started today! 1. Log in to your CareFirst WellBeing account (or create one at www.carefirst.com/wellbeing) 2. Noom Med	Noom Med is a medically supervised weight-loss program. Eligible members receive a customized treatment plan, ongoing clinical support and, when appropriate, prescription medications like oral anti-obesity medications (AOMs) or injectable glucagon-like peptide-1 medications (GLP-1s) for weight management. With Noom Med, you can: • Connect with a clinician for an in-depth evaluation. • Receive a customized treatment plan targeting your specific needs. • Determine if you qualify for a weight management medication— and if you do, obtain that medication prescribed directly through the Noom Med program. • Get ongoing support from a health coach and peer support groups to help you stay motivated. Eligibility Requirements To be eligible for Noom Med, you must be 18 years and older and either: • Have a Body Mass Index (BMI) of 30 or higher; or • Have a BMI of 27 or higher AND one or more comorbidities. <i>Members are ineligible for Noom Med while pregnant or breastfeeding.</i> Note: To have your AOMs or GLP-1 prescriptions for weight management covered through CareFirst, they must be prescribed by the Noom Med Care Team. If you try to fill an AOM or GLP-1 prescription from another prescriber, such as your primary care provider, the prescription will be denied at the pharmacy. You'll need to call CareFirst Member Services at 888-789-9065 to discuss how to access these prescription(s) through Noom Med.	Noom Med is a medically supervised weight-loss program. Section 5. BlueChoice Advantage HDHP Overview

This Plan offers a High Deductible Health Plan (HDHP). The BlueChoice Advantage HDHP benefit package is described in this section. Make sure that you review the benefits that are available under the benefit product in which you are enrolled.

The BlueChoice Advantage HDHP Section 5, which describes the HDHP benefits, is divided into subsections. Please read **important things you should keep in mind about these benefits** at the beginning of each subsection. Also read the general exclusions in Section 6; they apply to benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about BlueChoice Advantage HDHP benefits, contact us at (888) 789-9065 or on our website at www.carefirst.com/fedhmo.

Our BlueChoice Advantage HDHP option provides comprehensive coverage for high-cost medical events and a tax-advantaged way to help you build savings for future medical expenses. The Plan gives you greater control over how you use your healthcare benefits.

When you enroll in BlueChoice Advantage HDHP, we establish either a Health Savings Account (HSA) or a Health Reimbursement Arrangement (HRA) for you. We automatically pass through a portion of the total health Plan premium to your HSA or credit an equal amount to your HRA based upon your eligibility. Your full annual HRA credit will be available on your effective date of enrollment. If the member does not open an account within 30 days of receiving the HSA application/forms, their funds will automatically be defaulted into an HRA account.

To register for or log in to your CareFirst My Account: Go to www.carefirst.com/fedhmo. To the far right, click on the LOGIN/REGISTER link. This will automatically direct you to the Welcome to My Account page. To register—select Register. This will take you to the User Details screen where you will be asked to enter your Member ID number. Follow the prompts to create a User ID, password and answer security questions. If you already have an account register, click on Login and enter your User ID and password.

If you do not have access to the internet, call Member Service at 888-789-9065 and let them know which option (HSA or HRA) you want to enroll in. They will document your selection. **As a reminder, once you are enrolled into your plan year benefits, you cannot change your HRA to an HSA election until the next annual Open Enrollment period.**

With this Plan, preventive care is covered in full. As you receive other non-preventive medical care, you must meet the Plan's deductible before we pay benefits according to the benefits described on page 27. You can choose to use funds available in your HSA to make payments toward the deductible or you can pay toward your deductible entirely out-of-pocket, allowing your savings to continue to grow.

BlueChoice Advantage HDHP includes five (5) key components: Preventive care; traditional medical coverage healthcare that is subject to the deductible; savings; catastrophic protection for out-of-pocket expenses; and health education resources and account management tools.

- **Preventive care** The Plan covers preventive care services, such as periodic health evaluations (e.g., annual physicals), screening services (e.g., mammograms), routine prenatal and well-child care, child and adult immunizations, tobacco and nicotine cessation programs, obesity/weight loss programs, disease management and wellness programs. These services are covered at 100% if you use a network provider and the services are described in Section 5, *Preventive care*. You do not have to meet the deductible before using these services.
- **Traditional medical coverage** After you have paid the Plan's deductible, we pay benefits under traditional medical coverage described in Section 5. The Plan typically pays 100% after applicable copays/coinsurance for in-network and 80% for out-of-network care.

Covered services include:

- Medical services and supplies provided by physicians and other healthcare professionals
- Surgical and anesthesia services provided by physicians and other healthcare professionals
- Hospital services; other facility or ambulance services

- Emergency services/accidents
- Mental health and substance abuse benefits
- Prescription drug benefits
- Dental benefits

• **Savings**

Health Savings Accounts or Health Reimbursement Arrangements provide a means to help you pay out-of-pocket expenses.

• **Health Savings Accounts (HSAs)**

By law, HSAs are available to members who are not enrolled in Medicare, cannot be claimed as a dependent on someone else's tax return, have not received VA (except for veterans with a service-connected disability) and/or Indian Health Service (IHS) benefits within the last three months or do not have other health insurance coverage other than another High Deductible Health Plan. In 2026, for each month you are eligible for an HSA premium pass through, we will contribute to your HSA \$75 per month for a Self Only or \$150 per month for a Self Plus One or a Self and Family enrollment. In addition to our monthly contribution, you have the option to make additional tax-free contributions to your HSA, so long as total contributions do not exceed the limit established by law, which is \$4,400 for an individual and \$8,750 for a family. You can use funds in your HSA to help pay your health plan deductible. You own your HSA, so the funds can go with you if you change plans or employment.

Federal tax tip: There are tax advantages to fully funding your HSA as quickly as possible. Your HSA contribution payments are fully deductible on your Federal tax return. By fully funding your HSA early in the year, you have the flexibility of paying medical expenses from tax-free HSA dollars or after tax out-of-pocket dollars. If you don't deplete your HSA and you allow the contributions and the tax-free interest to accumulate, your HSA grows more quickly for future expenses.

HSA features include:

- Your contributions to the HSA are tax deductible
- You may establish pre-tax HSA deductions from your paycheck to fund your HSA up to IRS limits using the same method that you use to establish other deductions (i.e., Employee Express, MyPay, etc.)
- Your HSA earns tax-free interest
- You can make tax-free withdrawals for qualified medical expenses for you, your spouse and dependents (see IRS publication 502 for a complete list of eligible expenses)
- Your unused HSA funds and interest accumulate from year to year
- It is portable - the HSA is owned by you and is yours to keep, even when you leave Federal employment or retire

Important consideration if you want to participate in a Healthcare Flexible Spending Account (HCFSA): If you are enrolled in BlueChoice Advantage HDHP with a Health Savings Account (HSA), and start or become covered by a HCFSA healthcare flexible spending account (such as FSAFEDS offers – see Section 11), BlueChoice Advantage HDHP cannot continue to contribute to your HSA. Similarly, you cannot contribute to an HSA if your spouse enrolls in an HCFSA. Instead, when you inform us of your coverage in an HCFSA, we will establish an HRA for you.

• **Health Reimbursement Arrangement (HRA)**

If you are not eligible for an HSA, for example, you are enrolled in Medicare or have another health plan; we will administer and provide an HRA instead. You must notify us that you are ineligible for an HSA as soon as possible. Contact us at 888-789-9065

In 2026, we will give you an HRA credit of \$900 per year for a Self Only enrollment, or \$1,800 per year for a Self Plus One enrollment, or \$1,800 per year for a Self and Family enrollment. You can use funds in your HRA to help pay your health plan deductible and/or for certain expenses that do not count toward the deductible.

HRA features include:

- For BlueChoice Advantage HDHP, the HRA is administered by Further by Health Equity.
- Entire HRA credit (prorated from your effective date to the end of the plan year) is available from your effective date of enrollment
- Tax-free credit can be used to pay for qualified medical expenses for you and any individuals covered by BlueChoice Advantage HDHP
- Unused credits carryover from year to year
- HRA credit does not earn interest
- HRA credit is forfeited if you leave Federal employment or switch health insurance plans
- An HRA does not affect your ability to participate in an FSAFEDS Healthcare Flexible Spending Account (HCFA). However, you must meet FSAFEDS eligibility requirements

• Catastrophic protection for out-of-pocket expenses

When you use in-network providers, your annual maximum for out-of-pocket expenses (deductibles, coinsurance and copayments) for covered services is limited to \$6,500 for Self Only enrollment and \$13,000 for Self Plus One, or Self and Family enrollment, and out-of-network care is limited to \$8,500 for Self Only enrollment and \$17,000 for Self Plus One or Self and Family enrollment. However, certain expenses do not count toward your out-of-pocket maximum and you must continue to pay these expenses once you reach your out-of-pocket maximum (such as expenses in excess of the Plan's allowable amount or benefit maximum). Refer to Section 4, *Your catastrophic protection out-of-pocket maximum* and BlueChoice Advantage HDHP Section 5 *Traditional medical coverage subject to the deductible* for more details.

Out-Of-Pocket Maximum

- **Individual Coverage:**
 - The member must meet the individual out-of-pocket maximum.
- **Family Coverage:**
 - Each member can satisfy their own individual out-of-pocket maximum by meeting the individual out-of-pocket maximum. In addition, eligible expenses of all covered family members can be combined to satisfy the Self and Family out-of-pocket maximum.
 - An individual family member cannot contribute more than the individual out-of-pocket maximum toward meeting the Self and Family out-of-pocket maximum
 - Once the family out-of-pocket maximum has been met, this will satisfy the out-of-pocket maximum for all family members. These amounts apply to the out-of-pocket maximum:
 - Co-payments and coinsurance for all covered services
 - Prescription drug benefit Rider co-payments and coinsurance for all covered services
 - Deductible

- **Note:** When the member has reached the out-of-pocket maximum, no further co-payments, coinsurance or deductible will be required in that benefit period for covered services. The in-network and out-of-network out-of-pocket maximum contributes towards one another.

- **Health education resources and account management tools**

BlueChoice Advantage HDHP Section 5(i) describes the health education resources and account management tools available to you to help you manage your healthcare and your healthcare dollars.

Section 5. Savings - HSAs and HRAs

Feature comparison	Health Savings Account (HSA)	Health Reimbursement Arrangement (HRA) <i>Provided when you are ineligible for an HSA</i>
Administrator	The Plan will establish an HSA for you with our BlueFund Administrator, BlueChoice Advantage HDHP's fiduciary (an administrator, trustee or custodian as defined by Federal tax code and approved by IRS.)	Further by Health Equity is the HRA fiduciary for this Plan.
Fees	Set-up fee is paid by the BlueChoice Advantage HDHP. No per month administrative fee charged by the fiduciary and taken out of the account balance as long as you are enrolled in the plan.	None
Eligibility	You must: • Enroll in BlueChoice Advantage HDHP • Have no other health insurance coverage (does not apply to specific injury, accident, disability, dental, vision or long-term care coverage) • Not be enrolled in Medicare • Not be claimed as a dependent on someone else's tax return • Not have received VA (except for veterans with a service-connected disability) and/or Indian Health Service (IHS) benefits in the last three (3) months • Enroll in the HSA, as contracted and communicated within 30 days from their effective date • Exceptions will only be considered if there are special circumstances (ex: for a high-ranking official)	You must enroll in BlueChoice Advantage HDHP. Eligibility is determined on the first day of the month following your effective day of enrollment and will be prorated for length of enrollment.
Funding	If you are eligible for HSA contributions, a portion of your monthly health plan premium is deposited to your HSA each month. Premium pass through contributions are based on the effective date of your enrollment in the BlueChoice Advantage HDHP. Note: If your effective date in the HDHP is after the 1 st of the month, the earliest your HSA will be established is the 1 st of the following month. Except for members enrolled during open enrollment with an effective date after the 1st in the month of January. These members will still receive the January premium contribution.	Eligibility for the annual credit will be determined on the first day of the month and will be prorated for length of enrollment. The entire amount of your HRA will be available to you upon your enrollment.

	In addition, you may establish pre-tax HSA deductions from your paycheck to fund your HSA up to IRS limits using the same method that you use to establish other deductions (i.e., Employee Express, MyPay, etc.).	
Self Only enrollment	For 2026, a monthly premium pass through of \$75 will be made by the BlueChoice Advantage HDHP directly into your HSA each month.	For 2026, your HRA annual credit is \$900 (prorated for mid-year enrollment).
Self Plus One enrollment	For 2026, a monthly premium pass through of \$150 will be made by the BlueChoice Advantage HDHP directly into your HSA each month	For 2026, your HRA annual credit is \$1,800 (prorated for mid-year enrollment).
Self and Family enrollment	For 2026, a monthly premium pass through of \$150 will be made by the BlueChoice Advantage HDHP directly into your HSA each month.	For 2026, your HRA annual credit is \$1,800 (prorated for mid-year enrollment).
Contributions/credits	The maximum that can be contributed to your HSA is an annual combination of the BlueChoice Advantage HDHP premium pass through and enrollee contribution funds, which when combined, do not exceed the maximum contribution amount set by the IRS of \$4,400 for an individual \$8,750 for a family. If you enroll during Open Season, you are eligible to fund your account up to the maximum contribution limit set by the IRS. To determine the amount you may contribute, subtract the amount the Plan will contribute to your account for the year from the maximum allowable contribution. You are eligible to contribute up to the IRS limit for partial year coverage as long as you maintain your BlueChoice Advantage HDHP enrollment for 12 months following the last month of the year of your first year of eligibility. To determine the amount you may contribute, take the IRS limit and subtract the amount the Plan will contribute to your account for the year. If you do not meet the 12-month requirement, the maximum contribution amount is reduced by 1/12 for any month you were ineligible to contribute to an HSA. If you exceed the maximum contribution amount, a portion of your tax reduction is lost and a 10% penalty is imposed. There is an exception for death or disability.	The full HRA credit will be available, subject to proration, on the effective date of enrollment. The HRA does not earn interest.

	You may rollover funds you have in other HSAs to the BlueChoice Advantage HDHP HSA (rollover funds do not affect your annual maximum contribution under BlueChoice Advantage HDHP). HSAs earn tax-free interest (does not affect your annual maximum contribution).	
Self Only enrollment	In addition to the pass through contribution, you may make an annual maximum contribution of \$3,400.	You cannot contribute to the HRA.
Self Plus One enrollment	In addition to the pass through contribution, you may make an annual maximum contribution of \$6,750.	You cannot contribute to the HRA.
Self and Family enrollment	In addition to the pass through contribution, you may make an annual maximum contribution of \$6,750.	You cannot contribute to the HRA.
Access funds	Members may access HSA funds by the following methods: • Debit card (default option) • Auto-pay (member may elect this option online) • Withdrawal form (check or direct deposit) • Online claims: • Get reimbursed (payment to member) • Pay a bill (payment to provider) • Debit cards are automatically sent to members upon enrollment. Members have the option to elect auto-pay instead of debit card, but members may only choose one of these options. • Debit cards may be used at the point-of-service for immediate access to available funds. • Auto-pay claims are processed systematically and do not require manual claims submission. Members pay for out-of-pocket expenses and are then reimbursed for eligible expenses from available funds once the claim is processed. Withdrawal forms and online reimbursement options are both available when the member is enrolled in either Debit card or Auto-pay.	Members may access HRA funds by the following methods: • Debit card (default option) • Auto-pay (member may elect this option online) • Withdrawal form (check or direct deposit) • Online claims: • Get reimbursed (payment to member) • Pay a bill (payment to provider) • Debit cards are automatically sent to members upon enrollment. Members have the option to elect auto-pay instead of debit card, but members may only choose one of these options. • Debit cards may be used at the point-of-service for immediate access to available funds. • Auto-pay claims are processed systematically and do not require manual claims submission. Members pay for out-of-pocket expenses and are then reimbursed for eligible expenses from available funds once the claim is processed. Withdrawal forms and online reimbursement options are both available when the member is enrolled in either Debit card or Auto-pay.
Distributions/withdrawals • Medical	You can pay the out-of-pocket expenses for yourself, your spouse or your family members (even if they are not covered by the BlueChoice Advantage HDHP) from the funds available in your HSA.	You can pay the out-of-pocket expenses for qualified medical expenses for individuals covered under the BlueChoice Advantage HDHP.

