- Diabetic Retinal Eye Exam

We'd love to help

If you have any questions, please call Member Services at the number on the back of your member ID card. You can reach a customer service representative from 8 a.m.-8 p.m., EST, 7 days a week from October 1-March 31 and Monday-Friday from April 1-September 30.

Start Earning Healthy Rewards!

Follow these steps below:

Call your doctor to schedule the preventive screening, exam, or vaccination you need. We can help you to schedule your visit. Just call our Member Services number.

Take this booklet with you to your appointment.

Fill out any applicable forms starting from page 6. Be sure to write your full name and member identification number on the form (located on the front of your member ID card).

Tear out the completed form and mail it to:

CareFirst BlueCross BlueShield
Medicare Advantage
Attn: Quality Dept.
PO Box 915
Owings Mills, MD 21117

Or you can fax it to 410-779-3957.

Your Healthy Rewards will be loaded onto a prepaid healthcare benefit type card as shown below.

Please keep the card, as it will be reloaded with your reward, every time you complete one of the activities. The card will be reloaded the month following when we receive confirmation of completion. The Healthy Rewards do not roll over to the next year and expire on February 28, 2026.

Complete your screenings today!

To receive eligible rewards, all services must be completed by December 31, 2025 and all completed forms must be submitted to the plan by January 31, 2026.

Any forms received after January 31, 2026 may not be eligible for a Healthy Reward.

Your Healthy Rewards will be loaded onto the healthcare prepaid benefit type card after we receive the completed form and have verified the services. Healthy Rewards cannot be used to buy tobacco or alcohol. Healthy Rewards cannot be converted to cash. All preventive measures must be completed in the 2025 calendar year. This reward can only be earned once per calendar year.

The Benefits Mastercard® Prepaid Card is issued by The Bancorp Bank, N.A., Member FDIC, pursuant to license by Mastercard International Incorporated. Mastercard is a registered trademark, and the circles design is a trademark of Mastercard International Incorporated. Card can be used for eligible expenses wherever Mastercard is accepted.

Here's How it Works

Activity	What you need to know	Reward
Health Risk Assessment	Complete and return HRA within 90 days of your enrollment effective date, and/or annually (no greater than 365 days from completing your last HRA) thereafter.	\$20
Annual Wellness Visit	One visit per year	\$30
Annual Flu Shot	One flu shot per year	\$20
At Home Visit (Porter)	One visit per year	\$30
Post-Hospitalization Physician Visit	Complete within thirty (30) days of leaving the hospital. (One per year)	\$20
Colonoscopy or Flexible Sigmoidoscopy	You must have a colorectal screening between January 1–December 31, 2025. Request your reward by January 31, 2026. You will need to provide the date of visit and the type of test.	\$50
At Home Colorectal Cancer Screening	One at home colorectal cancer screening per year	\$30
Breast Cancer Screening	One mammogram per year.	\$50
Diabetes HbA1c Test	One HbA1c screening per year	\$20
Diabetic Retinal Exam	One retinal exam per year	\$20

Health Risk Assessment

Health Risk Assessments (HRAs) are used to help identify any health risks that could affect your health. After you answer each question, your case manager at CareFirst BlueCross BlueShield Medicare Advantage will use this and other health information to create a care plan personalized to your healthcare needs.

We will mail the care plan to you and your primary care provider (PCP). The care plan will include goals and actions for you to improve your health. We encourage you to talk to your PCP about your care plan at every visit.

To receive this reward, you must complete the HRA within the first 90 days of enrollment with the plan, and/or annually thereafter. CareFirst BlueCross BlueShield Medicare Advantage will reach out to you when you are due for your HRA.

You can complete this assessment in your own home. You don't have to go to the doctor to do it.

Three ways to complete your HRA

Complete it over the phone when we call you! It's quick and confidential.

Send it by mail. Just ask the representative on the phone for a mailed copy. We'll mail it with a postage-paid envelope.

