CareFirst BlueCross BlueShield Medicare Advantage
Medicare Part B Medical Drug Update
June 2025

At CareFirst BlueCross BlueShield and CareFirst BlueCross BlueShield Medicare Advantage, our mission to advance affordable, accessible, equitable, high-quality healthcare guides every decision we make.

On June 1, 2025, adjustments will be made to our preferred drug list, which will include more medications in the preferred status. This change is designed to enhance accessibility and affordability for our members by expanding the range of clinically and cost-effective medications available.

Starting June 1, 2025, the following medical drug codes will no longer require prior authorization before they are covered:

J3380-Entyvio
J2327-Skyrizi IV