	See IRS Publication 502 for a list of eligible medical expenses.	Non-reimbursed qualified medical expenses are allowable if they occur after the effective date of your enrollment in this Plan. See <i>Availability of funds</i> below for information on when funds are available in the HRA. See IRS Publications 502 and 969 for information on eligible medical expenses. Over-the-counter drugs and Medicare premiums are also reimbursable. Most other types of medical insurance premiums are not reimbursable.
• Non-medical	If you are under age 65, distributions/ withdrawal of funds for non-medical expenses will create a 20% income tax penalty in addition to any other income taxes you may owe on the withdrawn funds. When you turn age 65, distributions/ withdrawal can be used for any reason without being subject to the 20% penalty, however they will be subject to ordinary income tax.	Not applicable – distributions will not be made for anything other than non-reimbursed qualified medical expenses.
Availability of funds	Funds are not available for withdrawal until all the following steps are completed: • Your enrollment in BlueChoice Advantage HDHP is effective (effective date is determined by your agency in accord with the event permitting the enrollment change) • The BlueChoice Advantage HDHP receives record of your enrollment and initially establishes your HSA account with the fiduciary by providing information it must furnish and by contributing the minimum amount required to establish an HSA • The fiduciary sends you HSA paperwork for you to complete and the fiduciary receives the completed paperwork back from you	The entire amount of your HRA will be available to you upon your enrollment in the BlueChoice Advantage HDHP.
Account owner	FEHB enrollee	BlueChoice Advantage HDHP
Portable	You can take this account with you when you change plans, separate or retire from federal service. If you do not enroll in another HDHP, you can no longer contribute to your HSA.	If you retire and remain in BlueChoice Advantage HDHP, you may continue to use and accumulate credits in your HRA.

		If you terminate employment or change health plans, only eligible expenses incurred while covered under BlueChoice Advantage HDHP will be eligible for reimbursement subject to timely filing requirements. Unused funds are forfeited.
Annual rollover	Yes, accumulates without a maximum cap.	Yes, accumulates without a maximum cap.

If you have an HSA

• **Contributions**

All contributions are aggregated and cannot exceed the maximum contribution amount set by the IRS. You may contribute your own money to your account through payroll deductions, or you may make lump sum contributions at any time, in any amount not to exceed an annual maximum limit. If you contribute, you can claim the total amount you contributed for the year as a tax deduction when you file your income taxes. Your own HSA contributions are either tax-deductible or pre-tax (if made by payroll deduction). You receive tax advantages in any case. To determine the amount you may contribute, subtract the amount the Plan will contribute to your account for the year from the maximum contribution amount set by the IRS. You have until April 15 of the following year to make HSA contributions for the current year.

If you newly enroll in BlueChoice Advantage HDHP during Open Season and your effective date is after January 1st, or you otherwise have partial year coverage, you are eligible to fund your account up to the maximum contribution limit set by the IRS as long as you maintain your HDHP enrollment for 12 months following the last month of the year of your first year of eligibility. If you do not meet this requirement, a portion of your tax reduction is lost and a 10% penalty is imposed. There is an exception for death or disability.

• **Over age 55 additional contributions**

If you are age 55 or older, the IRS permits you to make additional contributions to your HSA. The allowable additional contribution is \$1,000. Contributions must stop once an individual is enrolled in Medicare. Additional details are available on the IRS website at www.irs.gov or request a copy of IRS Publication 969 by calling 1-800-829-3676.

• **If you die**

If you have not named beneficiary, and you are married, your HSA becomes your spouse's; otherwise, your HSA becomes part of your taxable estate.

• **Qualified expenses**

You can pay for "qualified medical expenses;" as defined by IRS Code 213(d). These expenses include, but are not limited to, medical plan deductibles, diagnostic services covered by your plan, long-term care premiums, health insurance premiums if you are receiving Federal unemployment compensation, over-the-counter drugs, LASIK surgery, and some nursing services.

When you enroll in Medicare, you can use the account to pay Medicare premiums or to purchase health insurance other than a Medigap policy. You may not, however, continue to make contributions to your HSA once you are enrolled in Medicare.

For detailed information of IRS-allowable expenses, request a copy of IRS Publications 502 and 969 by calling (800) 829-3676, or visit the IRS website at www.irs.gov and click on "Forms and Publications".

Note: Although over-the-counter drugs are not listed in the publication, they are reimbursable from your HSA. Also, insurance premiums are reimbursable under limited circumstances.

- **Non-qualified expenses** You may withdraw money from your HSA for items other than qualified health expenses, but it will be subject to income tax and if you are under 65 years old, an additional 20% penalty tax on the amount withdrawn.
- **Tracking your HSA balance** You will receive a periodic statement that shows the “premium pass through”, withdrawals, and interest earned on your account. In addition, you will receive an Explanation of Payment statement when you withdraw money from your HSA.
- **Minimum reimbursements from your HSA** You can request reimbursement in any amount. However, funds will not be disbursed until your reimbursement totals at least \$25.

If you have an HRA

- **Why an HRA is established** If you do not qualify for an HSA when you enroll in BlueChoice Advantage HDHP, or later become ineligible for an HSA, we will establish an HRA for you. Also, if you do not open an account within 30 days of receiving the HSA application/forms, your funds will be automatically defaulted into an HRA account. If you are enrolled in Medicare, you are ineligible for an HSA and we will establish an HRA for you. You must tell us if you become ineligible to contribute to an HSA.
- **How an HRA differs** Please review the chart on page 103 which details the differences between HRA and an HSA. The major differences are:
 - you cannot make contributions to an HRA
 - funds are forfeited if you leave the HDHP
 - an HRA does not earn interest
 - HRAs can only pay for qualified medical expenses, such as deductibles, copayments, and coinsurance expenses, for individuals covered by the BlueChoice Advantage HDHP. FEHB law does not permit qualified medical expenses to include services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest.

Section 5. Preventive Care

Important things you should keep in mind about these benefits:

- In-network preventive care services listed in this Section are not subject to the deductible.
- You must use providers that are part of our network.
- For all other covered expenses, please see Section 5 – *Traditional medical coverage subject to the deductible*.
- When seeing providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate deductible and copay.

Benefit Description	You pay
Preventive care, adult	HDHP
Routine physicals allowed once per benefit period including screenings. The following preventive services are covered at the time interval recommended at each of the links below: • U.S. Preventive Services Task Force (USPSTF) A and B recommended screenings such as cancer, osteoporosis, depression, diabetes, high blood pressure, total blood cholesterol, HIV, and colorectal cancer. For a complete list of screenings go to the website at https://www.uspreventiveservicestaskforce.org/uspstf/recommendation-topics/uspstf-a-and-b-recommendations • Individual counseling on prevention and reducing health risks • Preventive care benefits for women such as Pap smears, gonorrhea prophylactic medication to protect newborns, annual counseling for sexually transmitted infections, contraceptive methods, and screening for interpersonal and domestic violence. For a complete list of preventive care benefits for women go to the Health and Human Services (HHS) website at https://www.hrsa.gov/womens-guidelines • To build your personalized list of preventive services go to https://odphp.health.gov/myhealthfinder Note: Genetic Testing: Prior Authorization is required for genetic testing. Ordering providers must obtain authorization for all genetic tests either by accessing the CareFirst provider portal under Pre-Auth/Notifications or calling AIM directly at (844) 377-1277. HLA Typing/Preimplantation (related to in vitro fertilization) may require authorization through the health plan and can be managed in CareFirst's provider portal under Medical Prior Authorization and no authorization is required for Cologuard®.	In-network: • No Copay Out-of-network: • Calendar year deductible applies • No Copay

Section 5. Traditional Medical Coverage Subject to the Deductible

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- In-network preventive care is covered at 100% and is not subject to the calendar year deductible
- The deductible is \$1,700 per Self Only enrollment, \$3,400 per Self Plus One and Family enrollment for in-network services. The deductible is \$3,400 per Self Only enrollment, or \$6,800 per Self Plus One and Self and Family enrollment for out-of-network care.
- The family deductible can be satisfied by one or more family members.
- The in-network and out-of-network deductibles contribute towards one another.
- A facility copay applies to services that appear in this section but are performed in an ambulatory surgical center of the outpatient department of a hospital. Please refer to Section 5(c) for additional information.
- After you have satisfied your deductible, you will be responsible for your coinsurance amounts or co-payments for eligible medical expenses and prescriptions until you have reached our annual out of pocket maximum.
- When the allowed benefit for any covered service is less than the co-payment listed, the member payment will be the allowed benefit.
- Prior authorization is required for all outpatient services performed in the outpatient department of a hospital.
- If prior authorization is not obtained, benefits for outpatient services performed in the outpatient department of a hospital are a non-covered service.
- Prior authorization is not required for clinic visits rendered in a hospital, hospital clinic or health care provider's office on a hospital campus.
- When multiple services are rendered on the same day by more than one provider, member copayments are required for each provider.
- Please remember that, when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate deductible and co-pays and coinsurances.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You pay After the calendar year deductible
Deductible before Traditional medical coverage begins	HDHP
The deductible applies to almost all benefits in this Section. In the You pay column, we say “No deductible” when it does not apply. When you receive covered services from network providers either in-network or out-of-network, you are responsible for paying the allowable charges until you meet the deductible. Only CareFirst allowable charges are applicable to the deductible.	100% of allowable charges until you meet the deductible of \$1,700 per Self Only enrollment, \$3,400 per Self Plus One enrollment and Self and Family enrollment for in-network services and \$3,400 per Self Only, and \$6,800 per Self Plus One and Self and Family for out-of-network care.
After you meet the deductible, we pay the allowable charge (less your coinsurance or copayment) until you meet the annual catastrophic out-of-pocket maximum.	In-network: After you meet the deductible, you pay the indicated coinsurance or copayments for covered services. You may choose to pay the coinsurance and copayments from your HSA or HRA, or you can pay for them out-of-pocket. Out-of-network: After you meet the deductible, you pay the indicated coinsurance or copayments based on our Plan allowance and any difference between our allowance and the billed amount.

Section 5(a). Medical Services and Supplies Provided by Physicians and Other Healthcare Professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- In-network preventive care is covered at 100% and is not subject to the calendar year deductible.
- The deductible is \$1,700 per Self Only enrollment, \$3,400 per Self Plus One and Family enrollment for in-network services. The deductible is \$3,400 per Self Only enrollment, or \$6,800 per Self Plus One and Family enrollment for out-of-network care.
- Only CareFirst allowable charges are applicable to the deductible.
- The Self and Family deductible can be satisfied by one or more family members.
- The in-network and out of-network deductibles contribute towards one another.
- After you have satisfied your deductible, you will be responsible for your coinsurance amounts or copayments for eligible medical expenses and prescriptions until you have reached our annual out of pocket maximum.
- When the allowed benefit for any covered service is less than the copayment listed, the member payment will be the allowed benefit.
- Prior authorization is required for all outpatient services performed in the outpatient department of a hospital.
- If prior authorization is not obtained, benefits for outpatient services performed in the outpatient department of a hospital are considered a non-covered service.
- Prior authorization is not required for clinic visits rendered in a hospital, hospital clinic or health care provider's office on a hospital campus.
- When multiple services are rendered on the same day by more than one provider, member copayments are required for each provider.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, including with Medicare.
- Please remember that, when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate deductible and co-pays and coinsurances.
- The coverage and cost-sharing listed below are for services provided by physicians and other health care professionals for your medical care. See Section 5(c) for cost-sharing associated with the facility (i.e., hospital, surgical center, etc.).

Benefit Description	You pay After the calendar year deductible
Diagnostic and treatment services	HDHP
Professional services of physicians: • In physician's office • Outpatient Professional (Non-Surgical) • Office medical consultations • Second surgical opinion • At home	Office/Outpatient Hospital In-network: • PCP - No copay • Specialist - \$35 copay Out-of-network: • \$80 copay Note: Office visits rendered in a hospital, hospital clinic or health care provider's office visit on a hospital campus are not subject to the facility copay.
Initial examination of a newborn child immediately after birth. See Maternity benefits under section 5(a) for more information. Benefit Description	You pay After the calendar year deductible
Maternity care	HDHP
Complete maternity (obstetrical) care administered by physicians, mid-wives, and doulas, such as: • Prenatal and Postpartum care • Screening for gestational diabetes • Delivery • Screening and counseling for prenatal and postpartum depression • Breastfeeding and lactation support, supplies and counseling for each birth • See section 5(h) for wellness and care management plans pertaining to maternity Members are responsible for both physician and facility fees. Please refer to section 5(c) for outpatient or inpatient facility fees. 1. Preventive Services a) Preventive outpatient obstetrical care of an uncomplicated pregnancy, including prenatal evaluation and management office visits and one postpartum office visit; b) Prenatal laboratory tests and diagnostic services related to the outpatient care of an uncomplicated pregnancy, including those identified in the current recommendations of the United States Preventive Services Task Force that have in effect a rating of "A" or "B" or provided in the comprehensive guidelines for women's preventive health supported by the Health Resources and Services Administration; c) Preventive laboratory tests and services rendered to a newborn during a covered hospitalization for delivery, identified in the current recommendations of the United States Preventive Services Task Force that have in effect a rating of "A" or "B", the Periodicity Schedule of the Bright Futures Recommendations for Pediatric Preventive Health Care, and the Uniform Panel of the Secretary's Advisory Committee on Heritable Disorders in Newborns and Children, including the collection of adequate samples for hereditary and metabolic newborn screening and newborn hearing screening; and d) Breastfeeding and lactation support, supplies and counseling for each birth Note: Breast pumps are available one per calendar year pre- or post-natal. 2. Non-Preventive Services	In-network: • Preventive - No Charge • Non-Preventive - Deductible, then no charge • Professional Services at Delivery - Deductible, then 20% of plan allowance Out-of-network: • Preventive - Deductible, then no charge • Non-Preventive - Deductible, then no charge • Professional Services at Delivery - Deductible, then 30% of plan allowance

Maternity care - continued on next page

Benefit Description	You pay After the calendar year deductible
Maternity care (cont.)	HDHP
a) Outpatient obstetrical care and professional services for all prenatal and post-partum complications, including prenatal and post-partum office visits. Notes: - You do not need to pre-certify your vaginal delivery; see page 24 for other circumstances, such as extended stays for you or your baby. - As part of your coverage, you have access to in-network certified nurse midwives, home nurse visits and board-certified lactation specialists during the prenatal and post-partum period. Your coverage includes certified doula coverage including in person and virtual visits. - You may remain in the hospital up to 48 hours after a vaginal delivery and 96 hours after a cesarean delivery. We will extend your inpatient stay if medically necessary. - We cover routine nursery care of the newborn child during the covered portion of the mother's maternity stay. We will cover other care of an infant who requires non-routine treatment only if we cover the infant under a Self Plus One or Self and Family enrollment. - We pay hospitalization and surgeon services for non-maternity care the same as for illness and injury. Note: When a newborn requires definitive treatment during or after the mother's hospital stay, the newborn is considered a patient in their own right. If the newborn is eligible for coverage, regular medical or surgical benefits apply rather than maternity benefits. In addition, circumcision is covered at the same rate as for regular medical or surgical benefits. b) Birthing classes, one course per pregnancy, at a CareFirst BlueChoice approved facility. Note: Members enrolled in the High-Risk OB Care Management Program may be eligible to receive a home blood pressure cuff. 3. Professional Services at Delivery - Professional services are covered under Section 5(a).	In-network: - Preventive - No Charge - Non-Preventive - Deductible, then no charge - Professional Services at Delivery - Deductible, then 20% of plan allowance Out-of-network: - Preventive - Deductible, then no charge - Non-Preventive - Deductible, then no charge - Professional Services at Delivery - Deductible, then 30% of plan allowance
Not covered: Surrogacy	<i>All Charges</i>

