Nota para miembros existentes: Este formulario ha cambiado desde el año pasado. Revise este documento para asegurarse de que aún contenga los medicamentos que toma.

Cuando esta lista de medicamentos (formulario) se refiere a "nosotros", "nos" o "nuestro", significa CareFirst BlueCross BlueShield Medicare Advantage. La referencia a "plan" o "nuestro plan" significa CareFirst BlueCross BlueShield Advantage DualPrime.

Este documento incluye una lista de los medicamentos (formulario) de nuestro plan que está vigente el 01/11/2024. Para obtener un formulario actualizado, comuníquese con nosotros. Nuestra información de contacto aparece, junto con la fecha de la última actualización del formulario, en la portada y en la contraportada.

Por lo general, debe usar las farmacias de la red para usar su beneficio de medicamentos recetados. Los beneficios, el formulario, la red de farmacias o los copagos/coseguro pueden cambiar el 1 de enero de 2024 y de vez en cuando durante el año.

¿Qué es el formulario de CareFirst BlueCross BlueShield Advantage DualPrime ?

Un formulario es una lista de medicamentos cubiertos seleccionados por CareFirst BlueCross BlueShield Advantage DualPrime en consulta con un equipo de proveedores de atención médica, que representa las terapias recetadas que se consideran una parte necesaria de un programa de tratamiento de calidad. CareFirst BlueCross BlueShield Advantage DualPrime generalmente cubrirá los medicamentos enumerados en nuestro formulario siempre que el medicamento sea médicamente necesario, la receta se surta en cualquier farmacia de la red de CareFirst BlueCross BlueShield Advantage DualPrime y se sigan otras reglas del plan. Para obtener más información sobre cómo surtir sus recetas, consulte su Evidencia de Cobertura.

Para obtener una lista completa de todos los medicamentos con receta cubiertos por CareFirst BlueCross BlueShield Advantage DualPrime, visite nuestro sitio web o llámenos. Nuestra información de contacto aparece, junto con la fecha de la última actualización del formulario, en la portada y en la contraportada.

¿Puede cambiar el formulario (lista de medicamentos)?

La mayoría de los cambios en la cobertura de medicamentos ocurren el 1 de enero, pero nosotros podemos agregar o eliminar medicamentos a la lista de medicamentos durante el año, moverlos a diferentes niveles de costo compartido o agregar nuevas restricciones. Debemos seguir las reglas de Medicare al realizar estos cambios.

Cambios que pueden afectarle este año: En los siguientes casos, se verá afectado por los cambios de cobertura durante el año:

- **Medicamentos genéricos nuevos.** Podremos remover de inmediato un medicamento de marca de su lista de medicamentos si lo reemplazamos con un nuevo medicamento genérico, que aparecerá en el mismo nivel de costo compartido o en un nivel inferior y con las mismas o menos restricciones. O, al agregar el nuevo medicamento genérico, podrá decidir mantener el medicamento de marca en su lista de medicamentos, pero moverlo inmediatamente a un nivel de costo compartido diferente o agregar nuevas restricciones. Si actualmente está tomando ese medicamento de marca, es posible que no se le informe con anticipación antes de realizar ese cambio, pero luego se le proporcionará información sobre los cambios específicos realizados.
 - Si hacemos un cambio de este tipo, usted o su médico pueden solicitarnos que hagamos una excepción y sigamos cubriendo el medicamento de marca para usted. El aviso que le brindamos también incluirá información sobre cómo solicitar una excepción, y puede

encontrar información en la sección a continuación titulada "¿Cómo solicitar una excepción al formulario de CareFirst BlueCross BlueShield Advantage DualPrime?".

- **Medicamentos retirados del mercado.** Si la Administración de Alimentos y Medicamentos considera que un medicamento de su formulario no es seguro o el fabricante del medicamento lo retira del mercado, lo eliminaremos inmediatamente de su formulario y notificaremos a los afiliados que lo tomen.
- **Otros cambios.** Es posible que realicemos otros cambios que afecten a los afiliados que actualmente toman un medicamento. Por ejemplo, podemos agregar un medicamento genérico que no es nuevo en el mercado para reemplazar un medicamento de marca actualmente en el formulario, agregar nuevas restricciones al medicamento de marca o moverlo a un nivel de costo compartido diferente, o ambos. O podemos hacer cambios basados en nuevas normas clínicas. Si eliminamos medicamentos de nuestro formulario, o agregamos una autorización previa, límites de cantidad o restricciones de terapia por etapa en un medicamento, debemos notificar el cambio a los afiliados afectados por lo menos 30 días antes de que el cambio entre en vigor, o en el momento en que el afiliado solicita una repetición de una receta del medicamento, momento en el que el afiliado recibirá un suministro de 30 días del medicamento.
 - Si realizamos estos otros cambios, usted o su médico pueden solicitarnos que hagamos una excepción y sigamos cubriendo el medicamento de marca para usted. El aviso que le brindamos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la sección siguiente titulada "¿Cómo solicitar una excepción al formulario de CareFirst BlueCross BlueShield Medicare Advantage DualPrime?".

