It helps to understand some key terms

CareFirst member cost: The maximum amount providers can charge CareFirst members for a specific service.

Deductible: Depending on your plan, you'll need to pay for some services on your own until you reach your deductible. Then your plan starts helping with the cost of your care.

Out-of-pocket maximum: The most you'll pay for covered services in a plan year. After you spend this amount on care costs, your plan will pay 100% of the CareFirst member costs for the rest of the plan year.

The personas represented in this decision guide are not real. The personas and quotes are used for illustrative purposes only.

CHOOSING THE RIGHT PLAN

Everyone has their own personal needs and concerns when it comes to healthcare. We hope you'll take a few minutes to consider what features are most important to you. Here are some examples:

Felipe

62 YEARS OLD
MARRIED

Felipe is active and healthy, and generally sees the doctor only when something bothers him. Being recently retired, he's more interested in saving money than having a wide variety of options.

FELIPE WANTS A HEALTH PLAN THAT:

- Fits within a budget
- Has value for what he pays

Elizabeth

56 YEARS OLD
DIVORCED

Elizabeth is an active empty-nester. She wants to know that she's got the resources she needs to cover any unexpected expenses, but doesn't want to feel overwhelmed with options.

ELIZABETH WANTS A HEALTH PLAN THAT:

- Includes a robust wellness program
- Provides coverage when she travels

Susanne

61 YEARS OLD
MARRIED WITH
DEPENDENT ADULT CHILD

Susanne retired a little early but continues to care for her special needs son. She needs affordable care for her family and help managing her son's disabilities.

SUSANNE WANTS A HEALTH PLAN THAT:

- Has access to quality care when and where she needs it
- Helps her manage the costs of therapies

Matt

62 YEARS OLD
SINGLE

Matt spends much of his free time with his faithful yellow lab. He's looking forward to buying a second home. Saving money is his immediate goal, but not at the expense of having reliable, basic coverage.

MATT WANTS A HEALTH PLAN THAT:

- Has a low monthly paycheck deduction
- Offers discounts for gym memberships

- For care received in-network, you don't have to complete claim forms, so there's no paperwork.

BCBS Global® Core

- In most cases, you shouldn't have to pay up front for inpatient care at hospitals in the BCBS Global Core Network.
- At hospitals outside the BCBS Global Core Network, you pay the doctor or hospital for inpatient care, outpatient hospital care and other medical services. You then complete an international claim form for reimbursement.