Benefit Description	You pay After the calendar year deductible
Family planning	HDHP
A range of voluntary family planning services, without cost sharing, that includes at least one form of contraception in each of the categories in the HRSA supported guidelines. This list includes: • Voluntary female sterilization • Surgically implanted contraceptives • Injectable contraceptive drugs (such as Depo-Provera) • Intrauterine devices (IUDs) • Diaphragms • Contraceptive counseling on an annual basis at no cost sharing. Note: See additional Family Planning and Prescription drug coverage in Section 5(f). Note: Your plan offers some type of voluntary female sterilization surgery coverage at no cost to members. The contraceptive benefit includes at least one option in each of the HRSA-supported categories of contraception (as well as the screening, education, counseling, and follow-up care). Any type of voluntary female sterilization surgery that is not already available without cost sharing can be accessed through the contraceptive exceptions process described below. Your provider can request authorization for voluntary female sterilization surgery that is not already available without cost sharing by completing the Precertification Request for Authorization of Services form at https://provider.carefirst.com/providers/medical/in-network-precertification-preauthorization.page? Contraceptive Exception requests will be reviewed within 24 hours. If you have difficulty accessing contraceptive coverage or other reproductive healthcare, you can contact contraception@opm.gov. Note: We cover oral contraceptives under the prescription drug benefit	In-network: • No copay – deductible does not apply Out-of-network: • \$80 copay
Voluntary sterilization for a male: Hospital services are covered under Section 5(c). Surgical benefits are covered under Section 5(b).	Deductible applies: In-network: • \$0 copay Out-of-network: • \$80 copay

Benefit Description	You pay After the calendar year deductible
Family planning (cont.)	HDHP
<i>Not covered:</i> • <i>Reversal of voluntary surgical sterilization</i> • <i>Genetic counseling</i> • <i>Elective Abortion</i>	<i>All charges</i>
FDA Approved Fertility Apps	In-network: • No copay Out-of-network: • No copay
Infertility services	HDHP
Infertility is the inability to conceive or produce conception after 1 year of unprotected sex when an individual is under 35 years of age, or 6 months for an individual age 35 through 39 and for ages greater than 40 more immediate consultation, diagnostics and treatment of infertility may be appropriate. There are various reproductive treatments available for people facing infertility, which are customized according to their medical history and diagnostic results. Diagnosis and treatment of infertility specific to: • Artificial insemination: - Intravaginal Insemination (IVI) - Intracervical Insemination (ICI) - Intrauterine Insemination (IUI) • Fertility drugs (See Section 5f) Note: • We cover drugs for the treatment of infertility, when deemed medically necessary. • When covered for artificial insemination, injectable drugs are medical benefits, and oral drugs are benefits under prescription drug coverage. See Section 5(f). • Prior authorization for the treatment must be obtained from CareFirst BlueChoice. • Benefits are limited to three (3) attempts per benefit period. • Any charges associated with the collection of the sperm will not be covered unless the partner is also a member. • The member is responsible for the copayment or coinsurance for artificial insemination stated in the Schedule of Benefits.	In-network: • \$35 office copay Out-of-network: • \$80 copay

In-network: • Specialist-\$35 copay Out-of-network: • \$80 copay
Routine eye exams Note: See Preventive care, children for eye exams for children Note: Eye care and exams related to medical conditions are subject to the specialist copay	In-network: • \$10 per visit at Davis Vision Providers Out-of-network: • All charges above \$33
<i>Not covered:</i> • <i>Eyeglasses or contact lenses (except as listed above)</i> • <i>Eye exercises and orthoptics</i> • <i>Eyeglasses, contact lenses, routine eye examinations, or vision testing for the prescribing or fitting of eyeglasses or contact lenses</i> • <i>Deluxe eyeglass frames or lens features for eyeglasses or contact lenses such as special coating, polarization, UV treatment, etc.</i> • <i>Multifocal, accommodating, toric, or other premium intraocular lenses (IOLs) including Crystalens, ReStor, and ReZoom</i> • <i>Eye exercises, visual training, or orthoptics, except for nonsurgical treatment of medical conditions as outlined in the CareFirst Medical Policy.</i> • <i>LASIK, INTACS, radial keratotomy, and other refractive surgery and/or other refractive surgical services</i> • <i>Refractions, including those performed during an eye examination related to a specific medical condition</i>	<i>All charges</i>

Benefit Description	You pay After the calendar year deductible
Foot care	HDHP
Routine foot care when you are under active treatment for a metabolic or peripheral vascular disease, such as diabetes.	In-network: • \$35 copay Out-of-network: • \$80 copay Note: Members are responsible for both physician and facility fees. Please refer to Section 5(c) for outpatient or inpatient facility fees.
<i>Not covered:</i> • Cutting, trimming or removal of corns, calluses, or the free edge of toenails, and similar routine treatment of conditions of the foot, except as stated above • Treatment of weak, strained or flat feet or bunions or spurs; and of any instability, imbalance or subluxation of the foot (except for surgical treatment)	<i>All charges</i>
Orthopedic and prosthetic devices	HDHP
• Artificial limbs and eyes • Prosthetic sleeve or sock • Externally worn breast prostheses and surgical bras, including necessary replacements following a mastectomy • Corrective orthopedic appliances for non-dental treatment of temporomandibular joint (TMJ) pain dysfunction syndrome. • Hair Prosthesis (wig) is covered when prescribed by a treating oncologist and the hair loss is the result of chemotherapy. The Plan will cover up to \$350 for one (1) hair prosthesis per benefit period. • External hearing aids (See Hearing services in this section for additional information) • Implanted hearing-related devices, such as bone anchored hearing aids and cochlear implants • Internal prosthetic devices, such as artificial joints, pacemakers, and surgically implanted breast implant following mastectomy. • Medically Necessary molded foot orthotics Note: For information on the professional charges for the surgery to insert an implant, see Section 5(b) <i>Surgical and anesthesia services</i>. For information on the hospital and/or ambulatory surgery center benefits, see Section 5(c) <i>Services provided by a hospital or other facility, and ambulance services</i>.	In-network: • Deductible, then 25% of plan allowance Out-of-network: • Deductible, then 25% of plan allowance

Orthopedic and prosthetic devices - continued on next page

Benefit Description	You pay After the calendar year deductible
Orthopedic and prosthetic devices (cont.)	HDHP
Note: Externally worn prosthetics and devices are treated as Durable medical Equipment (DME). See page 111.	In-network: • Deductible, then 25% of plan allowance Out-of-network: • Deductible, then 25% of plan allowance
<i>Not covered:</i> • Orthopedic and corrective shoes, arch supports, foot orthotics, heel pads and heel cups • Lumbosacral supports • Corsets, trusses, elastic stockings, support hose, and other supportive devices • Prosthetic replacements provided less than 3 years after the last one we covered • Over-the-counter orthotics	<i>All charges</i>
Durable medical equipment (DME)	HDHP
We cover rental or purchase of prescribed durable medical equipment, at our option, including repair and adjustment. Covered items include: • Oxygen • Dialysis equipment • Hospital beds • Wheelchairs • Crutches • Walkers • Audible prescription reading devices • Speech generating devices • Blood glucose monitors • Insulin pumps • Canes • Diabetic shoes • Commodes • Suction machines • Medical supplies (i.e. ostomy and catheter supplies, dialysis supplies, medical foods for inherited metabolic diseases and Inborn Errors of Metabolism (IEM)) • Externally worn non-surgical durable devices which replace a body part or assist a patient in performing a bodily function (unless otherwise described in the “orthopedic and prosthetic devices” section above) • Externally worn braces which improve the function of a limb	In-network: • Deductible, then 25% of plan allowance Diabetic Supplies- no deductible, 25% of plan allowance up to \$100 for a 30-day supply Out-of-network: • Deductible, then 25% of plan allowance Diabetic Supplies- no deductible, 25% of plan allowance up to \$100 for a 30-day supply

Durable medical equipment (DME) - continued on next page

Benefit Description	You pay After the calendar year deductible
Durable medical equipment (DME) (cont.)	HDHP
Medically necessary fitted compression stockings Note: Prior authorization is required for certain in-network DME covered services. In-network providers will obtain prior authorization on behalf of the member. See https://provider.carefirst.com/providers/medical/in-network-precertification-preauthorization.page for a list of specific Covered Services which require prior authorization	In-network: - Deductible, then 25% of plan allowance Diabetic Supplies- no deductible, 25% of plan allowance up to \$100 for a 30-day supply Out-of-network: - Deductible, then 25% of plan allowance Diabetic Supplies- no deductible, 25% of plan allowance up to \$100 for a 30-day supply
<i>Not covered:</i> - Eye glasses and contact lenses (except as listed under Vision Services) - Dental prosthetics (except as listed under Orthopedic and Prosthetics above) - Foot orthotics (except as listed under Orthopedic and prosthetic devices) - Environment control products - Over-the-counter compression stockings - Medical equipment of an expendable nature (i.e. ace bandages, incontinent pads) - Replacement of DME equipment not due to normal wear and tear - Comfort and convenience items - Over the counter items, except as listed above - Exercise equipment - Equipment that can be used for non-medical purposes	<i>All Charges</i>
Home health services	HDHP
- Home healthcare ordered by a Plan physician and provided by a registered nurse (R.N.), licensed practical nurse (L.P.N.), licensed vocational nurse (L.V.N.), or home health aide. - Services include oxygen therapy. - Home Health Services-Postpartum visits are limited to two (2) per plan year. - Home Health Services-Post Mastectomy/Testicle Removal visits are limited to four (4) per plan year.	In-network: \$35 copay Out-of-network: \$80 copay
<i>Not covered:</i> Nursing care requested by, or for the convenience of, the patient or the patient's family	<i>All charges</i>

Home health services - continued on next page

Benefit Description	You pay After the calendar year deductible
Home health services (cont.)	HDHP
- Home care primarily for personal assistance that does not include a medical component and is not diagnostic, therapeutic, or rehabilitative - Private duty nursing	All charges
Chiropractic	HDHP
Chiropractic services are limited to spinal manipulation, evaluation and treatment up to a maximum of 20 visits per benefit period when performed by a Plan chiropractor.	In-network: \$35 copay Out-of-network: \$80 copay Note: Members are responsible for both physician and facility fees. Please refer to Section 5(c) for outpatient or inpatient facility fees.
<i>Not covered:</i> Services other than for musculoskeletal conditions of the spine.	All charges
Alternative treatments	HDHP
Acupuncture-by a doctor of medicine or osteopathy, or licensed or certified acupuncture practitioner Limited to 20 visits per Benefit Period.	In-network: \$35 copay Out-of-network: \$80 copay Note: Members are responsible for both physician and facility fees. Please refer to Section 5(c) for outpatient or inpatient facility fees.
<i>Not covered:</i> - Naturopathic services - Hypnotherapy - Biofeedback - Acupuncture except as listed above - Dry needling	All charges
Educational classes and programs	HDHP
Coverage is provided for: Tobacco and nicotine cessation programs, including individual/group/phone counseling, and for over the counter (OTC) and prescription drugs approved by the FDA to quit smoking (vaping) or other nicotine use.	In-network: - No deductible applies - Nothing for counseling for up to two (2) quit attempts per year. - Nothing for OTC and prescription drugs approved by the FDA to treat tobacco dependence. Out-of-network: \$80 copay

Educational classes and programs - continued on next page

Benefit Description	You pay After the calendar year deductible
Educational classes and programs (cont.)	HDHP
• Diabetes self-management • Medically necessary nutrition therapy • Medically necessary professional nutritional counseling	In-network: • No deductible applies • No copay Out-of-network: • \$80 copay
Sleep Studies	HDHP
CareFirst BlueChoice has created a network of providers that have agreed to oversee this program. The main objective of this approach is diligent monitoring of sleep apnea patients to ensure compliance with their treatment and reducing any further medical complications arising from sleep disorders. CareFirst BlueChoice has also removed the prior authorizations for sleep apnea equipment such as CPAP machines.	In-Network: Home - Deductible, then No Charge Office/Freestanding - Deductible, then \$35 copay Outpatient Hospital - Deductible, then \$200 copay Out-of-network: Home - Deductible, then \$50 copay Office/Freestanding - Deductible, then \$80 copay Outpatient Hospital - Deductible, then \$500 copay
Infusion Services	HDHP
Infusion Services means treatment provided by placing therapeutic agents into the vein, and parenteral administration of medication and nutrients. Infusion Services also includes enteral nutrition, which is the delivery of nutrients by tube into the gastrointestinal tract. Infusion Services includes all medications administered intravenously and/or parenterally. Infusion Services: Prior Authorization required for Specialty Drugs • Transfusion services and Infusion Services, including - home infusions, - infusion of therapeutic agents, - medication and nutrients, - enteral nutrition into the gastrointestinal tract, - chemotherapy, and - prescription medications. - Blood and Blood Products (including derivatives and components) that are not replaced by or on behalf of the member Note: High dose chemotherapy in association with autologous bone marrow transplants is limited to those transplants listed under Organ/Tissue Transplants.	In-Network: Home/Office/Freestanding - Deductible, then \$20 copay OP Hospital (attended) - Deductible, then \$200 copay Out-of-network: Home/Office/Freestanding - Deductible, then \$80 copay OP Hospital - Deductible, then \$500 copay

Section 5(b). Surgical and Anesthesia Services Provided by Physicians and Other Healthcare Professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- The deductible is \$1,700 per Self Only enrollment, \$3,400 per Self Plus One and Family enrollment for in-network services. The deductible is \$3,400 per Self Only enrollment, or \$6,800 per Self Plus One and Family enrollment for out-of-network care.
- Only CareFirst allowable charges are applicable to the deductible.
- After you have satisfied your deductible, your traditional medical coverage begins.
- Under your Traditional medical coverage, you will be responsible for your coinsurance amounts or copayments for eligible medical expenses and prescriptions.
- The services listed below are for the charges billed by a physician or other healthcare professional for your surgical care. See Section 5(c) for charges associated with a facility (i.e., hospital, surgical center, etc.).
- Please remember that, when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate deductible and copay.
- Surgical procedures may involve the services of a co-surgeon, surgical assistant or assistant-at surgery who may bill separately from the primary surgeon.

YOUR PHYSICIAN MUST GET PRECERTIFICATION FOR SOME SURGICAL PROCEDURES. Please refer to the precertification information shown in Section 3 to be sure which services require precertification and identify which surgeries require precertification.