Cambios que no le afectarán si actualmente está tomando el medicamento. Por lo general, si está tomando un medicamento de nuestro formulario de 2024 que estaba cubierto al comienzo del año, no descontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2024, excepto como se describe anteriormente. Esto significa que estos medicamentos seguirán estando disponibles al mismo costo compartido y sin nuevas restricciones para los afiliados que los tomen durante el resto del año de cobertura. Durante este año usted no recibirá notificación directa sobre cambios que no le afecten. Sin embargo, el 1 de enero del próximo año, dichos cambios lo afectarían, y es importante que consulte la lista de medicamentos para el nuevo año de vigencia de los beneficios para ver si hay cambios en los medicamentos.

El formulario adjunto está vigente en la fecha 01/11/2024. Para obtener información actualizada sobre los medicamentos cubiertos por CareFirst BlueCross BlueShield Advantage DualPrime, comuníquese con nosotros. Nuestra información de contacto aparece detallada en la portada y contraportada. En caso de que se produzcan cambios en el formulario que no sean de mantenimiento a mitad de año, los formularios se actualizarán mensualmente y se publicarán en nuestro sitio web.

¿Cómo utilizo el formulario?

Hay dos formas de encontrar su medicamento en el formulario:

Condición médica

El formulario comienza en la página 9. Los medicamentos de este formulario se agrupan en categorías según el tipo de condiciones médicas para las que se usan. Por ejemplo, los medicamentos que se usan para tratar una afección cardíaca se enumeran en la categoría CARDIOVASCULAR. Si sabe para qué se

usa su medicamento, busque el nombre de la categoría en la lista que comienza en 9. Luego, busque debajo del nombre de la categoría de su medicamento.

Listado por orden alfabético

Si no está seguro de en qué categoría buscar, debe buscar su medicamento en el índice que comienza en la página 80. El índice brinda una lista por orden alfabético de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los genéricos se enumeran en el Índice. Busque su medicamento en el índice. Junto a su medicamento, verá el número de página donde puede encontrar información sobre la cobertura. Vaya a la página que aparece en el Índice y busque el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

CareFirst BlueCross BlueShield Advantage DualPrime cubre tanto medicamentos de marca como medicamentos genéricos. Un medicamento genérico está aprobado por la Administración de Alimentos y Medicamentos (FDA, por sus siglas en inglés) por tener el mismo ingrediente activo que el medicamento de marca. En general, los medicamentos genéricos cuestan menos que los medicamentos de marca.

¿Existe alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden contar con requisitos adicionales o límites en la cobertura. Estos requisitos y límites pueden incluir:

- **Autorización previa:** CareFirst BlueCross BlueShield Advantage DualPrime requiere que usted o su médico obtengan una autorización previa para ciertos medicamentos. Esto significa que deberá obtener la aprobación de CareFirst BlueCross BlueShield Advantage DualPrime antes de surtir sus recetas. Si no obtiene la aprobación, es posible que CareFirst BlueCross BlueShield Advantage DualPrime no cubra el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, CareFirst BlueCross BlueShield Advantage DualPrime limita la cantidad del medicamento cubierto por CareFirst BlueCross BlueShield Advantage DualPrime. Por ejemplo, CareFirst BlueCross BlueShield Advantage DualPrime proporciona 30 tabletas para 30 días por receta de JANUVIA 100 mg. Esto puede ser adicional al suministro estándar para uno o tres meses.
- **Terapia por etapas:** En algunos casos, CareFirst BlueCross BlueShield Advantage DualPrime requiere que primero pruebe ciertos medicamentos para tratar su condición médica antes de cubrir otro medicamento para esa afección. Por ejemplo, si el medicamento A y el medicamento B tratan su condición médica, CareFirst BlueCross BlueShield Advantage DualPrime puede no cubrir el medicamento B a menos que pruebe primero el medicamento A. Si el medicamento A no le funciona, CareFirst BlueCross BlueShield Advantage DualPrime cubrirá el medicamento B.

Puede averiguar si su medicamento cuenta con requisitos o límites adicionales consultando el formulario que comienza en la página 9. También puede obtener más información sobre las restricciones aplicadas a medicamentos cubiertos específicos visitando nuestro sitio web. Hemos publicado documentos en línea que explican nuestra autorización previa y las restricciones de terapia por etapas. También puede solicitarnos que

le enviemos una copia. Nuestra información de contacto aparece, junto con la fecha de la última actualización del formulario, en la portada y en la contraportada.

Puede pedirle a CareFirst BlueCross BlueShield Advantage DualPrime que haga una excepción a estas restricciones o límites o que le brinde una lista de otros medicamentos similares que puede usar para tratar la afección médica. Consulte la sección, "¿Cómo solicitar una excepción al formulario de CareFirst BlueCross BlueShield Advantage DualPrime?" en la página 5 para obtener información sobre cómo solicitar una excepción.

¿Qué pasa si mi medicamento no está en el formulario?

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicios para el Afiliado y preguntar si su medicamento está cubierto.