Send it online. Take the assessment at carefirst.com/hraform. It's fast and confidential.

HRAs are offered at no charge to Medicare members

A member of our case management team will call you to discuss your HRA results and develop a personalized care plan shortly after we receive your completed HRA. Conversations with the case management team do not count as a completed HRA. You must complete the brief survey to be eligible for the Healthy Reward.

The HRA must be completed prior to December 31, 2025 for you to be eligible to receive a Healthy Reward.

Annual Wellness Visit

CareFirst BlueCross BlueShield Medicare Advantage encourages all members to get an annual wellness visit once every 12 months. During this visit, your doctor will check on your health and work with you to develop a care plan made just for you.

The visit is offered to all Medicare members one time each year at no cost and it must be completed in-person in 2025 in order for you to be eligible for a Healthy Reward.

During your annual wellness visit, remember to:

Ask your provider which screenings you should take.

Ask questions about your health numbers (blood pressure/body mass index).

Talk to your doctor about any over-the-counter drugs you take to see if they are safe to take along with any prescriptions prescribed to you.

Reduce the risk of falls by talking about how to prevent them.

Inform your doctor about any pain you may have or any physical or mental changes you are experiencing.

Discuss advance care planning with your doctor to make decisions about the care you'd want to receive if you become unable to speak for yourself.

2025 Annual Wellness Exam Form

We've included a form for you to fill out, sign and date after your Annual Wellness Exam with your provider. Tear off at the dotted line and complete all fields.

BLUE CROSS®, BLUE SHIELD® and the Cross and Shield Symbols are registered service marks of the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans.

Annual Flu Shot

CareFirst BlueCross BlueShield Medicare Advantage encourages members to get a flu shot. Human immune defenses become weaker with age. The flu can be serious for people age 65 and older or with other health risk factors.

An annual flu shot is offered at no cost to all Medicare members. It must be completed in-person in 2025 in order for you to be eligible to receive a Healthy Reward.

According to the Centers for Disease Control and Prevention, it is not possible to predict what any flu season will be like. The timing, severity and length of the flu season usually varies from one year to the next.

Flu vaccines are updated each season because flu viruses are constantly changing. Also, immunity decreases over time. Annual vaccination helps to ensure the best possible protection against flu.

Get your flu shot today!

Call your doctor today to schedule your flu shot. Be sure to ask if your pharmacy can give you a shot at no cost.

2025 Annual Flu Shot Form

We've included a form for you to fill out, sign and date after you take your Annual Flu Shot. Tear off at the dotted line once you've completed all fields.

At-Home Visit

Your plan includes the option for you to have a comprehensive health assessment in the comfort of your own home. This benefit is available at no cost.

During the visit, a licensed practitioner will provide a thorough health evaluation including lab work and screenings for diabetes, colon cancer, and kidney and vascular diseases. They'll review your medical history and medications and answer any questions you may have.

You can opt into the care coordination. This service provides valuable assistance getting the most out of your care. We can help you schedule appointments or arrange transportation, get lower cost medications or medical equipment, and provide nutrition recommendations to improve your overall health.

What happens at this visit?

Your in-home assessment does not replace your yearly visit with your PCP. Both you and your PCP will receive a Clinical Visit Summary report that summarizes the results of your assessment. This will help you have an informed discussion at your annual check-up or next PCP visit.

Post-Hospitalization Physician Visit

The post-hospitalization visit is offered at no cost to Medicare members who were admitted for either an observation or an inpatient stay.

If you complete your post-hospitalization visit within 30 days of discharge from the admission, you will be eligible to receive a healthy reward. This visit can be completed in-person or via telehealth (on your computer, phone, or tablet) with the provider.

CareFirst BlueCross BlueShield Advantage DualPrime understands that it can be tough going home after being in the hospital. You may have left the hospital with multiple follow-up instructions. You may have many medicines to take. You may also want more medical help and support in the weeks following your hospital stay.

What happens at this visit?