Benefit Description	You pay After the calendar year deductible
Surgical procedures	HDHP
A comprehensive range of services, such as: • Operative procedures • Treatment of fractures, including casting • Routine pre- and post-operative care by the surgeon • Correction of amblyopia and strabismus • Endoscopy procedures • Biopsy procedures • Removal of tumors and cysts • Correction of congenital anomalies (see <i>Reconstructive surgery</i>) • Surgical treatment of severe obesity (bariatric surgery) • Insertion of internal prosthetic devices. See 5(a) <i>Orthopedic and prosthetic devices</i> for device coverage information • Treatment of burns	In-network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital: • PCP – No copay • Specialist – \$35 copay Inpatient Hospital: • Deductible, then 20% of plan allowance Out-of-Network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital: • \$80 copay Inpatient Hospital: • Deductible, then 30% of plan allowance

Surgical procedures - continued on next page
BlueChoice Advantage HDHP Section 5(b)

Benefit Description	You pay After the calendar year deductible
Surgical procedures (cont.)	HDHP
Note: You must meet certain criteria to be eligible for bariatric surgery. Please see CareFirst's Medical Policy for the criteria. https://provider.carefirst.com/providers/medical/medical-policy.page Note: For female surgical family planning procedures see Family Planning Section 5(a) Note: For male surgical family planning procedures see Family Planning Section 5(a) Note: Generally, we pay for internal prostheses (devices) according to where the procedure is done. For example, we pay Hospital benefits for a pacemaker and Surgery benefits for insertion of the pacemaker.	In-network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital: • PCP – No copay • Specialist – \$35 copay Inpatient Hospital: • Deductible, then 20% of plan allowance Out-of-Network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital: • \$80 copay Inpatient Hospital: • Deductible, then 30% of plan allowance
<i>Not covered:</i> • <i>Reversal of voluntary sterilization</i> • <i>Routine treatment of conditions of the foot (see Section 5(a) Foot care)</i>	<i>All charges</i>
Reconstructive surgery	HDHP
• Surgery to correct a functional defect • Surgery to correct a condition caused by injury or illness if: - the condition produced a major effect on the member's appearance; and - the condition can reasonably be expected to be corrected by such surgery • Surgery to correct a condition that existed at or from birth and is a significant deviation from the common form or norm. Examples of congenital anomalies are: protruding ear deformities; cleft lip; cleft palate; birth marks; and webbed fingers and toes. • All stages of breast reconstruction surgery following a mastectomy, such as: - Surgery to produce a symmetrical appearance of breasts - treatment of any physical complications, such as lymphedemas - breast prostheses; and surgical bras and replacements (see Section 5(a) Prosthetic devices for coverage)	In-network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital: • PCP – No copay • Specialist – \$35 copay Inpatient Hospital: • Deductible, then 20% of plan allowance Out-of-Network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital: • \$80 copay Inpatient Hospital: • Deductible, then 30% of plan allowance

Reconstructive surgery - continued on next page

Benefit Description	You pay After the calendar year deductible
Reconstructive surgery (cont.)	HDHP
Note: If you need a mastectomy, you may choose to have the procedure performed on an inpatient basis and remain in the hospital up to 48 hours after the procedure.	In-network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital: • PCP – No copay • Specialist – \$35 copay Inpatient Hospital: • Deductible, then 20% of plan allowance Out-of-Network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital • \$80 copay Inpatient Hospital: • Deductible, then 30% of plan allowance
<i>Not covered:</i> • <i>Cosmetic surgery – any surgical procedure (or any portion of a procedure) performed primarily to improve physical appearance through change in bodily form, except repair of accidental injury (See Section 5(d) Accidental injury)</i> • <i>Surgery for Sex-Trait Modification to treat gender dysphoria</i> <i>If you are mid-treatment under this Plan, within a surgical or chemical regimen for Sex-Trait Modification for diagnosed gender dysphoria, for services for which you received coverage under the 2025 Plan brochure, you may seek an exception to continue care for that treatment. Our exception process is as follows:</i> Members over the age of 18 that did not change plans during Open Enrollment and have a diagnosis of gender dysphoria with documented authorization, claims history, or prescriptions prior to January 2026 are potentially eligible for an exception. Member requests for coverage will be reviewed individually to confirm initiation of treatment prior to January 1, 2026, and the clinical necessity for continuation. Maintenance services are not eligible for an exception.	<i>All charges</i>

Reconstructive surgery - continued on next page

Benefit Description	You pay After the calendar year deductible
Reconstructive surgery (cont.)	HDHP
To request a surgical exception your provider must submit a Precertification Request for Authorization of Services via the CareFirst Provider Portal or by completing the Precertification Request for Authorization of Services form. To request an exception for hormone treatment your provider must submit a Prior Authorization request found at https://www.carefirst.com/fedhmo/faqs/gender-dysphoria.html <i>If you disagree with our decision on your exception, please see Section 8 of this brochure for the disputed claims process.</i> <i>Individuals under age 19 are not eligible for exceptions related to services for ongoing surgical or hormonal treatment for diagnosed gender dysphoria.</i>	<i>All charges</i>
Oral and maxillofacial surgery	HDHP
Oral surgical procedures, limited to: • Reduction of fractures of the jaws or facial bones; • Surgical correction of cleft lip, cleft palate or severe functional malocclusion; • Removal of stones from salivary ducts; • Excision of leukoplakia or malignancies; • Excision of cysts and incision of abscesses when done as independent procedures; and • Other surgical procedures that do not involve the teeth or their supporting structures.	In-network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital: • PCP – No copay • Specialist – \$35 copay Inpatient Hospital: • Deductible, then 20% of plan allowance Out-of-Network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital • \$80 copay Inpatient Hospital: • Deductible, then 30% of plan allowance
<i>Not covered:</i> • <i>Oral implants and transplants</i> • <i>Procedures that involve the teeth or their supporting structures (such as the periodontal membrane, gingiva, and alveolar bone)</i>	<i>All charges</i>

Benefit Description	You pay After the calendar year deductible
Organ/tissue transplants	HDHP
These solid organ and tissue transplants are covered and are limited to: • Autologous pancreas islet cell transplant (as an adjunct to total or near total pancreatectomy) only for patients with chronic pancreatitis. • Cornea • Heart • Heart/lung • Intestinal transplant - Isolated small intestine - Small intestine with the liver - Small intestine with multiple organs, such as the liver, stomach, and pancreas • Kidney • Kidney-pancreas • Liver • Lung single/bilateral/lobar • Pancreas Note: Covered transplants are subject to medical necessity review by the Plan. Refer to <i>other services</i> in Section 3 for prior authorization procedure. These tandem blood or marrow stem cell transplants for covered transplants are subject to medical necessity review by the Plan. Refer to <i>Other services</i> in Section 3 for prior authorization procedures. • Autologous tandem transplants for - AL Amyloidosis - Multiple myeloma (de novo and treated) - Recurrent germ cell tumors (including testicular cancer)	In-network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital: • PCP – No copay • Specialist – \$35 copay Inpatient Hospital: • Deductible, then 20% of plan allowance Out-of-Network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital: • \$80 copay Inpatient Hospital: • Deductible, then 30% of plan allowance
Blood or marrow stem cell transplants limited to the stages of the following diagnoses. For the diagnoses listed below, the medical necessity limitation is considered satisfied if the patient meets the staging description. • Allogeneic transplants for - Acute lymphocytic or non-lymphocytic (i.e., myelogenous) leukemia - Acute myeloid leukemia - Advanced Hodgkin's lymphoma with reoccurrence (relapsed) - Advanced Myeloproliferative Disorders (MPDs)	In-network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital: • PCP – No copay • Specialist – \$35 copay Inpatient Hospital: • Deductible, then 20% of plan allowance Out-of-Network

Benefit Description	You pay After the calendar year deductible
Organ/tissue transplants (cont.)	HDHP
- Advanced neuroblastoma - Advanced non-Hodgkin's lymphoma with reoccurrence (relapsed) - Amyloidosis - Chronic lymphocytic leukemia/small lymphocytic - Hemoglobinopathy - lymphoma (CLL/SLL) - Infantile malignant osteoporosis - Kostmann's syndrome - Leukocyte adhesion deficiencies - Marrow failure and related disorders (i.e., Fanconi's, PNH, Pure Red Cell Aplasia) - Mucopolysaccharidosis (e.g., Gaucher's disease, metachromatic leukodystrophy, adrenoleukodystrophy) - Mucopolysaccharidosis (e.g., Hunter's syndrome, Hurler's syndrome, Sanfillippo's syndrome, Maroteaux-Lamy syndrome variants) - Myelodysplasia/Myelodysplastic syndromes - Paroxysmal Nocturnal Hemoglobinuria - Phagocytic/Hemophagocytic deficiency diseases (e.g., Wiskott-Aldrich syndrome) - Severe combined immunodeficiency - Severe or very severe aplastic anemia - Sickle Cell anemia - X-linked lymphoproliferative syndrome • Autologous transplants for - Acute lymphocytic or nonlymphocytic (i.e., myelogenous) leukemia - Advanced Hodgkin's lymphoma with reoccurrence (relapsed) - Advanced non-Hodgkin's lymphoma with reoccurrence (relapsed) - Amyloidosis - Breast Cancer - Ependymoblastoma - Epithelial ovarian cancer - Ewing's sarcoma - Multiple myeloma - Medulloblastoma - Pineoblastoma	In-network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital: • PCP – No copay • Specialist – \$35 copay Inpatient Hospital: • Deductible, then 20% of plan allowance Out-of-Network Office/Ambulatory Surgical Center (ASC)/Outpatient Hospital • \$80 copay Inpatient Hospital: • Deductible, then 30% of plan allowance

Section 5(c.) Services Provided by a Hospital or Other Facility and Ambulance Services

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The deductible is \$1,700 per Self Only enrollment, \$3,400 per Self Plus One and Family enrollment for in-network services. The deductible is \$3,400 per Self Only enrollment, or \$6,800 per Self Plus One and Family enrollment for out-of-network care.
- The Self Only, Self Plus One, and Self and Family deductible can be satisfied by one (1) or more family members. The deductible applies to all benefits in this Section unless we indicate differently.
- Only CareFirst allowable charges are applicable to the deductible.
- After you have satisfied your deductible, you will be responsible for your coinsurance amounts or co-payments for eligible medical expenses and prescriptions until you have reached our annual out of pocket maximum.
- The services listed below are for the charges billed by a physician or other health care professional for your surgical care. See Section 5 (c) for charges associated with the facility (i.e., hospital, surgical center, etc.).
- Please remember that, when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate deductible and copay.
- Surgical procedures may involve the services of a co-surgeon, surgical assistant or assistant-at surgery who may bill separately from the primary surgeon.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, including with Medicare.
- The amounts listed below are for the charges billed by the facility (i.e., hospital or surgical center) or ambulance service for your surgery or care. Any costs associated with the professional charge (i.e., physicians, etc.) are in Sections 5(a) or (b).
- If a member chooses an out-of-network facility without prior approval, the member will be responsible for any amount in excess of our allowed benefit. If the admission is urgent or a medical emergency, the member will only be responsible for the per admission copay.
- Please remember that, when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate co-pays and coinsurances.

YOUR PHYSICIAN MUST GET PRE-CERTIFICATION FOR SOME SURGICAL PROCEDURES. Please refer to the pre-certification information shown in Section 3 to be sure which services require pre-certification and identify which surgeries require pre-certification.

Benefit Description	You pay after the calendar year deductible
Inpatient hospital	HDHP
Room and board, such as • Ward, semiprivate, or intensive care accommodations • General nursing care • Meals and special diets Note: If you want a private room when it is not medically necessary, you pay the additional charge above the semiprivate room rate. <i>Not covered: Blood and blood derivatives not replaced by the member</i>	<i>All Charges</i>
Extended care benefits/Skilled nursing care facility benefits	HDHP
If a Plan doctor determines that you need full-time skilled nursing care or need to stay in a skilled nursing facility, and we approve that decision, we will cover the comprehensive range of benefits with no dollar or day limit. - Bed, board, and general nursing care - Drugs, biologicals, supplies, and equipment ordinarily provided or arranged by the skilled nursing facility when prescribed by a Plan doctor.	In-Network: - Facility- 20% of plan allowance Out of Network: - Facility- 30% of plan allowance
<i>Not covered: Custodial care</i>	<i>All charges</i>

Benefit Description	You pay after the calendar year deductible
Hospice care	HDHP
If terminally ill, you are covered for a supportive and palliative care in your home or at a hospice. This includes inpatient and outpatient care and family counseling. A Plan doctor, who certifies that you are in the terminal stages of illness, with a life expectancy of approximately six (6) months or less, will direct these services. Respite Care is limited to three (3) periods of 48 hours during the Hospice Eligibility Period. Bereavement Services are provided for up to three (3) visits during the 90 days following the patient's death. Note: Hospice services must be pre-approved	In-network: • Deductible applies • \$35 copay Out-of-network • Deductible applies • \$80 copay
<i>Not covered: Independent nursing, homemaker services</i>	<i>All charges</i>
Ambulance	HDHP
• Local professional ambulance service when medically appropriate. • Air ambulance, when medically necessary. • The in-network cost-share will now be applied to approved out-of-network air ambulance. Members cannot be balanced billed.	In-network: • Calendar year deductible applies • \$100 per trip Out-of-network: • Calendar year deductible applies • \$150 per trip • Non-participating provider may charge you for the amount in excess of our allowed benefit.
Not covered: Air Ambulance unless medically necessary and no other transport is reasonably available.	<i>All Charges</i>

Section 5(d). Emergency Services/Accidents

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The deductible is \$1,700 per Self Only enrollment, \$3,400 per Self Plus One and Family enrollment for in-network services. The deductible is \$3,400 per Self Only enrollment, or \$6,800 per Self Plus One and Family enrollment for out-of-network care. The Self Only, Self Plus One, and Self and Family deductible can be satisfied by one (1) or more family members. The deductible applies to all benefits in this Section unless we indicate differently.
- Only CareFirst allowable charges are applicable to the deductible.
- After you have satisfied your deductible, your traditional medical coverage begins.
- Under your Traditional medical coverage, you will be responsible for your coinsurance amounts and copayments for eligible medical expenses and prescriptions.
- Please remember that when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate deductible and copay.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, including with Medicare.
- Please remember that, when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate co-pays and coinsurances.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

Benefits are provided for emergency services that you obtain when you have acute symptoms of sufficient severity-including severe pain-such that a prudent layperson who possesses average knowledge of health and medicine could reasonably expect that the absence of immediate medical attention would result in serious jeopardy to the person's health, serious impairment of bodily function, serious dysfunction of any bodily organ or part, or with respect to a pregnant member, serious jeopardy to the health of the member and/or their unborn child.

If you experience a medical emergency, you should call 911 or go directly to the nearest emergency facility. No authorization is needed for you to receive emergency services. Be sure to tell the workers in the emergency room that you are a Plan member so they can notify the Plan.

Urgent Care:

An urgent condition is a condition that is not a threat to your life, limbs, or bodily organs, but does require prompt medical attention. For urgent situations, please call your primary care provider. If your PCP is unavailable, call FirstHelp a free nurse advice line available 24 hours a day, 7 days a week. Call 800-535-9700 to speak to a registered nurse who will discuss your symptoms and recommend the most appropriate care.

Emergencies inside our service area:

You are encouraged to seek care from Plan providers in cases of accidental injury or medical emergency. However, if you need care immediately and cannot access a Plan provider, we will provide benefits for the initial treatment provided in the emergency room of the hospital, even if the hospital is not a plan hospital. If you need to stay in a facility our plan does not designate (a non-Plan facility), you must notify the Plan at (800) 367-1799 or (202) 646-0090 within 48 hours or on the first working day after the day they admitted you, unless you cannot reasonably do so. If you stay in a non-Plan facility and a Plan doctor believes that a Plan hospital can give you better care, then the facility will transfer you when medically feasible and we will fully cover any ambulance charges.

For this Plan to cover you, only Plan-providers can give you follow-up care that the non-Plan providers recommend.

Emergencies outside our service area:

- We will provide benefits for any medically necessary health service that you require immediately because of injury or unforeseen illness.
- If you need to stay in a medical facility, you must notify the Plan at (800) 367-1799 or (202) 646-0090 within 48 hours or on the first working day after the date they admit you, unless not reasonably possible to do so. If a Plan doctor believes a Plan hospital can give you better care, then the facility will transfer you when medically feasible, and we will fully cover any ambulance charges.
- For this Plan to cover you, Plan providers must provide any of the follow-up care that non-Plan providers may recommend to you.

Benefit Description	You pay After the calendar year deductible
Emergency Services	HDHP
• Emergency care at an urgent care center • Emergency care as an outpatient in a hospital, including doctors' services <i>Note: We waive the ER copay if you are admitted to the hospital.</i> <i>Note: For services within the service area and provided by a non-participating provider, the member is not responsible for amounts in excess of the allowed benefits.</i>	In-network: • Emergency Room - \$300 copay per visit (waived if admitted) • Emergency Room-Professional Services - No copay • Urgent care center - \$50 copay per visit Out-of-network: • Emergency Room - \$300 copay per visit (waived if admitted) • Emergency Room-Professional Services - No copay • Urgent care center - \$50 copay per visit Note: Out-of-Network Emergency Room and Professional Services are paid at the In-network level
Not covered: • Elective care or non-emergency care	<i>All charges</i>
Ambulance	HDHP
• Professional ambulance service when medically appropriate. • Air ambulance, when medically necessary. • The in-network cost-share will now be applied to approved out-of-network air ambulance. Members cannot be balanced billed. Note: See 5(c) for non-emergency service.	In-network: • Calendar year deductible applies • \$100 per trip Out-of-network: • Calendar year deductible applies • \$150 per trip • Non-participating provider may charge you for the amount in excess of our allowed benefit.

