Your Indemnity Retiree Health Plans

Your protection against illness and high medical costs

Times have changed, and so have your needs. Even though you have Medicare, you still need additional health insurance to help cover your medical expenses. That's why Montgomery County Government has selected CareFirst BlueCross BlueShield plans for you. When you use the providers who participate with Medicare, you will have little to pay for Medicare-covered services. That way, you can just concentrate on feeling better.

This benefit summary will show you how to use your benefits. As you read through it, you see terms such as deductible and approved amount. The definitions for these terms can be found in the *Words You Need to Know* section of this book. They will help you understand how your plan can save you money and make your Medicare coverage even better than before.

This benefit summary will also tell you the following:

- What the plans are and how they work.
- What Medicare does and doesn't cover.
- When you'll need to file claims, and how to file them.
- How to get the most from your health care plans.
- What your benefits are.

If you have any questions, just call CareFirst BlueCross BlueShield's Customer Service Department at 888-417-8385. You can call between 8:00 a.m. and 9:00 p.m., Monday through Friday. A customer service representative will be happy to help you.

What your plan is and how it works

How do the plans work?

Your Medicare coverage is always primary. That means that Medicare always pays first for Medicare — covered services. Your CareFirst Medicare Plan is your secondary plan. It provides benefits for some charges and services not covered by Medicare.

When you use a Medicare participating provider for medical services, you will have less to pay for Medicare—covered services because these providers have agreed to accept the Medicare approved amount for their services, commonly referred to as “accepting assignment.”

Medicare non-participating providers do not always accept the Medicare approved amount. You will pay more for your care when you use Medicare non-participating providers.

Sometimes Medicare non-participating providers will agree to accept the Medicare approved amount for some services. Whenever they do, you will have less to pay for covered services.

How can I save money with my plan?

Your plan pays all of your up-front Medicare Part A deductibles and coinsurance amounts, regardless if you see a Medicare participating or Medicare non-participating provider.

In addition, your plan covers the Medicare Part B deductible for most services. In these cases, you will not have to pay the deductible, even if you see a Medicare participating or Medicare non-participating provider.

Getting the most from your health care plan

To make sure that you make the most of your benefits and pay the least for care, follow these simple guidelines:

1. Always find out if a provider is participating (accepts the Medicare approved amount) or non-participating (does not accept the Medicare approved amount) before you receive care.
2. Avoid additional out-of-pocket expenses by using Medicare participating providers when you need Medicare-covered services.
3. Always give your Medicare membership number and your CareFirst membership number when you receive care.
4. If you need to file a claim, file right away so that you don't miss the filing deadline.

BlueCard & Blue Cross Blue Shield Global® Core

Wherever you go, your health care coverage goes with you

With your Blue Cross and Blue Shield member ID card, you have access to doctors and hospitals almost anywhere. BlueCard gives you the peace of mind that you'll always have the care you need when you're away from home, from coast to coast. And with Blue Cross Blue Shield Global® Core (BCBS Global® Core) you have access to care outside of the U.S.

As always, go directly to the nearest hospital in an emergency.

Your membership gives you a world of choices. More than 93% of all doctors and hospitals throughout the U.S. contract with Blue Cross and Blue Shield plans. Whether you need care here in the United States or abroad, you'll have access to health care in more than 190 countries.

When you're outside of the CareFirst BlueCross BlueShield and CareFirst BlueChoice, Inc. service area (Maryland, Washington, D.C., and Northern Virginia), you'll have access to the local Blue Cross Blue Shield Plan and their negotiated rates with doctors and hospitals in that area. You shouldn't have to pay any amount above these negotiated rates. Also, you shouldn't have to complete a claim form or pay up front for your health care services, except for those out-of-pocket expenses (like non-covered services, deductibles, copayments, and coinsurance) that you'd pay anyway.

Within the U.S.

1. Always carry your current member ID card for easy reference and access to service.
2. To find names and addresses of nearby doctors and hospitals, visit the National Doctor and Hospital Finder at www.bcbs.com, or call BlueCard Access at 800-810-BLUE (2583).
3. Call the Customer Service number on the back of your member ID card to verify benefits or find out if pre-certification or prior authorization is required.
4. When you arrive at the participating doctor's office or hospital, simply present your ID card.
5. After you receive care, you shouldn't have to complete any claim forms or have to pay up front for medical services other than the usual out-of-pocket expenses. CareFirst will send you a complete explanation of benefits.

Around the world

Like your passport, you should always carry your ID card when you travel or live outside the U.S. The Blue Cross Blue Shield Global® Core program (BCBS Global® Core) provides medical assistance services and access to doctors, hospitals and other health care professionals around the world. Follow the same process as if you were in the U.S. with the following exceptions:

- At hospitals in the BCBS Global Core Network, you shouldn't have to pay up front for inpatient care, in most cases. You're responsible for the usual out-of-pocket expenses. And, the hospital should submit your claim.
- At hospitals outside the BCBS Global Core Network, you pay the doctor or hospital for inpatient care, outpatient hospital care, and other medical services. Then, complete an international claim form and send it to the BCBS Global Core Service Center. The claim form is available online at **bcbs.globalcore.com**.
- To find a BlueCard provider outside of the U.S. visit **bcbs.com**, select *Find a Doctor or Hospital*.