Si se entera de que CareFirst BlueCross BlueShield Advantage DualPrime no cubre su medicamento, tiene dos opciones:

- Puede solicitar a Servicios para el Afiliado una lista de medicamentos similares cubiertos por CareFirst BlueCross BlueShield Advantage DualPrime. Cuando reciba la lista, muéstrésela a su médico y solicítele que le recete un medicamento similar cubierto por CareFirst BlueCross BlueShield Advantage DualPrime.
- Puede solicitarle a CareFirst BlueCross BlueShield Advantage DualPrime que haga una excepción y cubra su medicamento. Vea a continuación la información sobre cómo solicitar una excepción.

¿Cómo solicitar una excepción al formulario de CareFirst BlueCross BlueShield Advantage DualPrime?

Puede solicitarle a CareFirst BlueCross BlueShield Advantage DualPrime que haga una excepción a nuestras reglas de cobertura. Existen varios tipos de excepciones que puede solicitar.

- Puede solicitar que cubramos un medicamento incluso si no está en nuestro formulario. Si se aprueba su solicitud, este medicamento estará cubierto a un nivel de costo compartido predeterminado y no podrá solicitar que le brindemos el medicamento a un nivel de costo compartido más bajo.
- Puede solicitar que eliminemos las restricciones o límites de cobertura de su medicamento. Por ejemplo, para ciertos medicamentos, CareFirst BlueCross BlueShield Advantage DualPrime limita la cantidad del medicamento cubierto. Si su medicamento tiene un límite de cantidad, puede solicitar que no apliquemos el límite y que se cubre una cantidad mayor.

Por lo general, CareFirst BlueCross BlueShield Advantage DualPrime sólo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, el medicamento de menor costo compartido o las restricciones de utilización adicional no resultarían ser tan eficaces en el tratamiento de su afección o causarían efectos médicos adversos.

Debe comunicarse con nosotros para solicitarnos una decisión de cobertura inicial para un formulario o excepción de restricción de uso. **Cuando solicita un formulario o excepción de restricción de uso, debe enviar una declaración de su médico o prescriptor que respalde su solicitud.** Por lo general, debemos tomar nuestra decisión dentro de las 72 horas posteriores a la recepción de la declaración de respaldo de su médico. Puede solicitar una excepción acelerada (rápida) si usted o su médico creen que su salud podría

verse gravemente dañada si tiene que esperar hasta 72 horas por una decisión. Si se concede su solicitud de excepción acelerada, debemos darles una decisión a más tardar 24 horas después de recibir una declaración de respaldo de su médico u otro prescriptor.

¿Qué hago antes de poder hablar con mi médico sobre cambiar mis medicamentos o solicitar una excepción?

Como afiliado nuevo o continuo de nuestro plan, es posible que esté tomando medicamentos que no se encuentran en nuestro formulario. O puede estar tomando un medicamento que está en nuestro formulario, pero su capacidad para obtenerlo es limitada. Por ejemplo, es posible que necesite una autorización previa de nuestra parte antes de poder surtir su receta. Debe hablar con su médico para decidir si debe cambiar a un medicamento apropiado cubierto por nosotros o solicitar un formulario de excepción para que cubramos el medicamento. Mientras habla con su médico para determinar el curso de acción correcto para usted, es posible que cubramos su medicamento en ciertos casos durante los primeros 90 días en que sea afiliado de nuestro plan.

Para cada uno de sus medicamentos que no esté en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, cubriremos un suministro temporal de 30 días. Si su receta es para menos días, permitiremos repeticiones de dicha receta para proporcionar un suministro máximo de medicamentos de 30 días. Después de su primer suministro de 30 días, no pagaremos estos medicamentos, incluso si ha sido afiliado del plan por menos de 90 días.

Si usted es residente de un centro de atención a largo plazo y necesita un medicamento que no está en nuestro formulario, o si su capacidad para obtener sus medicamentos es limitada pero ha pasado los primeros 90 días de afiliación en nuestro plan, cubriremos un suministro de emergencia de 31 días de ese medicamento mientras busca una excepción al formulario.

Si experimenta un cambio en su nivel de atención (como un traslado de un hospital a un hogar) y necesita un medicamento que no está en nuestro formulario o su capacidad para obtener sus medicamentos es limitada, es posible que cubramos un único suministro temporal. El suministro temporal único debe ser para un suministro de 30 días (o un suministro de 31 días si reside en un centro de atención a largo plazo), a menos que su receta sea para un suministro de menos días. Debe obtener los medicamentos en una farmacia de la red. Debe utilizar el proceso de excepción del plan si desea continuar con la cobertura del medicamento una vez finalizado el suministro temporal.

La primera columna del cuadro muestra el nombre del medicamento. Los medicamentos de marca aparecen en mayúscula (por ejemplo, JANUVIA) y los medicamentos genéricos aparecen en cursiva minúscula (por ejemplo, *ibuprofeno*).

La información en la columna Requisitos/Límites le dice si CareFirst BlueCross BlueShield Advantage DualPrime tiene algún requisito especial para la cobertura de su medicamento.