Ambulance - continued on next page

Benefit Description	You pay After the calendar year deductible
Ambulance (cont.)	HDHP
	Not covered: Air Ambulance unless medically necessary and no other transport is reasonably available.
Not covered: Air Ambulance unless medically necessary and no other transport is reasonably available.	All charges

Section 5(e). Mental Health and Substance Use Disorder Benefits

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The deductible is \$1,700 per Self Only enrollment, \$3,400 per Self Plus One and Family enrollment for in-network services. The deductible is \$3,400 per Self Only enrollment, or \$6,800 per Self Plus One and Family enrollment for out-of-network care. The Self Only, Self Plus One, and Self and Family deductible can be satisfied by one (1) or more family members. The deductible applies to all benefits in this Section unless we indicate differently.
- Only CareFirst allowable charges are applicable to the deductible.
- For facility care, the inpatient deductible applies to almost all benefits in this Section. We added “No deductible” to show when a deductible does not apply.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOUR PHYSICIAN MUST GET PRECERTIFICATION FOR HOSPITAL STAYS. Please refer to Section 3 for more information about precertification.**
- We will provide medical review criteria or reason for treatment plan denial to enrollees, members or providers upon request or as otherwise required.
- OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.
- Members will be responsible for all costs between the plan allowance and provider billed charges.
- Please remember that, when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate co-pays and coinsurances.

Note: Inpatient professional services are paid the same as medical inpatient professional services.

Benefit Description	You pay After the calendar year deductible
Professional services	HDHP
When part of a treatment plan we approve, we cover professional services by licensed professional mental health and substance use disorder treatment practitioners when acting within the scope of their license, such as psychiatrists, psychologists, clinical social workers, licensed professional counselors, or marriage and family therapists	Your cost-sharing responsibilities are no greater than for other illnesses or conditions.
Diagnosis and treatment of psychiatric conditions, mental illness, or mental disorders. Services include: • Diagnostic evaluation • Crisis intervention and stabilization for acute episodes • Medication evaluation and management (pharmacotherapy)	In-network: • Office - Deductible, then no copay • Outpatient Professional Services- \$35 copay • Inpatient professional - Deductible, then 20% of plan allowance Out-of-network: • Office/Outpatient Professional Services - \$80 copay • Inpatient professional - Deductible, then 30% of plan allowance

Professional services - continued on next page

Benefit Description	You pay After the calendar year deductible
Professional services (cont.)	HDHP
- Psychological and neuropsychological testing necessary to determine the appropriate psychiatric treatment - Treatment and counseling (including individual or group therapy visits) - Diagnosis and treatment of substance use disorders, including detoxification, treatment and counseling - Professional charges for intensive outpatient treatment in a provider's office or other professional setting	In-network: - Office - Deductible, then no copay - Outpatient Professional Services- \$35 copay - Inpatient professional - Deductible, then 20% of plan allowance Out-of-network: - Office/Outpatient Professional Services - \$80 copay - Inpatient professional - Deductible, then 30% of plan allowance

Services that are not part of a preauthorized approved treatment plan.	<i>All charges</i>
CareFirst Addiction Program	HDHP
The goals of the Alcohol and Drug Addiction Community-Based Program are to: 1) Provide Members with necessary treatments to deliver the best outcomes for their individual clinical circumstances. 2) Provide access to cost effective addiction treatment programs that offer the most up-to-date clinically appropriate standards. 3) Educate Members, PCPs and all stakeholders as to the causes, identification and treatments of addiction. 4) Provide appropriate care in a community setting outside of a hospital or residential setting to enhance sustainable outcomes and lower costs. Members may receive any of the following services as part of their treatment: • Assessment • Intensive outpatient program • Outpatient detox • Partial hospital program (PHP) • Individual therapy • Group therapy • Family therapy • Medication assisted treatment (MAT) (includes psychiatrist assessment) Preferred Recovery Centers can be located at https://member.carefirst.com/members/health-wellness/staying-healthy/addiction-program.page	• CareFirst Preferred Addiction Recovery center - No cost share for intensive outpatient treatment program • Other outpatient recovery centers - standard out-of-pocket amounts (copay, deductible, coinsurance) will apply.

Section 5(f). Prescription Drug Benefits

Here are some important things to keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Federal law prevents the pharmacy from accepting unused medications.
- Members must make sure their prescriber obtain prior approval/authorizations for certain prescription drugs and supplies before coverage applies. Prior approval/authorizations must be renewed periodically.
- The deductible is \$1,700 per Self Only enrollment, \$3,400 per Self Plus One and Family enrollment for in-network services. The deductible is \$3,400 per Self Only enrollment, or \$6,800 per Self Plus One and Family enrollment for out-of-network care.
- The Self Plus One and Self and Family deductible can be satisfied by one (1) or more family members. The deductible applies to all benefits in this section unless we indicate differently.
- Only CareFirst allowable charges are applicable to the deductible.
- After you have satisfied your deductible, your traditional medical coverage begins.
- The deductible is waived for preferred generic drugs to treat asthma, blood pressure, cholesterol, depression and diabetes.
- Under your traditional medical coverage, you will be responsible for your coinsurance amounts for eligible medical expenses or copayments for eligible prescriptions.
- Mandatory Generic Drug Substitution applies to this plan. If your physician writes "Dispense as Written" for the brand-name drug, and you receive a brand-name drug when a Federally approved generic drug is available, you will have to pay the difference in cost between the brand-name drug and the generic plus the brand copay.
- Out-of-Network: Members will be responsible for all charges for drugs obtained at a non-Plan pharmacy; except for out-of-area emergencies.
- **The exclusion for hormone treatments for Sex-Trait Modification for gender dysphoria** only pertains to chemical and surgical modification of an individual's sex traits (including as part of "gender transition" services). **We do not exclude coverage for entire classes of pharmaceuticals**, e.g., GnRH agonists may be prescribed during IVF, for reduction of endometriosis or fibroids, and for cancer treatment or prostate cancer/tumor growth prevention.

Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

There are important features you should be aware of. These include:

- **Who can write your prescription.** A licensed physician or dentist, and in states allowing it, licensed/certified providers with prescriptive authority prescribing within their scope of practice must prescribe your medication.
- **Where you can obtain them.** You may fill the prescription at a Plan pharmacy, or by mail. You may contact **CVS Health** at **(800) 241-3371** to get more information on the mail order service. We will now require members to fill certain specialty medications within a designated network. Currently the exclusive specialty pharmacy network consists of **CVS/Caremark**.

- **We use a formulary.** A formulary is a list of covered drugs. Our drug list is reviewed and approved by an independent national committee comprised of physicians, pharmacists and other health care professionals who make sure the drugs on the formulary are safe and clinically effective. Some drugs may be excluded from the formulary and others may require prior authorization from the plan before being filled. Members may request a medical necessity waiver from the plan to obtain medications that require prior authorization or medications that are excluded from formulary.
- **We have a managed formulary.** If your provider believes a name brand product is necessary or there is no generic available, a name brand drug from a formulary list may be prescribed. This list of name brand drugs is a preferred list of drugs that we selected to meet patient needs at a lower cost. Please see our online formulary and drug pricing search tools at the following www.carefirst.com/fedhmo To order a prescription drug brochure, you may contact **CVS Health** at **(800) 241-3371**.
- **These are the dispensing limitations.** You can receive up to 34 days' worth of medication for each fill of prescriptions at a local Plan pharmacy. In addition, you can receive up to 90 days of medications through our mail order pharmacy program or through a local pharmacy, and will pay two (2) copays. Your copay will be \$0, \$50, \$75 or \$150 for a 34-day supply or less at the retail pharmacy and twice that amount for 35-day supply or greater up to 90 days. You can purchase the same prescriptions through the mail order service that can be purchased through your community pharmacy. In most cases, you can get a refill once you have taken 75% of the medication. Your prescription will not be refilled prior to the 75% usage guidelines. A generic equivalent will be dispensed if it is available, unless your physician specifically requires a name brand. Certain drugs require clinical prior authorization. Contact the Plan for a listing of which drugs are subject to the prior authorization policy. Prior authorization may be initiated by the Prescriber or the pharmacy by calling **CVS Health** at **(800)241-3371**.
- **Why use generic drugs?** A generic drug is the chemical equivalent of a corresponding brand name drug dispensed at a lower cost. You can reduce your out-of-pocket expenses by choosing a generic drug over a brand name drug. Please check the detailed charts in this section to see what you would pay should you get the brand named drug when a generic equivalent is available. If a drug is not available in a generic form, the appropriate brand copay will apply. Mandatory Generic Drug Substitution applies to this plan. If your physician writes "Dispense as Written" for the brand name drug, and you receive a brand name drug when a Federally approved generic drug is available, you will have to pay the difference in cost between the brand name drug and the generic plus the brand copay.
- **When you do have to file a claim.** Call our preferred drug vendor, **CVS Health** at **(800)241-3371** to order prescription drug claim forms. You will send the prescription drug claim form to: **CVS Health, P.O. Box 52136, Phoenix, AZ 85072**.
- **Specialty drugs are covered** exclusively through CVS Specialty. Specialty drugs are high-cost, prescription drugs used to treat serious or chronic medical conditions and require special handling (such as refrigeration), administration or monitoring. Through CVS Specialty, you will receive convenient mail delivery to the address of your choice including your home, doctor's office or a CVS Pharmacy location. CVS Specialty provides your specialty drugs and personalized pharmacy care management services including:
 - Access to a team of clinicians specially trained in your condition
 - On-call pharmacist 24 hours a day, seven days a week
 - Coordination of care with you and your doctor
 - Drug and condition-specific education and counseling
 - Insurance and financial coordination assistance
- **Your doctor may send a prescription to CVS Specialty via e-prescription, phone (800-799-0692), or fax (855-296-0210).**

Benefit Description	You pay After the calendar year deductible
Covered medications and supplies	HDHP

• <i>Nonprescription medications unless specifically indicated elsewhere</i> • <i>Fertility drugs that are not deemed medically necessary.</i> • <i>Drugs prescribed in connection with Sex-Trait Modification for treatment of gender dysphoria</i> <i>Sex-Trait Modification:</i> <i>If you are mid-treatment under this Plan, within a surgical or chemical regimen for Sex-Trait Modification for diagnosed gender dysphoria, for services for which you received coverage under the 2025 Plan brochure, you may seek an exception to continue care for that treatment. Our exception process is as follows:</i> Members over the age of 18 that did not change plans during Open Enrollment and have a diagnosis of gender dysphoria with documented authorization, claims history, or prescriptions prior to January 2026 are potentially eligible for an exception. Member requests for coverage will be reviewed individually to confirm initiation of treatment prior to January 1, 2026, and the clinical necessity for continuation. Maintenance services are not eligible for an exception. To request a surgical exception your provider must submit a Precertification Request for Authorization of Services via the CareFirst Provider Portal or by completing the <u>Precertification Request for Authorization of Services</u> form. To request an exception for hormone treatment your provider must submit a Prior Authorization request found at <u>https://www.carefirst.com/fedhmo/faqs/gender-dysphoria.html</u> <i>If you disagree with our decision on your exception, please see Section 8 of this brochure for the disputed claims process.</i> <i>Individuals under age 19 are not eligible for exceptions related to services for ongoing surgical or hormonal treatment for diagnosed gender dysphoria.</i> Note: Drugs that do not require a prescription by Federal law (Over-the-counter medications) that are not part of the preventive drug benefit. Listed preventive care over-the-counter drugs can be submitted only if the member presents a prescription form completed by an authorized provider.	<i>All Charges</i>

Benefit Description	You pay After the calendar year deductible
Preventive Medications	HDHP
The following are covered: - Preventive Medications with USPSTF A and B recommendations. These may include some over-the-counter vitamins, nicotine replacement medications, and low dose aspirin for certain patients. For current recommendations go to www.uspreventiveservicestaskforce.org/BrowseRec/Index/browse-recommendations - Preventive Care medications to promote better health as recommended by ACA includes the following: - Men and women ages 40 through 75 years old - No quantity limit - No prior authorization - Low to moderate dose statins, generics only (no high dose or brand statins are included) - The following generic drugs are covered without cost-share as prescribed by a health care professional and filled at a network pharmacy and will be made available as follows: - Atorvastatin 10 mg, 20 mg - Fluvastatin 20 mg, 40 mg - Fluvastatin ER 80 mg - Lovastatin 10 mg, 20 mg, 40 mg - Pravastatin 10 mg, 20 mg, 40 mg, 80 mg - Rosuvastatin 5 mg, 10 mg - Simvastatin 5 mg, 10 mg, 20 mg, 40 mg Note: For statin prescriptions outside of these age ranges and/or strengths our standard plan benefits will apply.	Nothing: when prescribed by a healthcare professional and filled by a network pharmacy.

Section 5(g). Dental Benefits

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP) Dental Plan, your FEHB Plan will be first/primary payor of any Benefit payments and your FEDVIP Plan is secondary to your FEHB Plan. *See Section 9, Coordinating benefits with other coverage.*
- Plan dentists must provide or arrange your care.
- We cover hospitalization for dental procedures only when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. *See Section 5(c) for inpatient hospital benefits.* We do not cover the dental procedure unless it is described below.
- Please remember that, when you see providers who are not contracted with CareFirst BlueCross BlueShield or are not participating in any of our networks, you may be responsible for any amount in excess of our allowed benefit in addition to the appropriate deductible and copay.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You pay After the calendar year deductible
Accidental injury benefit	HDHP
We cover restorative services and supplies necessary to promptly repair (but not replace) sound natural teeth. The need for these services must result from an accidental injury.	In-network: • \$35 visit copay Out-of-network: • \$80 visit copay
Dental benefits	HDHP
We have no other benefits	<i>All charges</i>

Section 5(h). Wellness and Other Special Features

Feature	Description
Flexible benefits option	Under the flexible benefits option, we determine the most effective way to provide services. • We may identify medically appropriate alternatives to regular contract benefits as a less costly alternative. If we identify a less costly alternative, we will ask you to sign an alternative benefits agreement that will include all of the following terms in addition to other terms as necessary. Until you sign and return the agreement, regular contract benefits will continue. • Alternative benefits will be made available for a limited time period and are subject to our ongoing review. You must cooperate with the review process. • By approving an alternative benefit, we do not guarantee you will get it in the future. • The decision to offer an alternative benefit is solely ours, and except as expressly provided in the agreement, we may withdraw it at any time and resume regular contract benefits. • If you sign the agreement, we will provide the agreed-upon alternative benefits for the stated time period (unless circumstances change). You may request an extension of the time period, but regular contract benefits will resume if we do not approve your request. • Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process. However, if at the time we make a decision regarding alternative benefits, we also decide that regular contract benefits are not payable, then you may dispute our regular contract benefits decision under the OPM disputed claim process (see Section 8).
24 hour nurse line	If you have any health concerns, call FirstHelp at (800) 535-9700, 24 hours a day, 7 days a week and talk with a registered nurse who will discuss treatment options and answer your health questions.
Services for deaf and hearing impaired	Our TTY number for Customer Service is (202) 479-3546.
Care Team Program	We provide programs for members diagnosed with coronary artery disease, congestive heart failure, diabetes, cancer, asthma, high-risk OB, and other chronic conditions. These programs are designed to help you better understand and manage your condition. Our Care Team Program benefits may include: • Educational materials, such as self-monitoring charts, resource listings, self-care tips, and a quarterly newsletter • A health assessment and nurse consultation • Access to a 24-hour Nurse Advisor help line Please call us at (800) 783-4582 for more information about our Care Team Program.
Guest membership	If you, or one of your covered family members, move outside of our service area for an extended period of time (for example, if your child goes to college in another state), you may be able to take advantage of our Guest Membership Program. This program may allow you or your dependents the option to utilize the benefits of an affiliated BlueCross BlueShield HMO. Please contact us at (888) 452-6403 for more information on the Guest Membership Program.