Members of Maryland Small Group Reform (MSGR) groups have access to emergency coverage only outside of the U.S.

Medical assistance when outside the U.S.

Call 800-810-BLUE (2583) toll-free or 804-673-1177, 24 hours a day, 7 days a week for information on doctors, hospitals, other health care professionals or to receive medical assistance services. A medical assistance coordinator, in conjunction with a medical professional, will make an appointment with a doctor or arrange hospitalization if necessary.

Visit **bcbs.com** to find providers within the U.S. and around the world.

What Medicare Does and Doesn't Cover

What does Medicare cover?

Medicare has two parts, A and B. Medicare Part A (hospital insurance) partially pays for medically necessary:

- Inpatient hospital facility charges.
- Care in a skilled nursing facility after a hospital stay.
- Home health care provided by a Medicare—participating home health agency.
- Hospice care for the terminally ill.

Medicare Part B (medical services insurance) partially pays for medically necessary:

- Physician's services.
- Outpatient hospital services.
- Home health visits.
- Physical and speech therapy.
- Services and supplies covered by Medicare, such as x-rays and durable medical equipment.

What isn't covered by Medicare?

Medicare does not pay the full cost of all covered services. Medicare requires that you pay a share of the costs in the form of deductibles and coinsurance/copays.

How to File Medical Claims

You never have to submit a claim to Medicare. By law all providers must file these claims for you. And that applies to non-participating providers as well as participating providers.

If I receive care in Maryland, will I have to file any claims to CareFirst?

You will not have to file any claims with CareFirst for covered services if you receive the services in Maryland, Washington, D.C., Delaware, New Jersey, Pennsylvania and Northern Virginia. While you may be asked to fill out claim forms for the provider, you will not have to submit the claims yourself.

CareFirst electronically receives claims from Medicare for covered services received in Maryland, Washington, D.C., Delaware, New Jersey, Pennsylvania and Northern Virginia. That means that your claims automatically come to us from Medicare when you give your CareFirst membership number to your provider at the time you receive care.

Make sure that you always give your CareFirst membership number to your provider when you give your Medicare membership number. Without your CareFirst number, Medicare won't know to forward your claim information to us. You will then have to file your own claim.

Will I have to file any claims to CareFirst if I receive care outside of the states listed above?

Yes, your providers will file your Medicare claims for you. That's the law. But you will have to file claims with CareFirst to get benefits from your plan.

Here's what you should do. After Medicare has paid its share, you will receive an "Explanation of Medicare Benefits" (EOMB). Make copies of this form and of your bills for each claim. Do not send the original EOMB and medical bills. Keep the originals in your files. Claims rarely get lost, but if that should happen, you can resubmit your claim if you have kept the originals.

Send a copy of the EOMB, your bills and a completed claim form to the following address:

- CareFirst Blue Cross Blue Shield
Mail Administrator
P.O. Box 14114
Lexington, KY 40512

What if I need a claim form or help submitting a claim?

Just call your CareFirst customer service representative. The numbers to call are (410) 581-3539 or (888) 417-8385. You can also call these numbers if you want to find out if your claim has been received.

Is there a deadline for filing claims?

The Medicare timely filing period is 12 months from the date of service.

What happens if my claim arrives after the deadline?

Your claim will not be covered, and you will not receive payment. So be sure to file your claim right away.

Words You Need to Know

Approved amount

The amount that Medicare allows participating providers to be paid for Medicare-covered services. Payments are made according to the Medicare fee schedule. Participating providers agree to accept the approved amount as payment in full for covered services. Non-participating providers can charge you more than this amount for your care (see limiting charge). The “approved amount” also may be called the “allowed amount” or “assignment”.

Coinsurance

Some services require that you pay a percentage of the costs for your medical care.

Some services require that you pay a set-dollar amount for your care. For example, under Medicare Part A, you must pay a set amount per day for inpatient hospital care after you’ve been hospitalized for over 60 days.

Your plan pays the Part A coinsurance for you.

Deductibles

Some services require that you pay a deductible before Medicare begins to pay.

Limiting charge

Some providers do not accept the Medicare approved amount as payment in full for Medicare-covered services. To protect you from high charges for these services, Medicare limits the amount that these non-participating providers can bill you. The limiting charge does not apply to any of the Traditional Medicare Supplemental Plan benefits that Medicare does not cover.

Medicare fee schedule

In general, payments for services are made according to the standard Medicare-approved fee schedule.

Medicare participating provider

Physicians and suppliers who agree to always accept the Medicare approved amount as payment in full for services. (You still pay deductibles and coinsurance.) Medicare participating providers can charge you full price for services that Medicare does not cover.

Medicare non-participating provider

Other physicians and suppliers who do not agree to always accept the Medicare Non-Participating approved amount as payment in full for services. Medicare limits the amount that non-participating providers can charge for Medicare-covered services. If you choose to see a non-participating provider, you must pay any difference between the limiting charge and the Medicare approved amount.

Provider

Any licensed doctor, nurse or professional. A provider may also be a health care facility, such as a hospital, laboratory or clinic.