This visit may be with a primary care provider or specialist. During this visit, your doctor will go over the instructions that you got at the hospital. Your doctor will see if you need to adjust any medication, follow-up on test results and discuss future treatments.

Colorectal Cancer Screenings

According to the Centers for Disease Control and Prevention, regular screening is key to preventing colorectal cancer. CareFirst BlueCross BlueShield Medicare Advantage encourages you to talk with your provider about when to begin screening for colorectal cancer, what test to have and how often to have it.

Colorectal Cancer Screenings (iFOBT, Colonoscopy, or Flex Sigmoidoscopy):

Colorectal cancer screenings can detect problems before any symptoms occur. Your provider will take into account your age, medical history, family history and general health to determine which screening is right for you.

Medicare covers three colorectal cancer screenings when ordered by a doctor—Colonoscopy, Flexible Sigmoidoscopy, and an iFOBT stool-based test. There is no age requirement for members to receive a colonoscopy, but you must be over the age of 50 to complete a Flexible Sigmoidoscopy or an iFOBT stool-based test. The screening must be completed within the recommended time frame in order for you to receive a Healthy Reward.

At-Home Colorectal Cancer Screenings

At-home colorectal cancer screenings provide a convenient and non-invasive way for individuals to monitor their colon health.

These tests, often utilizing stool samples, allow for early detection of colorectal cancer or precancerous conditions. By collecting a sample at home and sending it for analysis, people can maintain regular screenings, which are crucial for early diagnosis and effective treatment.

While not a substitute for a colonoscopy, they can be a vital first step. In combination with professional medical advice, they enhance early detection efforts and can improve health outcomes.

Screening guidelines

It is recommended that individuals get an iFOBT stool-based test every 12 months, a Flexible Sigmoidoscopy every five years or a Colonoscopy every 10 years.

Colorectal Cancer Screening (iFobT)

1. Complete an iFOBT colorectal cancer screening kit before December 31, 2025. Use the kit as instructed.
2. Mail your sample to the lab to be processed. Instructions on how to do this will be included in your kit.
3. Fill out the form in this Healthy Rewards Program booklet.
4. After your visit with your provider, fax your completed form to 410-779-3957 or mail it to:
CareFirst BlueCross BlueShield
Medicare Advantage
Attn: Quality Department
P.O. Box 915
Owings Mills, MD 21117

Colonoscopy or Flexible Sigmoidoscopy

1. Talk with your provider to schedule an appointment for your colorectal cancer screening before December 31, 2025.
2. After you've completed your screening, fill out the form in this Healthy Rewards Program booklet.
3. After your procedure, fax your completed form to 410-779-3957 or mail it to:
CareFirst BlueCross BlueShield
Medicare Advantage
Attn: Quality Department
P.O. Box 915
Owings Mills, MD 21117

Who can earn this reward?

Medicare Advantage members who are eligible for a colorectal screening exam. One reward per member in 2025.

How can I earn this reward?

You must have a colorectal screening between January 1, 2025, and December 31, 2025. Request your reward by January 31, 2026. You will need to provide the date of visit and the type of test.

2025 Colorectal Cancer Screening Form

Mammograms (Breast Cancer Screening)

According to the Centers for Disease Control and Prevention, mammograms can help find breast cancer early, when it is easier to treat. CareFirst BlueCross BlueShield Medicare Advantage encourages you to talk with your provider about when to begin screening for breast cancer and how often to have it.

Mammograms check for breast cancer even if a woman does not have any signs or symptoms. During this screening, X-ray images are taken of each breast—the images look for lumps or tumors that cannot be felt.

Mammograms can also see other issues that may indicate breast problems. Some imaging centers may require a referral. Be sure to ask when you call to make your appointment. If a referral is needed, your primary care provider will provide one for you.

Talk with your provider if you have any questions.

Mammograms are offered at no cost to all Medicare members over the age of 40. This screening must be completed between October 1, 2024 and December 31, 2025 in order for you to be eligible to receive a Healthy Reward.