Blue Rewards	Financial incentives can effectively encourage Members to take an active role in their own health. Through Blue Rewards - the CareFirst Health and Wellness Incentive Program - Members can earn a reward for completing specific activities that increase the likelihood of success in their wellness efforts. The Blue Rewards incentive program will include Subscribers and Spouse/Domestic Partners for all CareFirst medical plans to encourage initial and ongoing engagement. Blue Rewards will feature three types of rewards 1) participation-based rewards, 2) ongoing rewards, and 3) coaching rewards: Both you and your spouse/domestic partner will be rewarded for completing one, or all of the following activities: 1. Choose a PCP AND complete their health screening with your PCP or at a CVS MinuteClinic to earn \$100. You must complete within 180 days of your effective date. 2. Complete a health assessment AND provide consent to receive wellness related communications (emails) to earn \$50. You must complete within 180 days of your effective date. 3. Retake by updating/confirming responses to your health assessment. Answers must be updated or confirmed no earlier than 90 days after the original assessment, and before the end of the benefit period to earn \$50. 4. Participate in Health Coaching Sessions. You may earn rewards for completing one (1), two (2), or three (3) coaching sessions. Completing coaching sessions are based on member participation and not dependent on achieving an outcome and/or health- related goal. Only one (1) coaching session per 2-60 days will count towards an incentive. Members will earn \$30 for coaching session one, \$70 for coaching session two, and \$100 for coaching session three. A maximum of three (3) coaching sessions per Benefit Period will count towards the incentive. Members will receive their incentive in the form of a medical expense debit card to help pay for deductibles, copays, and coinsurance for CareFirst health, pharmacy, vision, and dental costs. If you are enrolled in a medical health plan with a health savings account (HSA), you will need to meet your IRS minimum deductible before using the Blue Rewards medical incentive debit card. If you have CareFirst vision or dental benefits, you can certify to only use the card for eligible vision/dental expenses prior to meeting their deductible. The debit card reduces barriers to care and is preloaded with Merchant Category Codes (MCC) for eligible medical expenses that dictate whether the card will work at a specific location. If the member tries to use the card at a location where the MCC is not loaded, the card will reject the charge. To get started, visit carefirst.com/wellbeing. You'll need to complete the one-time registration to link your CareFirst account information. This will help personalize your experience.
SmartShopper Program	The SmartShopper incentive and engagement Program is available to Subscribers and Spouses for all CareFirst medical plans. A Member is eligible to participate in the program if they require a specific treatment or procedure as specified by CareFirst. A Member is able to utilize the SmartShopper Program by means of CareFirst's integrated digital tool or by calling 888-345-2873 and speaking with a member of the Personal Assistant Team ("PAT"). Members are able to earn rewards for selecting the most cost-effective providers and site of service for care. A Member will receive an incentive for each service or category of Comparable Health Care Service resulting from comparison shopping and there is no limit on the Incentive amount(s) a member may earn in the benefit period. Members will receive their incentive in the form of a medical expense debit card to help pay for deductibles, copays, and coinsurance for CareFirst health, pharmacy, vision, and dental costs. Members who choose the high-deductible health plan option, and choose to fund their account, are not allowed to use their card funds for eligible medical and/or prescription expenses until first satisfying their IRS minimum deductible. However, these members can use the card funds for eligible dental and or vision expenses that are part of the benefit plan.

	Note: Members with primary coverage under Medicaid or Medicare are not eligible to receive incentive rewards under the SmartShopper program.
Ovia Health	Included with your CareFirst WellBeing program for members 18 and over, Ovia offers support for reproductive health, including conceiving, pregnancy, post- partum, parenting, and perimenopause/ menopause. Users will choose their goal and Ovia will customize the member experience to deliver personalized insights, tips and content - which includes access to Care Advocates and coaches specializing in reproductive health. Follow these steps to get started today! 1. Log in to your CareFirst WellBeing account (or create one at carefirst.com/wellbeing) 2. Under Achieve, choose Programs to view your women's health programs 3. Select Ovia and follow the prompts to get started 4. Download the Ovia app and explore
Noom Med	Noom Med is a medically supervised weight-loss program. Eligible members receive a customized treatment plan, ongoing clinical support and, when appropriate, prescription medications like oral anti-obesity medications (AOMs) or injectable glucagon-like peptide-1 medications (GLP-1s) for weight management. With Noom Med, you can: • Connect with a clinician for an in-depth evaluation. • Receive a customized treatment plan targeting your specific needs. • Determine if you qualify for a weight management medication— and if you do, obtain that medication prescribed directly through the Noom Med program. • Get ongoing support from a health coach and peer support groups to help you stay motivated. Eligibility Requirements To be eligible for Noom Med, you must be 18 years and older and either: • Have a Body Mass Index (BMI) of 30 or higher; or • Have a BMI of 27 or higher AND one or more comorbidities. <i>Members are ineligible for Noom Med while pregnant or breastfeeding.</i> Note: To have your AOMs or GLP-1 prescriptions for weight management covered through CareFirst, they must be prescribed by the Noom Med Care Team. If you try to fill a AOM or GLP-1 prescription from another prescriber, such as your primary care provider, the prescription will be denied at the pharmacy. You'll need to call CareFirst Member Services at 888-789-9065 to discuss how to access these prescription(s) through Noom Med.

Section 5(i). Health Education Resources and Account Management Tools

Special features	Description
Health education resources www.carefirst.com/fedhmo Visit our expanded web option	<i>My Account</i> This tool gives members access to their claims and benefit eligibility information when they log in to the secure, password-protected site. Each covered member over the age of 14 may create their own user ID and password. After creating a password, members can: • View who is covered under their contract • Current and historical claims status • Order a new ID card Additional features include: • Drug pricing tool • Hospital comparison tool • Treatment cost estimator • Provider Directory with special information • Health Risk Assessment <i>My CareFirst</i> This is our member health and wellness section. Here you can find: • Health Library of Medical Conditions • Health Lifestyle Section: Nutrition, Fitness, etc. • Personal Health page, with tracking tools and assistance setting health and wellness goals <i>Telephonic Health Coaching</i> The healthy lifestyle coaching program fills a void between healthy employees and those who suffer from chronic diseases. Employees who are at high risk for future disease as identified by MyHealthProfile are invited to participate in healthy lifestyle coaching sessions. • These are scheduled phone conversations where employees develop a relationship with a clinician (health coach) trained in motivational interviewing and in behavior change theory. The health coach identifies a number of factors including the employee's existing barriers to change and their readiness to change. The health coach then helps the employee set achievable short-term and long-term goals so they can make a permanent change in health behavior.
Account management tools	For each HSA and HRA account holder, we maintain a complete claims payment history online through www.carefirst.com/fedhmo Your balance will also be shown on your explanation of benefits (EOB) form. You will receive an EOB after every claim. If you have an HSA: • Once your account is activated, periodic accounts statements will be available • To receive electronic statements: - Log on on to www.carefirst.com/fedhmo to complete initial registration and gain entry to "My Account" • You may also access your account on-line at www.carefirst.com/fedhmo

	If you have an HRA: • Your balance will also be shown on your EOB form. • Log on on to www.carefirst.com/fedhmo • Your HRA balance will be available online after you login through www.carefirst.com/fedhmo then click on "Coverage" and under "My Plan" click on "BlueFund HRA."
Consumer choice information	As a member of BlueChoice Advantage HDHP, you may choose any provider. However, you will receive discounts when you see a network provider. Directories are available online at www.carefirst.com/fedhmo. Pricing information for medical care and prescription drugs is available at www.carefirst.com/fedhmo. Link to online pharmacy through www.carefirst.com/fedhmo. Educational materials on the topics of HSAs, HRAs and HDHPs are available at www.carefirst.com/fedhmo.
Care support	Patient safety information is available online at www.carefirst.com/fedhmo/html/health-wellness.

Non-FEHB benefits available to Plan members

The benefits on this page are not part of the FEHB contract or premium, and you cannot file an FEHB disputed claim about them. Fees you pay for these services do not count toward FEHB deductibles or out-of-pocket maximums. These programs and materials are the responsibility of the Plan and all appeals must follow their guidelines. For additional information, contact the Plan at (888)789-9065 or visit their website at www.carefirst.com/fedhmo

Options/Blue365 Discount Programs

As a member, you have access to fitness centers, acupuncture, spas, chiropractic care, nutritional counseling, laser vision correction, hearing aids and more. Visit www.carefirst.com/options to learn more.

Dental Savings Plan

BlueChoice Discount Dental Program -- "Save 20%-40% off most dental procedures including routine office visits, x-rays, exams, fillings, root canals and even orthodontics. The BlueChoice Discount Dental Program is included at no additional charge as part of your CareFirst BlueChoice medical plan and is administered by The Dental Network, an independent licensee of the Blue Cross and Blue Shield Association. There is no separate ID card. To get your dental services at discounted fees, simply present your BlueChoice member ID card when you visit any participating provider. There are no claim forms, no maximums, and no deductibles. To find a participating provider, search our online provider directory at www.carefirst.com/fedhmo. If you have any questions regarding the discount dental program, please call 844-495-0653.

MediGap-65 and Supplement-65 Medicare Supplemental Plans (For Medicare-eligible individuals in Maryland, District of Columbia and Northern Virginia)

Choose from eight (8) CareFirst Medicare Supplemental plans to give you protection against the important costs Medicare doesn't cover—costs that can add up to thousands of dollars each year.

Dental Plans (For Maryland, District of Columbia and Northern Virginia residents) Regular, preventive dental care is an important part of staying healthy. That's why CareFirst brings you 4 dental plans:

- Dental HMO (Less than \$.35 a day) 580+ participating providers and predictable copayments for routine and major dental services (Administered by The Dental Network in MD and CareFirst BlueChoice, Inc. in DC and VA)
- Preferred Dental (Less than \$.50 a day) 3,600+ participating providers and 100% coverage for preventive and diagnostic care (Administered by Group Hospitalization and Medical Services, Inc. in DC and VA)
- BlueDental Preferred (Less than \$1.00 a day) and Preferred Dental Plus (Less than \$1.30 a day) - 63,000+ network providers, 100% coverage for preventive and diagnostic care and extensive benefits for major dental services (Administered by CareFirst of Maryland, Inc. in MD and by Group Hospitalization and Medical Services, Inc. in DC and VA)

Section 6. General Exclusions – Services, Drugs and Supplies We Do Not Cover

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition. For information on obtaining prior approval for specific services, such as transplants, see Section 3, *You need prior approval for certain services*.**

We do not cover the following:

- Services, drugs, or supplies you receive while you are not enrolled in this Plan.
- Services, drugs, or supplies not medically necessary.
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice.
- Experimental or investigational procedures, treatments, drugs or devices (see specifics regarding transplants).
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest.
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.
- Services, drugs, or supplies you receive without charge while in active military service.
- Services or supplies for which no charge would be made if the covered individual had no health insurance coverage.
- Services or supplies furnished by yourself, immediate relatives or household members, such as spouse, parents, children, brothers or sisters by blood, marriage or adoption.
- Services or supplies furnished or billed by a non-covered facility, exception being medically necessary prescription drugs and physical, speech and occupational therapy rendered by a qualified professional therapist on an outpatient basis are covered subject to Plan Limits.
- Charges which the enrollee or Plan has no legal obligation to pay, such as excess charges for an annuitant age 65 or older who is not covered by Medicare Parts A and/or B, doctor's charges exceeding the amount specified by the Department of Health Medicare limiting charge, or State premium taxes however applied).
- Services or supplies we are prohibited from covering under the law.
- Chemical or surgical modification of an individual's sex traits through medical interventions (to include "gender transition" services), other than mid-treatment exceptions, see Section 3. How You Get Care.
- Any benefits or services required solely for your employment are not covered by this plan.

Section 7. Filing a Claim for Covered Services

This Section primarily deals with post-service claims (claims for services, drugs or supplies you have already received). See Section 3 for information on pre-service claims procedures (services, drugs or supplies requiring prior Plan approval), including urgent care claims procedures. When you see Plan providers, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment, coinsurance, or deductible.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider.

How to claim benefits

To obtain claim forms, claims filing advice or answers about our benefits, contact us at (888) 789-9065, or on our website at www.carefirst.com/fedhmo. You can also submit your claim and supporting documents electronically through our member portal MyAccount.

In most cases, providers and facilities file claims for you. Provider must file the form CMS-1500, Health Insurance Claim Form. Your facility will file the UB-04 form.

When you must file a claim – such as for services you received overseas or when another group health plan is primary – submit it on the CMS-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Patient's name, date of birth, address, phone number and relationship to enrollee
- Patient's Plan identification number
- Name and address of the provider or facility providing the service or supply
- Dates that services or supplies were furnished
- Diagnosis
- Type of each service or supply
- Charge for each service or supply

Note: Canceled checks, cash register receipts, or balance due statements are not acceptable substitutes for itemized bills.

In addition:

- If another health plan is your primary payor, you must send a copy of the explanation of benefits (EOB) form you received from your primary payor (such as the Medicare Summary Notice (MSN)) with your claim.
- Bills for home nursing care must show that the nurse is a registered or licensed practical nurse.
- If your claim is for the rental or purchase of durable medical equipment; private duty nursing; and/or physical therapy, occupational therapy, or speech therapy, you must provide a written statement from the physician specifying the medical necessity for the service or supply and the length of time needed.
- Claims for prescription drugs and supplies must include receipts that show the prescription number, name of drug or supply, prescribing physician's name, date, and charge.
- We will provide translation and currency conversion services for claims for overseas (foreign) services.

Deadline for filing your claim

Send us all the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service. If you could not file on time because of Government administrative operations or legal incapacity, you must submit your claim as soon as reasonably possible. Once we pay benefits there is a (3) three-year limitation on the reissuance of uncashed checks.

Post service claims procedure	We will notify you of our decision within 30 days after we receive your post-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you before the expiration of the original 30-day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected. If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information. If you do not agree with our initial decision, you may ask us to review it by following the disputed claims process detailed in Section 8 of this brochure.
Records	Keep a separate record of the medical expenses of each covered family member as deductibles and maximum allowances apply separately to each person. Save copies of all medical bills, including those you accumulate to satisfy a deductible. In most instances they will serve as evidence of your claim. We will not provide duplicate or year-end statements.
Overseas claims	For covered services you receive by providers and hospitals outside the United States and Puerto Rico, send a completed Overseas Claim Form and the itemized bills to: BlueCard Worldwide Service Center, P.O. Box 72017, Richmond, VA 23255-2017 USA. Obtain Overseas Claim Forms from our website, www.carefirst.com/fedhmo. If you have questions about the processing of overseas claims contact (800) 810-2583.
When we need more information	Please reply promptly when we ask for additional information. We may delay processing or deny benefits for your claim if you do not respond. Our deadline for responding to your claim is stayed while we await all of the additional information notified to process your claim.
Authorized representative	You may designate an authorized representative to act on your behalf for filing a claim or to appeal claims decisions to us. For urgent care claims, we will permit a health care professional with knowledge of your medical condition to act as your authorized representative without your express consent. For the purposes of this section, we are also referring to your authorized representative when we refer to you.
Notice Requirements	If you live in a county where at least 10% of the population is literate only in a non-english language (as determined by the Secretary of Health and Human Services), we will provide language assistance in that non-English language. You can request a copy of your Explanation of Benefits (EOB) statement, related correspondence, oral language service (such as phone customer assistance), and help with filing claims and appeals (including external reviews) in the applicable non-English language. The English versions of your EOBs and related correspondence will include information in the non-English language about how to access language services in that non-English language. Any notice of an adverse benefit determination or correspondence from us confirming an adverse benefit determination will include information sufficient to identify the claim involved (including the date of service, the healthcare provider, and the claim amount, if applicable), and a statement describing the availability, upon request, of the diagnosis and procedure codes.

Section 8. The Disputed Claims Process

You may appeal directly to the Office of Personnel Management (OPM) if we do not follow required claims processes. For more information about situations in which you are entitled to immediately appeal to OPM, including additional requirements not listed in Sections 3, 7 and 8 of this brochure, please call your plan's customer service representative at the phone number found on your enrollment card, plan brochure, or plan website.

Please follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your post-service claim (a claim where services, drugs or supplies have already been provided). In Section 3 *If you disagree with our pre-service claim decision*, we describe the process you need to follow if you have a claim for services, referrals, drugs or supplies that must have prior Plan approval, such as inpatient hospital admissions.

To help you prepare your appeal, you may arrange with us to review and copy, free of charge, all relevant materials and Plan documents under our control relating to your claim, including those that involve any expert review(s) of your claim. To make your request, please contact our Customer Service Department by writing to Mail Administrator, P.O. Box 14114, Lexington, KY 40512-4114 or calling (888) 789-9065.

Our reconsideration will take into account all comments, documents, records, and other information submitted by you relating to the claim, without regard to the initial benefit determination or whether the information was submitted or consideration the initial benefit determination.

When our initial decision is based (in whole or in part) on a medical judgment (i.e., medical necessity, experimental/investigational), we will consult with a healthcare professional who has appropriate training and experience in the field of medicine involved in the medical judgment and who was not involved in making the initial decision.

Our reconsideration will not take into account the initial decision. The review will not be conducted by the same person, or their subordinate who made the initial decision.

We will not make our decisions regarding hiring, compensation, termination, promotion, or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) based upon the likelihood that the individual will support the denial of benefits.

Disagreements between you and the HDHP fiduciary regarding the administration of an HSA or HRA are not subject to the disputed claims process.

Step	Description
1	Ask us in writing to reconsider our initial decision. You must: a) Write to us within 6 months from the date of our decision; and b) Send your request to us at: Mail Administrator, P.O. Box 14114, Lexington, KY 40512-4114; and c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms e) Include your email address (optional for member), if you would like to receive our decision via email. Please note that by giving us your email, we may be able to provide our decision more quickly. We will provide you, free of charge and in a timely manner, with any new or additional evidence considered, relied upon, or generated by us or at our direction in connection with your claim and any new rationale for our claim decision. We will provide you with this information sufficiently in advance of the date that we are required to provide you with our reconsideration decision to allow you a reasonable opportunity to respond to us before that date. However, our failure to provide you with new evidence or rationale in sufficient time to allow you to timely respond shall not invalidate our decision on reconsideration. You may respond to that new evidence or rationale at the OPM review stage described in step 4.
2	In the case of a post-service claim, we have 30 days from the date we receive your request to:

- a) Pay the claim or
- b) Write to you and maintain our denial or
- c) Ask you or your provider for more information

You or your provider must send the information so that we receive it with 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.

3

If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within:

- 90 days after the date of our letter upholding our initial decision; or
- 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or
- 120 days after we asked for additional information.

Write to OPM at: United States Office of Personnel Management, Healthcare and Insurance, Federal Employee Insurance Operations, FEHB 2, 1900 E Street, NW, Washington, DC 20415-3630.

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call; and/or
- Your email address, if you would like to receive OPM's decision via email. Please note that by providing your email address, you may receive OPM's decision more quickly.

Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request. However, for urgent care claims, a healthcare professional with knowledge of your medical condition may act as your authorized representative without your express consent.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

4

OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision or notify you of the status of OPM's review within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to file a lawsuit. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not file a lawsuit until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

Note: If you have a serious or life threatening condition (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and you did not indicate that your claim was a claim for urgent care, then call us at (888) 789-9065. We will expedite our review (if we have not yet responded to your claim); or we will inform OPM so they can quickly review your claim on appeal. You may also call OPM's FEHB 2 at (202) 606-3818 between 8 a.m. and 5 p.m. Eastern Time.

Please remember that we do not make decisions about Plan eligibility issues. For example, we do not determine whether you or a family member is covered under this Plan. You must raise eligibility issues with your Agency personnel/payroll office if you are an employee, your retirement system if you are an annuitant or the Office of Workers' Compensation Programs if you are receiving workers' compensation benefits.

Section 9. Coordinating Benefits with Medicare and Other Coverage

When you have other health coverage

You must tell us if you or a covered family member has coverage under any other group health plan or has automobile insurance that pays healthcare expenses without regard to fault. This is called "double coverage".

When you have double coverage, one plan normally pays its benefits in full as the primary payor and the other plan pays a reduced benefit as the secondary payor. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners' (NAIC) guidelines. For more information on NAIC rules regarding the coordinating of benefits, visit our website at www.carefirst.com/fedhmo

When we are the primary payor, we will pay the benefits described in this brochure.

When we are the secondary payor, we will determine our allowance. After the primary processes the benefit, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

• TRICARE and CHAMPVA

TRICARE is the healthcare program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. If TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium (OPM does not contribute to any applicable plan premiums). For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the TRICARE or CHAMPVA.

• Workers' Compensation

Every job-related injury or illness should be reported as soon as possible to your supervisor. Injury also means any illness or disease that is caused or aggravated by the employment as well as damage to medical braces, artificial limbs and other prosthetic devices. If you are a federal or postal employee, ask your supervisor to authorize medical treatment by use of form CA-16 before you obtain treatment. If your medical treatment is accepted by the Dept. of Labor Office of Workers' Compensation (OWCP), the provider will be compensated by OWCP. If your treatment is determined not job-related, we will process your benefit according to the terms of this plan, including use of in-network providers. Take form CA-16 and form OWCP-1500/HCF-1500 to your provider, or send it to your provider as soon as possible after treatment, to avoid complications about whether your treatment is covered by this plan or by OWCP.

We do not cover services that:

- You (or a covered family member) need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar federal or state agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

• Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar state-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these state programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the state program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, state, or federal government agency directly or indirectly pays for them.

When others are responsible for injuries

Our right to pursue and receive subrogation and reimbursement recoveries is a condition of, and a limitation on, the nature of benefits or benefit payments and on the provision of benefits under our coverage.

If you have received benefits or benefit payments as a result of an injury or illness and you or your representatives, heirs, administrators, successors, or assignees receive payment from any party that may be liable, a third party's insurance policies, your own insurance policies, or a workers' compensation program or policy, you must reimburse us out of that payment. If you do not seek damages for your illness or injury, you must permit us to initiate recovery on your behalf (including the right to bring suit in your name). This is called subrogation. Our right to pursue and receive subrogation and reimbursement recoveries is a condition of, and a limitation on, the nature of benefits or benefit payments and on the provision of benefits under our coverage. Our right of reimbursement extends to any payment received by settlement, judgment, or otherwise.

We are entitled to reimbursement to the extent of the benefits we have paid or provided in connection with your injury or illness. However, we will cover the cost of treatment that exceeds the amount of the payment you received.

Reimbursement to us out of the payment shall take first priority (before any of the rights of any other parties are honored) and is not impacted by how the judgment, settlement, or other recovery is characterized, designated, or apportioned. Our right of reimbursement is not subject to reduction based on attorney fees or costs under the "common fund" doctrine and is fully enforceable regardless of whether you are "made whole" or fully compensated for the full amount of damages claimed.

We may, at our option, choose to exercise our right of subrogation and pursue a recovery from any liable party as successor to your rights.

If you do pursue a claim or case related to your injury or illness, you must promptly notify us and cooperate with our reimbursement or subrogation efforts.

If another person or entity, through an act or omission, causes you to suffer an injury or illness, and if we paid benefits for that injury or illness, you must agree to the provisions listed below. In addition, if you are injured and no other person or entity is responsible but you receive (or are entitled to) a recovery from another source, and if we paid benefits for that injury, you must agree to the provisions below. These provisions constitute a condition of and a limitation on the nature of benefits or benefit payments and the provision of benefits to you. These provisions apply to all situations where we provide benefits and you have a right to recover damages under any law or type of insurance, including but not limited to:

- Automobile liability, uninsured or underinsured coverage,
- No-fault insurance, regardless of whether that insurance is primary or secondary to other plans,
- Homeowners or property insurance,
- Business, personal or umbrella liability coverage,

- Workers' compensation,
- Payments made directly by responsible individuals,
- Trust funds or accounts established from the proceeds of settlements, judgments, or awards received paid by responsible parties or payors.

All of our benefit payments in these circumstances are conditional, and remain subject to our contractual benefit limitations, exclusions, and maximums. By accepting these conditional benefits, you agree to the following:

- All recoveries you or your representatives obtain (whether by lawsuit, settlement, insurance or benefit program claims, or otherwise), no matter how characterized, designated, or apportioned, must be used to reimburse us in full for benefits we paid. Our recovery must be effectuated first before any of the rights of other parties are effectuated. Our share of any recovery extends only to the amount of benefits we have paid or will pay to you or your representatives. For purposes of this provision, “you” includes your covered dependents, and “your representatives” include, if applicable, your heirs, administrators, legal representatives, parents (if you are a minor), successors, or assignees. This is our right of recovery.
- We are entitled under our right of recovery to be reimbursed for our benefit payments even if you are not “made whole” for all of your damages in the recoveries that you receive. Our right of recovery is not subject to reduction for attorney’s fees and costs under the “common fund” or any other doctrine.
- We will not reduce our share of any recovery unless, in the exercise of our discretion, we agree in writing to a reduction (1) because you do not receive the full amount of damages that you claimed or (2) because you had to pay attorneys’ fees.
- You must cooperate in doing what is reasonably necessary to assist us with our right of recovery. You must not take any action that may prejudice our right of recovery.
- If you do seek damages for your illness or injury, you must tell us promptly that you have made a claim against another party for a condition that we have paid or may pay benefits for, you must seek recovery of our benefit payments and liabilities, and you must tell us about any recoveries you obtain, whether in or out of court. We may seek a first priority lien on the proceeds of your claim in order to reimburse ourselves to the full amount of benefits we have paid or will pay. Our lien will apply to any settlements, judgments, and/or recoveries that you obtain from any source, no matter how characterized (e.g., as “pain and suffering” or “non-medical”, or “other.”)

We may request that you sign a reimbursement agreement and/or assign to us (1) your right to bring an action or (2) your right to the proceeds of a claim for your illness or injury. We may delay processing of your claims until you provide the signed reimbursement agreement and/or assignment, and we may enforce our right of recovery by offsetting future benefits. To avoid any unnecessary delay in processing benefits, it is essential that you and any dependent covered by this plan cooperate with our investigation and recovery efforts. You or your legal representative can also avoid delays by notifying us in writing within 30 days of making a claim against any responsible party or payor for illness or injury that requires medical attention and to notify us at least 10 days prior to reaching agreement with any other responsible party or payor when we have provided benefits for your illness or injury.

Contact us if you need more information about our recovery rights.

When you have Federal Employees Dental and Vision Insurance Plan coverage (FEDVIP) coverage

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision and dental plan, coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and or vision plan at www.BENEFEDS.gov or by phone at (877) 888-3337 (TTY 877-889-5680), you will be asked to provide information on your FEHB plan so that your plan can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

Clinical Trials

An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition and is either Federally funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration; or is a drug trial that is exempt from the requirement of an investigational new drug application.

If you are a participant in a clinical trial, this health plan will provide related care as follows, if it is not provided by the clinical trial:

- Routine care costs- Costs for routine services such as doctor visits, lab tests, X-rays and scans, and hospitalizations related to treating the patient's condition, whether the patient is in a clinical trial or is receiving standard therapy. These costs are covered by this plan.
- Extra care costs-costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care. This plan covers some of these costs, providing the plan determines the services are medically necessary. For more specific information. We encourage you to contact the plan to discuss specific services if you participate in a clinical trial.
- Research costs-costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. These costs are generally covered by the clinical trials. This Plan does not cover these costs.

When you have Medicare

For more detailed information on “What is Medicare?” and “Should I Enroll in Medicare?” please contact Medicare at 1-800-MEDICARE (800-633-4227), (TTY 877-486-2048) or at www.medicare.gov

The Original Medicare Plan (Part A or Part B)

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

All physicians and other providers are required by law to file claims directly to Medicare for members with Medicare Part B when Medicare is primary. This is true whether or not they accept Medicare.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care. Your care must continue to be authorized by your Plan PCP, or precertified as required.

Claims process when you have the Original Medicare Plan - You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

When we are the primary payor, we process the claim first.

When Original Medicare is the primary payor, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. When the benefit design includes coinsurance, the members' coinsurance is based on the remaining charge after Medicare's payment, not on the allowance. To find out if you need to do something to file your claim, call us at (888) 789-9065 or see our Web site at www.carefirst.com/fedhmo

We waive some costs if the Original Medicare Plan is your primary payor- we will waive some out-of-pocket costs as follows:

- In-network and Out-of-Network copays, coinsurance and deductibles pertaining to medical services and supplies provided by physicians and other Healthcare professionals.

Please review the following examples which illustrate your cost share if you are enrolled in Medicare Part B. If you purchase Medicare Part B, your provider is in our network and participates in Medicare, then we waive some costs because Medicare will be the primary payor.

Benefit Description: Deductible

You Pay without Medicare: Standard BlueChoice: None; **Blue Value Plus:** None; **BlueChoice Advantage HDHP:** \$1,700 Self Only/\$3,400 Self Plus One and Self and Family

You Pay with Medicare Part B: Standard BlueChoice: None; **Blue Value Plus:** None; **BlueChoice Advantage HDHP:** No deductible

Benefit Description: Primary Care Provider

You Pay without Medicare: Standard BlueChoice: \$25 copay; **Blue Value Plus:** \$10 copay; **BlueChoice Advantage HDHP:** \$0 copay

You Pay with Medicare Part B: Standard BlueChoice: Nothing; **Blue Value Plus:** Nothing; **BlueChoice Advantage HDHP:** Nothing

Benefit Description: Specialist

You Pay without Medicare: Standard BlueChoice: \$50 copay; **Blue Value Plus:** \$50 copay; **BlueChoice Advantage HDHP:** \$35 copay

You Pay with Medicare Part B: Standard BlueChoice: Nothing; **Blue Value Plus:** Nothing; **BlueChoice Advantage HDHP:** Nothing

Benefit Description: Out-of-Pocket Maximum

You Pay without Medicare: Standard BlueChoice: \$6,500 Self Only/\$13,000 per Self Plus One or Self and Family; **Blue Value Plus:** \$7,500 Self Only/\$15,000 per Self Plus One or Self and Family; **BlueChoice Advantage HDHP:** \$6,500 Self Only/\$13,000 per Self Plus One or Self and Family

You Pay with Medicare Part B: Standard BlueChoice: \$6,500 Self Only/\$13,000 per Self Plus One or Self and Family; **Blue Value Plus:** \$7,500 Self Only/\$15,000 per Self Plus One or Self and Family; **BlueChoice Advantage HDHP:** \$6,500 Self Only/\$13,000 per Self Plus One or Self and Family

Benefit Description: Inpatient Hospital

You Pay without Medicare: Standard BlueChoice: 20% of plan allowance; **Blue Value Plus:** 25% of plan allowance; **BlueChoice Advantage HDHP:** After deductible, 20% of plan allowance

You Pay with Medicare Part B: Standard BlueChoice: Nothing; **Blue Value Plus:** Nothing; **BlueChoice Advantage HDHP:** Nothing

Benefit Description: Outpatient Hospital**You Pay without Medicare:**

StandardBlueChoice: Outpatient Hospital (Non-Surgical): \$100 copay per visit; Free standing / Ambulatory Surgical Center: \$100 copay; Outpatient Hospital (Surgical): \$150 copay

Blue Value Plus: Outpatient Hospital (Non-Surgical): \$50 copay per visit; Free standing / Ambulatory Surgical Center: \$150 copay; Outpatient Hospital (Surgical): \$200 copay

BlueChoice Advantage HDHP: Calendar year deductible applies; \$100 copay at an ambulatory surgical center; \$300 copay in the outpatient department of a hospital for surgical procedures; \$200 for non-surgical hospital outpatient admissions

You Pay with Medicare Part B: StandardBlueChoice: Nothing; **Blue Value Plus:** Nothing; **BlueChoice Advantage HDHP:** Nothing

Benefit Description: Part B Premium Reimbursement Offered

You Pay without Medicare: Standard BlueChoice: No premium reimbursement offered; **Blue Value Plus:** No premium reimbursement offered; **BlueChoice Advantage HDHP:** No premium reimbursement offered

You Pay with Medicare: Standard BlueChoice: No premium reimbursement offered; **Blue Value Plus:** No premium reimbursement offered; **BlueChoice Advantage HDHP:** No premium reimbursement offered

Benefit Description: Incentives Offered

You Pay without Medicare: Standard BlueChoice: No incentives offered; **Blue Value Plus:** No incentives offered; **BlueChoice Advantage HDHP:** No incentives offered

You Pay with Medicare:

Standard BlueChoice: In-network and Out-of-Network copays, coinsurance and deductibles pertaining to medical services and supplies provided by physicians and other Healthcare professionals.

Blue Value Plus: In-network copays, coinsurance and deductibles pertaining to medical services and supplies provided by physicians and other Healthcare professionals.

BlueChoice Advantage HDHP: In-network and Out-of-Network copays, coinsurance and deductibles pertaining to medical services and supplies provided by physicians and other Healthcare professionals.

You can find more information about how one plan coordinates benefits with Medicare in CareFirst BlueChoice at www.carefirst.com/fedhmo**Tell us about your Medicare coverage**

You must tell us if you or a covered family member has Medicare coverage and let us obtain information about services denied or paid under Medicare if we ask. You must also tell us about other coverage you or your covered family member(s) may have as this coverage may affect the primary or secondary status of this Plan and Medicare.

- **Medicare Advantage (Part C)**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage. These are private healthcare choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage plans, contact Medicare at 1-800-MEDICARE (800) 633-4227, (TTY (877) 486-2048) or at www.medicare.gov.

If you enroll in a Medicare Advantage plan, the following options are available to you:

This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers). However, we will not waive any of our copayments. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your FEHB enrollment, contact your retirement office or employing office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

- **Medicare prescription drug coverage (Part D)**

When we are the primary payor, we process the claim first. If you enroll in Medicare Part D and we are the secondary payor, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB plan.

Medicare always makes the final determination as to whether they are the primary payor. The following chart illustrates whether Medicare or this Plan should be the primary payor for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly. **(Having coverage under more than two health plans may change the order of benefits determined on this chart.)**

Primary Payor Chart		
A. When you - or your covered spouse - are age 65 or over and have Medicare and you...	The primary payor for the individual with Medicare is...	
	Medicare	This Plan
1) Have FEHB coverage on your own as an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Have FEHB through your spouse who is an active employee		✓
4) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #3 above	✓	
5) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and...		
• You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
6) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge) and you are not covered under FEHB through your spouse under #3 above	✓	
7) Are enrolled in Part B only, regardless of your employment status	✓ for Part B services	✓ for other services
8) Are a Federal employee receiving Workers' Compensation		✓*
9) Are a Federal employee receiving disability benefits for six months or more	✓	
B. When you or a covered family member...		
1) Have Medicare solely based on end stage renal disease (ESRD) and...		
• It is within the first 30 months of eligibility for or entitlement to Medicare due to ESRD (30-month coordination period)		✓
• It is beyond the 30-month coordination period and you or a family member are still entitled to Medicare due to ESRD	✓	
2) Become eligible for Medicare due to ESRD while already a Medicare beneficiary and...		
• This Plan was the primary payor before eligibility due to ESRD (for 30 month coordination period)		✓
• Medicare was the primary payor before eligibility due to ESRD	✓	
3) Have Temporary Continuation of Coverage (TCC) and...		
• Medicare based on age and disability	✓	
• Medicare based on ESRD (for the 30 month coordination period)		✓
• Medicare based on ESRD (after the 30 month coordination period)	✓	
C. When either you or a covered family member are eligible for Medicare solely due to disability and you...		
1) Have FEHB coverage on your own as an active employee or through a family member who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
D. When you are covered under the FEHB Spouse Equity provision as a former spouse	✓	

*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

Section 10. Definitions of Terms We Use in This Brochure

Allowed benefit	For a contracting physician or contracting provider, the allowed benefit is the lesser of: The actual charge; or the amount CareFirst BlueChoice allows for the service in effect on the date that the service is rendered. The benefit payment is made directly to the contracting physician or the contracting provider and is accepted as payment is full, except for any applicable deductible, copayment or coinsurance as stated in the Schedule of Benefits. The member is responsible for any applicable deductible, copayment or coinsurance as stated in the Schedule of Benefits and the contracting physician or contracting provider may bill the member directly for such amounts. For a non-contracting physician or a non-contracting provider, the allowed benefit for a covered service will be determined in the same manner as the allowed benefit for a contracting physician or contracting provider. Benefits may be paid to the member or to the non-contracting physician or non-contracting provider at the discretion of CareFirst BlueChoice. When benefits are paid to the member, it is the member's responsibility to apply any CareFirst BlueChoice payments to the claim from the non-contracting physician or non-contracting provider. Note that, under the hearing aid benefit, the provider may have the member sign a document requiring them to pay an amount which exceeds our allowed benefit for certain services.
Assignment	An authorization by you (the enrollee or covered family member) that is approved by us (the Carrier), for us to issue payment of benefits directly to the provider. • We reserve the right to pay you directly for all covered services. Benefits payable under the contract are not assignable by you to any person without express written approval from us, and in the absence of such approval, any assignment shall be void. • Your specific written consent for a designated authorized representative to act on your behalf to request reconsideration of a claim decision (or, for an urgent care claim, for a representative to act on your behalf without designation) does not constitute an Assignment. • OPM's contract with us, based on federal statute and regulation, gives you a right to seek judicial review of OPM's final action on the denial of a health benefits claim but it does not provide you with authority to assign your right to file such a lawsuit to any other person or entity. Any agreement you enter into with another person or entity (such as a provider, or other individual or entity) authorizing that person or entity to bring a lawsuit against OPM, whether or not acting on your behalf, does not constitute an Assignment, is not a valid authorization under this contract, and is void.
Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Calendar year deductible	A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. See Section 4.
Care Plan	A plan of action developed and submitted to CareFirst by a Primary Care Provider (PCP) who is a member of a Patient-Centered Medical Home panel. This is a customized program designed for members who are at risk for, or suffering from, a chronic disease or illness.

Catastrophic Limit	The annual maximum for out-of-pocket expenses (deductibles, coinsurance and copayments) for covered services limited to a certain dollar amount depending on the plan enrolled. However, certain expenses do not count toward your out-of-pocket maximum and you must continue to pay these expenses once you reach your out-of-pocket maximum (such as expenses in excess of the Plan's allowable amount or benefit maximum). Refer to Section 4, Your catastrophic protection out-of-pocket maximum.
Clinical Trials Cost Categories	An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition and is either Federally funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration; or is a drug trial that is exempt from the requirement of an investigational new drug application. • Routine care costs-costs for routine services such as doctor visits, lab tests, X-rays and scans, and hospitalizations related to treating the patient's condition, whether the patient is in a clinical trial or is receiving standard therapy. • Extra care costs-costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care. • Research costs-costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes are generally covered by the clinical trials. This plan does not cover these costs.
Coinsurance	See Section 4 page 27
Copayment	See Section 4 page 27
Cost-sharing	See Section 4 page 27
Covered services	Care we provide benefits for, as described in this brochure.
Deductible	See Section 4 page 27
Experimental or investigational service	We consider services experimental or investigational if they do not meet the following criteria: • Services legally used in testing or other studies on human patients • Services recognized as safe and effective for the treatment of a specific condition. • Services approved by any governmental authority whose approval is required. • Services approved for human use by the Federal Food and Drug Administration in the case a drug, therapeutic regimen, or device is used.
Group health coverage	Health coverage made available through employment or membership with a particular organization or group.
Health Reimbursement Arrangement (HRA)	An HRA (Health Reimbursement Arrangement) is an employer-funded health plan that reimburses employees for qualified medical expenses, such as deductibles and copayments. HRAs provide tax-free funds to employees for their healthcare costs.
Health Savings Account (HSA)	A Health Savings Account, is a tax-advantaged savings account that works with a high-deductible health plan (HDHP) to cover qualified medical expenses, offering tax deductions on contributions, tax-free growth, and tax-free withdrawals for medical costs.
Healthcare professional	A physician or other health care professional licensed, accredited, or certified to perform specified health services consistent with state law.
Iatrogenic Infertility	An impairment of fertility caused directly or indirectly by surgery, chemotherapy, radiation, or other medical treatment affecting the reproductive organs or processes.

Infertility Infertility is the inability to conceive or produce conception after 1 year of unprotected sex when an individual is under 35 years of age, or 6 months for an individual age 35 through 39 and for ages greater than 40 more immediate consultation, diagnostics and treatment of infertility may be appropriate. There are various reproductive treatments available for people facing infertility, which are customized according to their medical history and diagnostic results.

Medical Foods The term medical food, as defined in Section 5(b) of the Orphan Drug Act (21 U.S.C. 360ee (b) (3)) is “a food which is formulated to be consumed or administered enterally under the supervision of a physician and which is intended for the specific dietary management of a disease or condition for which distinctive nutritional requirements, based on recognized scientific principles, are established by medical evaluation.” In general, to be considered a medical food, a product must, at a minimum, meet the following criteria: the product must be a food for oral or tube feeding; the product must be labeled for the dietary management of a specific medical disorder, disease, or condition for which there are distinctive nutritional requirements; and the product must be intended to be used under medical supervision.

Medical necessity Medically necessary or Medical necessity means health care services or supplies that a health care provider, exercising clinical judgment, renders to or recommends for, a patient for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms. These health care services are:

1. in accordance with generally accepted standards of medical practice;
2. clinically appropriate, in terms of type, frequency, extent, site and duration, and considered effective for a patient’s illness, injury or disease;
3. not primarily for the convenience of a patient or health care provider; and
4. not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results in the diagnosis or treatment of that patient's illness, injury or disease.

For these purposes, "generally accepted standards of medical practice" means standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, physician specialty society recommendations and views of health care providers practicing in relevant clinical areas, and any other relevant factors.

The fact that a health care provider may prescribe, authorize, or direct a service does not of itself make it Medically Necessary or covered by the Group Contract.

Observation care Hospital outpatient services you get while your doctor decides whether to admit you as an inpatient or discharge you. You can get observation services in the emergency department or another area of the hospital.

Unless the provider has written an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient hospital services. Even if you stay in the hospital overnight, you might still be considered an “outpatient”. If you are not sure if you are an outpatient, you should ask the hospital staff.

Plan allowance Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. Plans determine their allowances in different ways.

You should also see Important Notice About Surprise Billing – Know Your Rights in Section 4 that describes your protections against surprise billing under the No Surprises Act.

Post-service claims Any claims that are not pre-service claims. In other words, post-service claims are those claims where treatment has been performed and the claims have been sent to us in order to apply for benefits.

Pre-service claims	Those claims (1) that require precertification, prior approval, or a referral and (2) where failure to obtain precertification, prior approval, or a referral result in a reduction of benefits.
Premium contribution to HSA/HRA	The portion of your monthly health plan premium that is credited toward our annual HSA deposit to your HSA based on your effective date of enrollment; or the portion of your health plan premium credited to your HRA which is available to you upon your enrollment in this Plan.
Primary Care Medical Home (PCMH)	CareFirst created these provider panels, composed of members of our BlueChoice network, to improve health care quality and help slow rising health care costs over time. Our Primary Care Medical Home (PCMH) program focuses on the relationship between you and your primary care provider (PCP). It's designed to provide your PCP – whether it's a physician or nurse practitioner – with a more complete view of your health needs, as well as the care you're receiving from other providers. As the leader of your health care team, your PCP will be able to use this information to better manage and coordinate your care, a key to better health.
Reimbursement	A carrier's pursuit of a recovery if a covered individual has suffered an illness or injury and has received, in connection with that illness or injury, a payment from any party that may be liable, any applicable insurance policy, or a workers' compensation program or insurance policy, and the terms of the carrier's health benefits plan require the covered individual, as a result of such payment, to reimburse the carrier out of the payment to the extent of the benefits initially paid or provided. The right of reimbursement is cumulative with and not exclusive of the right of subrogation.
Subrogation	A carrier's pursuit of a recovery from any party that may be liable, any applicable insurance policy, or a workers' compensation program or insurance policy, as successor to the rights of a covered individual who suffered an illness or injury and has obtained benefits from that carrier's health benefits plan.
Surprise bill	An unexpected bill you receive for • emergency care – when you have little or no say in the facility or provider from whom you receive care, or for • non-emergency services furnished by nonparticipating providers with respect to patient visits to participating health care facilities, or for • air ambulance services furnished by nonparticipating providers of air ambulance services.
Us/We	Us and We refer to CareFirst BlueChoice, Inc.
You	You refers to the enrollee and each covered family member.
Urgent care claims	A claim for medical care or treatment is an urgent care claim if waiting for the regular time limit for non-urgent care claims could have one of the following impacts: • Waiting could seriously jeopardize your life or health; • Waiting could seriously jeopardize your ability to regain maximum function; or • In the opinion of a physician with knowledge of your medical condition, waiting would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Urgent care claims usually involve pre-service claims and not post-service claims. We will evaluate whether or not a claim is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you believe your claim qualifies as an urgent care claim, please contact our Customer Service Department at (888)789-9065. You may also prove that your claim is an urgent care claim by providing evidence that a physician with knowledge of your medical condition has determined that your claim involves urgent care.

Summary of Benefits - BlueChoice Advantage HDHP for 2026

Do not rely on this chart alone. This is a summary.

All benefits are subject to the definitions, limitations, and exclusions in this brochure. Before making a final decision, please read this FEHB brochure. You can also obtain a copy of our Summary of Benefits and Coverage as required by the Affordable Care Act at <https://www.carefirst.com/fedhmo/resources/forms.html>

If you want to enroll or change your enrollment in this Plan, be sure to put the correct enrollment code from the cover on your enrollment form.

In 2026, for each month you are eligible for the Health Savings Account, BlueChoice Advantage HDHP will deposit \$75 per month for Self-Only enrollment, \$150 for Self Plus One enrollment, or \$150 per month for Self and Family enrollment to your HSA. For the HSA you may use your HSA or pay out of pocket to satisfy your calendar year deductible of \$1,700 in-network and \$3,400 out-of-network for Self-Only and \$3,400 in-network and \$6,800 out-of-network for Self Plus One and Self and Family. Only CareFirst allowable charges are applicable to the deductible. Once you satisfy your calendar year deductible, traditional medical coverage begins.

For the Health Reimbursement Arrangement (HRA), your health charges are applied to your annual HRA Fund of \$75 per month for Self-Only enrollment and \$150 for Self Plus One and Self and Family. Once your HRA is exhausted, you must satisfy your calendar year deductible. Once your calendar year deductible is satisfied, traditional medical coverage begins.

The deductible is \$1,700 per Self Only enrollment or \$3,400 per Self Plus One and Self and Family enrollment for in-network services and \$3,400 per Self Only enrollment and \$6,800 per Self Plus One and Self and Family enrollment for out-of-network services each calendar year. The Self Plus One and Self and Family deductible can be satisfied by one or more family members. The deductible applies to all benefits unless we indicate differently in Sections 5(a) through 5(g) of this brochure.

Under BlueChoice Advantage, you may earn a medical expense debit card to help pay for qualified medical expenses of up to \$400 per Self Only enrollment and up to \$800 per Self Plus One and Self and Family enrollment.

BlueChoice Advantage HDHP	You pay	Page
Medical services provider by a physician: Diagnostic and treatment services provided in the office	In-network: Preventive Care and Women's Health: No copay All other office care: After deductible, No copay for PCP and \$35 for a specialist Out-of-network: After deductible, \$80 copay	116
